# Mission Statement

The SAIC Resale Centers are your creative supply source. We'd like to help you get materials that are not easily available downtown. Our inventory serves curricular and facility needs throughout the School's many departments. We also provide convenience and introductory items to help you explore the variety of art making processes SAIC facilities support. .

---

## Policies

- Artcard is the only accepted form of payment. We cannot accept cash, credit or checks at this time.
  - All materials must be paid for in full and removed from the space at the time of purchase. We cannot hold materials.
  - Items are re-stocked as they reach a minimum threshold, though we may still run out of items. We suggest you call (phone numbers listed on back) or email [resale@saic.edu](mailto:resale@saic.edu) to check stock levels that may effect your projects.
  - If you need a large quantity of an items we strongly encourage you to email [resale@saic.edu](mailto:resale@saic.edu) with the amount needed and when.
  - Items listed on our price lists are the only items we stock and we cannot accommodate special orders at this time. We can provide you with vendor contacts.
  - Prices, items, and stock are always subject to change.
- 

## Conditions for Returns & Refunds

Always consult with your instructors when unsure about what products are needed for your project.

- Present a valid receipt no more than 14 days old (2 weeks).
- Items must be un-opened, un-used, and otherwise in the same condition as purchased.
- Items must be the same dimensions as they were purchased in. For example, If you purchased 1 sheet of 4'x8' plywood, you cannot return 2 sheets of 4'x4' plywood.
- No returns of personal protective equipment (safety glasses, dust masks).
- All returns must be a full refund or exchange. No store credit.
- Returns/Refunds may require a manager's presence, please plan accordingly.

## ADDITIONAL INFORMATION

### SHEET GOODS

- Baltic Birch Plywood, also known as 'Russian' Birch, is a hardwood plywood made up of (you guessed it) birch grown in the Baltic region. It is a grade bb/bb, which means it has minor patching on both faces, but plies will be fairly consistent. It is manufactured using metric measures, but we've assigned standard sizes to keep the sizing consistent with other products. Actual thickness:  
 $1/4" = .2362" (6mm)$  /  $1/2" = .4724" (12mm)$  /  $3/4" = .7086" (18mm)$
- The 4'x8' sheet of Baltic birch the SAIC Resale Centers carry is NOT compatible with any laser cutter on campus. If you would like to laser cut plywood please use the 'Utility Birch Plywood' in pre-cut laser cutter sizes. These sheets are also sized in metric (see above) and have tolerances of +/-1/4".
- Arreis is a Medium Density Fiberboard (MDF) composite material that contains no added formaldehyde. It laser cuts and machines very easily. This material's actual dimensions are 49" x 97". Use this material if you're looking to cut down to a specific size for laser cutting.

### STICK GOODS

- Pine is standard stud grade with actual dimensions of 1-3/4" x 3-3/4". It will have many knots and should be checked for warping before use.
- Finger-Jointed Poplar is poplar that is custom milled and joined for strength and warping resistance. It's actual dimensions are 1-3/4" x 3-3/4". This product is especially recommended for painting stretchers.
- Clear Poplar is milled to 3/4" x 3-3/4" and should have relatively clear surfaces, but because of its dimensions it warps more easily than thicker material.
- Hardwoods, with the exception of Poplar and 16/4 Basswood, are un-surfaced. Poplar is surfaced on two sides to 15/16" (4/4) and 1-24/32" (8/4). 16/4 basswood is surfaced on two sides to 3-15/16". All hardwood have a straight line rip on one edge.

## ADDITIONAL INFORMATION

- Non-Ferrous metals are sized to 6"x6" with a maximum size of 12"x12"
- Wire can be purchased in 1/4 (.25 or quarter) foot increments: .25 = 3", .5 = 6", .75 = 9"
- Sheet Steel is sold per whole square foot and in 12" x 12" sections only (i.e. 5 sqft would be cut to a regularly shaped 24"x24" + 12"x12").
- Flat, Round and Square stock is sold per half (6") or full (12") foot. Depending on type, these stocks have a maximum of either 10' or 12'.

### COMPOSITION & PROPERTIES

Aluminum (Alloy 6063): Maximum 97.5% Aluminum w/ <1% Chromium, Copper, Iron, Manganese, Magnesium, Silicon, Titanium, Zinc; 1150°F Melting Point

Brass (Yellow High Brass): 70% Copper, 30% Zinc; 1760°F Melting Point

Copper: 99.9% Copper, .1% Trace; 1981°F Melting Point

Bronze (Commercial Bronze, Alloy 220): 90% Copper, 10% Zinc; 1910°F Melting Point

Nickel Silver (German Silver, Alloy 725): 65% Copper, 17% Zinc, 18% Nickel; 2030°F Melting Point

Steel, Hot Rolled Round/Square/Angle (Alloy A36): Low carbon, structural  
 Hot Rolled Flat/Sheet (HRCQ-Commerical Quality): General carbon  
 Cold Rolled Round/Flat/Drawn Square (Alloy 1018 CD/CF): Mild/low carbon  
 Cold Rolled Sheet (CRCQ-Commerical Quality): General mild steel  
 Black Pipe (A53): Carbon steel, structural or low pressure plumbing  
 DOM/ERW: exact specifications will vary

Silver (Sterling): 92.5% Silver, 7.5% Other

The Resale Vending Machine is here to provide you with 24 Hour access to essential items. Like the SAIC Resale Centers, the only accepted method of payment is ARTICard. If you are a faculty member and need to purchase an item for instructional purposes, the Vending Machine cannot accommodate ARTIStaff purchase at this time. Please go to one of our Resale Centers instead.

The Vending Machine is located:  
 - 8th Floor MacLean (112 S. Michigan Ave). From the elevators, turn right down the hallway; the vending machine is near the end of the hallway, adjacent to the second row of lockers.

## Don't See Something You Need?

If something you need is out of stock, turn around times for re-stocking can be anywhere from one day to two weeks. If we don't stock an item you're looking for contact us at [resale@saic.edu](mailto:resale@saic.edu) and we may be able to direct you to local shops or connect you with vendors.

---

## See Something You Need A Lot Of?

Contact us at [resale@saic.edu](mailto:resale@saic.edu) and we'll do our best to make sure that the item you're looking for is available at our location in the quantity that you need. It may not always be possible, but we try to accommodate large purchases as best we can. We recommend giving one week's notice for such purchases.

---

## Faculty, Staff: We Have Something For You!

Materials purchased for the instruction of your class may be discounted at time of sale. While we try to extend this discount to as many products as possible, there are products to which it will not apply.
