

DAG CURRICULUM COMMITTEE DIVERSITY INFUSION GRANT (DIG) 2018-19

The Diversity Infusion Grant (DIG) supports the research and resources necessary to make course revisions that broaden, refresh, and further SAIC's curricular offerings in relation to diversity and inclusion. Grantees will receive \$1000 to support this work.

The mission of the Diversity Advisory Group's Curriculum Committee is to help support "a curriculum that represents contributions from a broad scope of artists, designers, and scholars, that encourages diverse making, scholarship, and activity . . ." Conceived by the DAG Curriculum Committee, the DIG funds are intended to help faculty to include more diverse reading selections, a greater variety of global images, guest speakers, or diversity related project assignments.

Grantees will receive funds in Spring 2018 and will use the summer months to research and redesign the syllabus. The updated course should be taught in the Fall 2018 or Spring 2019 semester. Following receipt of the award, grantees will be asked to submit a syllabus reflecting the curricular changes. The modified syllabus will be due to the Special Assistant to the Dean and Provost on Diversity & Inclusion, Dio Aldridge, by August 15, 2018. Grantees will also be asked to participate in a public discussion about the modifications and learning outcomes at the conclusion of the semester. Research, images, readings and other resources that are included in the updated syllabus as a result of the grant will be collected and added to the Flaxman Library's Diversity Readings list. The revised syllabi will be posted publicly so that they are accessible to the SAIC community.

Note: All Diversity Infusion Grants are distributed as one-time-payments, dispersed through regular payroll. Recipients will be sent a one-time-payment request form to sign and return. The grant amount is then added to regular payroll in four to six weeks. Since the award is subject to regular payroll taxes, recipients are encouraged to keep records and receipts of associated expenses to submit with their individual year-end tax return.
