Award Details

All Excellence in Teaching awards are distributed as One-Time-Payments, dispersed through regular payroll. Recipients will be sent a One-Time-Payment request form to sign and return. The grant amount is then added to regular payroll in four to six weeks. Since the award is subject to regular payroll taxes, recipients are encouraged to keep records and receipts of associated expenses to submit with their individual year-end tax return.

*Full-time colleagues who have previously served in an administrative role need not send their nominations to the current department chair but should instead send their submission directly to the Assistant Director of Faculty Services for consideration by the Dean's Selection Committee.
