On-Campus Winter 2015 Institutional Financial Aid Application
Application for degree-seeking students including Merit Scholarship recipients

Application Instructions

1. Winter Interim 2015 Institutional Financial Aid Application

Complete this application and submit it to Student Financial Services if you wish to request financial aid for the Winter 2015 Interim. Students who have been awarded Merit Scholarships (including International students) should also submit this application. This form is also available on the SAIC website at www.saic.edu/faforms.

2. 2014-2015 Free Application for Federal Student Aid (FAFSA)

Degree-seeking students who are citizens or eligible non-citizens should complete the FAFSA immediately, if one has not already been completed for the current academic year. (International students are not required to complete the FAFSA to receive Merit Awards) Most financial aid recipients have already done this for the current year. Time is of the essence for this application. You should apply every year on the Internet at:

www.fafsa.gov

When you receive your copy of the 2014-2015 Student Aid Report (SAR) or have been notified by the Department of Education that your FAFSA has been processed, you must review and submit corrections immediately on the FAFSA website.

3. Financial Aid Award

After the above forms are received, Student Financial Services will notify you by email when your winter financial aid award is available via SAIC Self-Service by visiting www.saic.edu/selfservice. Read it thoroughly and follow any instructions provided. Those not eligible for grants will be notified of alternative/private loan eligibility.

- Enrollment Requirements - Students must be enrolled in at least 3 credit hours to be considered for grants and scholarships during the winter term. To be considered for Federal Loans, if eligible, undergraduate students must be enrolled in at least 6 credit hours and graduate/post-baccalaureate students must be enrolled in at least 3 credit hours. If you have any questions regarding your Loan eligibility please meet with a Student Financial Services Advisor.

- Merit Awards Recipients Must Complete This Form - If you only receive Merit Awards and normally do not complete a FAFSA, you must still complete a Winter Interim 2015 Institutional Financial Aid Application to receive Merit Awards for the winter term.

- Private/Alternative Education Loans - If you only desire an alternative/private loan, you do not need to follow the steps above. Instead, apply directly for alternative/private loans on line on the website of the lender of your choice. Please use the following loan period: August 27, 2014 – January 21, 2015. Loan application priority deadline is December 1, 2014. See an advisor in Student Financial Services, 1200 Sullivan, with any questions.

- You can confirm your financial aid award and class schedule on SAIC Self-Service via www.saic.edu/selfservice
