

CAPX TOOLS, WORKSHOPS, AND RESOURCES FOR YOU

It's never too early, or too late,
to start a conversation about
your creative life.

#DiscoverYourSuperPowers Month

This September, CAPX is offering workshops and deep-dive sessions focused on **discovering and understanding your unique strengths** (SuperPowers) using CliftonStrengths and leveraging them in your classes, internships, and your career journey.

#DiscoverYourSuperPowers

CliftonStrengths

The CliftonStrengths assessment helps you **discover your dominant talents** (aka-your SuperPowers): ways in which you naturally think, feel, and behave as a unique individual. Attend a group session or schedule an individual conversation with a career advisor.
