¡Hey!

Welcome to the Bermuda Triangle (13th Floor)

My name's Jace; I'm a second-year sculptor here at SAIC. Raised in upper-east Chicago, my blood runs thick with deep-dish marinara and black coffee.

I'm a vegan cyclist who loves to read and analyze; ask me about my thoughts day or night, I always love discussion!

New to Chicago? I would love to show you around. A mid-west native? Let's grab a taco and talk... o

Looking for someone to talk with, or answer questions, don't hesitate to contact me; Can't wait to meet yah!
