Welcome to SAIC

I am Maleny! My main focus here at SAIC is Animation.

* My hometown is El Paso, TX & Ciudad Juarez, Mexico.

HUNGRY?

* Corner Bakery in front of Sharp is an excellent choice for a quick & convenient meal! Coffee there isn't so bad, either!
* Target and Walgreens will most likely be your go-to's if you live in the dorms. They are great resources for groceries, snacks, everyday necessities and more!

EVENTS?

* We are fortunate enough to live in the heart of the loop—so many things happen especially parades! Make sure not to miss the Thanksgiving, Christmas, & St. Patrick's Day Parades!
* Make sure not to miss SAIC programmed events! There is FREE food and lots of fun activities!

LIFE AT SAIC AND CHICAGO?

* Your best resources for textbooks is Amazon.com and the DePaul B&N. Amazon will most likely be your top choice. Students get 6 months free of Amazon Prime, so sign up!

* NEVER walk alone at night or too early in the morning. Although it is the city, it can still be dangerous. Always have a friend with you! If you’re getting out of SAIC late for working on a project, we have what is called “Safe Ride”; an SAIC escort van drives students to different SAIC-owned buildings (available from 9:00pm – 6:00am). Very convenient!

LOOKING FOR ENTERTAINMENT?

* An AMC theater is just a bus ride away! All the newest movies hit this baby, and it is right down the road from Navy Pier! Not to mention, a bowling alley is right next door!

HEALTHY LIVING?

* Clorox disinfectant wipes will become your best friend. Most convenient way to clean and stay healthy in your apartment.
* Make sure to get some sun! Chicago buildings block the sunlight so go to the lake 😊
