3. Provide documentation if requested for verification. See Tasks in Self-Service.

FAFSA

FREE APPLICATION FOR FEDERAL STUDENT AID SAIC SCHOOL CODE 001753

FAFSA.GOV

Students are encouraged to re-apply every year as soon as possible after Oct 1 for the upcoming academic year using the FAFSA to receive maximum consideration for available funds. You will receive a confirmation from the federal government once your FAFSA application has been processed. Review the information and make corrections online. Use the IRS Data Retrieval Tool when you fill out your FAFSA to easily and quickly transfer your 2017 federal income tax information. SAIC uses the EFC (estimated family contribution) each year as listed on the processed FAFSA known as the SAR (Student Aid Report) to determine federal, state and institutional aid eligibility.

VERIFICATION

The federal government chooses some FAFSA applications for a process called verification. Through verification, certain data elements listed on the processed FAFSA must be verified by the Student Financial Services office before your financial aid can be disbursed to your student account at SAIC. Students are notified on their processed FAFSA, in their financial aid award packet and in Self-Service if they have been selected for verification and what documents or actions are needed.

VERIFICATION OF FEDERAL INCOME TAX

INFORMATION: In order to verify your federal income tax data, students and/or parents (if applicable) must choose the IRS Data Retrieval Tool in the online FAFSA at fafsa.gov. In order to make the IRS Data Retrieval Tool available in the FAFSA, the tax return filed question must first be marked as “Already Filed/Completed.” If the tax filer is not eligible to use the IRS Data Retrieval option or is unable to successfully use this option, they must then submit an official 2017 IRS tax transcript to Student Financial Services. Tax filers may obtain a PDF copy of their transcript in real-time at irs.gov or they can order one by calling 1.800.908.9946. Students or parents who were required to file federal income tax returns but did not, according to IRS guidelines are not eligible to receive federal or state aid.

VERIFICATION OF OTHER INFORMATION: Students chosen for verification must submit specified documents. Students and/or parents (if applicable) may need to complete a Verification Worksheet supplied by the Student Financial Services office or, in some cases, simply certify (sign) informational statements. The specific requirements for the student are listed in Self-Service in the Tasks section and are also sent by email and mail to the student with their award letter or under separate cover.

The verification process must be completed immediately to avoid a delay in processing.

Financial aid (including loans and Federal Work-Study payments) may not be disbursed until this process has been completed. Students who secure Federal Work-Study positions must complete verification before submitting a work authorization.

VERIFICATION DEADLINES: For purposes of the Federal Pell Grant, verification must be completed by September 7, 2020, or 120 days after the last day of the student’s enrollment, whichever is earlier. For purposes of FSEOG and the Federal Stafford and PLUS loan programs, verification must be completed before the last day of attendance; for all other types of aid, verification must be completed before June 30, 2019. Students who miss the required deadlines risk losing their eligibility for funds.

MAPPINGXPRESS - SUBMITTING YOUR DOCUMENTS TO SFS: Safely and securely upload your scanned or electronic documents at saic.edu/sfsdocsubmit.

Further information and options for submitting documents to the Student Financial Services office as well as the SFS Document Policy is located at saic.edu/sfsdocsubmit.

Please do not submit sensitive documents by email. Sensitive documents include those with social security numbers, birthdates or other personally identifiable information.

GRANTS (NEED-BASED) AND SCHOLARSHIPS (MERIT-BASED)

Gift Aid that does not have to be repaid
saic.edu/sfs

DUE TO FUNDING CONSTRAINTS, REDUCTIONS TO FEDERAL AND STATE FUNDING MAY OCCUR. SAIC CANNOT PROVIDE ADDITIONAL FUNDING IF THIS SHOULD HAPPEN.

FEDERAL PELL GRANT

The Federal Pell Grant is a need-based program for undergraduate students who have not earned a bachelor's degree or higher. The Federal Pell Grant award amount is determined by the number of credits for which the student is enrolled and their Estimated Family Contribution (EFC), as calculated by the federal government per the FAFSA. You can receive the Federal Pell Grant for no more than 12 full-time semesters or the equivalent.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

Also a need-based program for undergraduate students who have not earned a bachelor's degree or higher. FSEOG is awarded to dependent or independent students who may be enrolled full time or part time. FSEOG is awarded to the highest need students at SAIC who are often Federal Pell Grant recipients with an EFC of zero.

ILLINOIS STATE GRANT—MONETARY AWARD PROGRAM (MAP)

NOTE TO ILLINOIS RESIDENTS:

By applying for financial aid and agreeing to share that information with the Illinois Student Assistance Commission (ISAC) you have been considered for the State of Illinois (IL) Monetary Award Program (MAP) Grant. All MAP-approved institutions are required by the State of Illinois to announce MAP Grant awards to students who are enrolled or intending to enroll at their institution. An award amount is included on this letter if you have met the eligibility criteria.

The MAP Grant award amount is an estimate made by the financial aid office and is identified as a "State of IL MAP Grant (Est)." Please be aware that the number of available MAP Grants is limited by funding levels approved by the Illinois General Assembly and the Governor, and reductions to estimated or actual MAP Grants are possible.

There are also limitations to how long you can continue to receive a MAP Grant. Usage is tracked by the number of credit hours for which you've received MAP benefits and is referred to as MAP Paid Credit Hours (MPCHs). The maximum number of MPCHs that can be received is 135, and you must be at the junior level or above to use more than 75 MPCHs. For your reference, and to learn more about MPCH limitations, you may access a record of your MPCHs through the ISAC Student Portal at: <https://studentportal.isac.org/MPCH>.

SAIC MERIT SCHOLARSHIPS

SAIC Merit scholarships are awarded during the admission process. Inquiries about the merit process should be directed to the Admissions office at 312.629.6100 or admiss@saic.edu. Merit requirements and terms are located at saic.edu/merit and are included with merit scholarship award letters.

SAIC NEED-BASED GRANTS

Need-based SAIC grants are awarded to students who demonstrate need through their FAFSA application. Grants are awarded to students who meet the SAIC awarding requirements and donor-established criteria.

THIRD-PARTY ASSISTANCE

Students receiving assistance in paying their tuition and fees must notify the Student Financial Services office prior to the start of each semester. Examples of third-party assistance include college savings plans, veteran's benefits, rehabilitation programs, or employee assistance programs. A student's initial award package may have to be adjusted according to federal, state, and institutional awarding policies to accommodate this assistance.

Note: The total of all gift aid (scholarships, grants, etc.) cannot exceed the amount of tuition each semester at SAIC with the exception of the Federal Pell Grant.

OUTSIDE SCHOLARSHIPS

saic.edu/outsidescholarships

SAIC provides helpful information about outside scholarships and search engines at the website above, including a list of outside scholarships. Information is also listed regularly on the Student Financial Services Facebook and Twitter pages at facebook.com/SAICsfs and twitter.com/SAIC_SFS.

Students receiving grants, scholarships, or awards from a source other than SAIC must notify the Student Financial Services office of these awards. Students should inform the organization sending the funds to SAIC that their name and student ID number should appear on all correspondence related to the scholarship, grant, or award. **Please be sure to send this information/payment to the Student Financial Services office and NOT to the Bursar's Office, as this will delay processing of these funds.** SAIC is required by law to consider these awards as a part of the student's financial aid package (529 plans are not included). It may be necessary for SAIC to adjust the award package to meet federal, state, and institutional awarding

TO DO

1. Notify the Student Financial Services Office if you are receiving an outside scholarship or using funds from a 529 plan to pay your bill
2. Notify the SAIC Registrar if you are receiving VA benefits
3. Follow steps below to ensure funds are received at SAIC before August 15 for the fall semester and January 15 for the spring semester

policies. Scholarship letters that provide detailed information will allow the amount to be listed as "Anticipated Aid" on the student's bills and statements. This will decrease the amount due (if any) to SAIC before classes start.

VETERAN'S BENEFITS

saic.edu/sfs

A student who is a veteran of the U.S. military service, or an eligible dependent, may be eligible to receive Veteran Affairs Educational Benefits through a variety of programs including Post 9/11 (Chapter 33), Vocational Rehabilitation, and Yellow Ribbon. The SAIC Registrar is the Certifying Official for SAIC.

All students who are receiving a VA Benefit from any program of the VA education benefit programs should notify the SAIC Registrar and the Student Financial Services VA representative to discuss the process.

529/QUALIFIED EDUCATION PLANS

saic.edu/529

A 529 Plan is an education savings plan operated by a state or educational institution designed to help families set aside funds for future college costs. If a student is using a 529 Plan to pay for educational expenses, Student Financial Services should be notified prior to the beginning of the semester. Students should complete the paperwork required to receive funds from their provider four weeks before the payment due date each semester. **Please be sure all information and payments are sent to the Student Financial Services office, attention of the Qualified Education/529 Plan Administrator. Do NOT send to the Bursar's Office to avoid a delay in the processing of these funds. Visit saic.edu/529 for additional instructions and deadlines.**

STUDENT LOANS

Self-help aid that needs to be repaid

saic.edu/loans

DUE TO FEDERAL AND STATE LEGISLATION, LOAN TERMS AND CONDITIONS ARE SUBJECT TO CHANGE.

SAIC participates in the Direct Lending program for Federal Stafford and Federal Direct PLUS Loans. Half-time (6 credit hours for undergraduates) enrollment status is required.

FEDERAL DIRECT STAFFORD LOANS

The Federal Direct Subsidized Stafford loan is awarded based on need while the the Federal Direct Unsubsidized is not. Both are awarded by academic level and amount per federal regulations and are listed in the chart below. Students need to complete two online steps, Entrance Loan Counseling and a Loan Agreement/MPN (Master Promissory Note), at StudentLoans.gov to secure these loans. Annual limits for Federal Direct Stafford Loans are determined by academic level and student need. You can receive the Subsidized Stafford Loan for no more than 12 full-time semesters or the equivalent.

Interest rates on federal student loans are set by Congress and adjust annually on July 1 each year. Interest rates are fixed. For the period of July 1, 2018 to June 30, 2019, the Federal Direct Subsidized and Unsubsidized Stafford Loan rate is 5.05%. For all loans, an origination fee of approximately 1% is deducted by the federal government before disbursement. Subsidized Stafford Loans begin accruing interest after the student drops below half-time enrollment or

graduates. Unsubsidized Stafford Loans begin accruing interest upon disbursement and must be paid quarterly, though this amount can be added to the principal of the loan. For both types of loans, repayment begins six months after the student drops below half-time enrollment or graduates. Additional information including 2019-20 interest rates (when they become available) can be found at *StudentAid.gov*. To accept your Federal Direct Stafford Loans, please complete the first two "To Do" steps located in the box at the top of this page and page 9 of this guide. Step 3, Financial Aid Awareness Counseling, is not required but is highly recommended.

FEDERAL DIRECT STAFFORD LOAN EXIT COUNSELING REQUIREMENTS

saic.edu/loancounseling

Per federal regulations, students who have borrowed Federal Stafford loans must complete an online Federal Direct Exit Counseling Session when they withdraw, cease to attend on at least a half-time basis or graduate/complete their program of study. This should be completed at *StudentLoans.gov*. Completing the required online Federal Direct Loan Exit Counseling does not put a student into repayment.

MAXIMUM FEDERAL DIRECT STAFFORD LOAN AMOUNTS (PER YEAR)

	CREDITS EARNED	SUBSIDIZED/UNSUBSIDIZED DEPENDENT/INDEPENDENT	ADDITIONAL UNSUBSIDIZED DEPENDENT**	ADDITIONAL UNSUBSIDIZED INDEPENDENT
FRESHMAN	(0-29)	\$3,500	\$2,000	\$6,000

JUNIOR & SENIOR	(60+)	\$5,500	\$2,000	\$7,000

Please note: All students have a total or aggregate limit for borrowing Federal Direct Stafford Loans over the course of their entire education.

FEDERAL DIRECT STAFFORD AGGREGATE LOAN LIMITS

Dependent Undergraduate Student	\$31,000 (no more than \$23,000 of which can be subsidized)
Independent Undergraduate Student or Dependent Student Whose Parent is ineligible for PLUS	\$57,500 (no more than \$23,000 of which can be subsidized)

**If a parent is denied a Federal Direct PLUS Loan, SAIC can award an additional Federal Direct Unsubsidized loan. For freshman and sophomore students, this eligibility is \$4,000 and for junior and senior students it is \$5,000. See page 7 for more information on Federal Direct PLUS Loans.

TO DO

1. Complete a Federal Direct PLUS Loan Request at StudentLoans.gov
2. If credit is approved, complete an online Federal Direct PLUS Loan Master Promissory Note at StudentLoans.gov

ADDITIONAL LOANS

saic.edu/loans

FEDERAL DIRECT PLUS LOAN CREDIT APPROVAL REQUIRED

The Federal Direct PLUS Loan is available for parents (biological, adoptive, or step-parent) of dependent undergraduates who have no adverse credit history. Borrowers are eligible to receive up to the cost of attendance, less any other financial aid.

Federal Direct PLUS loans must be repaid and have a fixed interest rate that is determined each award year beginning July 1. The 2019–20 rate is not available at the time this publication went to print; however, the 2018–19 interest rate was set at 7.60%.

Borrowers may borrow up to the student's estimated cost of attendance minus any other aid. Repayment begins 60 days after the loan is disbursed. An origination fee of approximately 4% is deducted by the federal government before disbursement.

Once a Federal Direct PLUS Loan Request is completed at StudentLoans.gov, a credit check will be run and, in most cases, provide you with an immediate credit decision.

Because there is a credit approval requirement for Federal Direct PLUS Loans, SAIC recommends that all applicants complete the loan process to determine their eligibility to borrow through the Federal Direct Loan program no later than the dates listed below:

July 1	Fall
January 1	Spring
May 1	Summer

PLUS DENIAL OPTIONS

If you have adverse credit history and have been denied a PLUS Loan, you may still receive a Federal Direct PLUS Loan by obtaining an endorser who does not have adverse credit history or documenting to the U.S. Department of Education extenuating circumstances relating to your adverse credit history. **Parent borrowers who have been denied and are later approved through these options are required to complete a Federal Direct PLUS counseling session online at StudentLoans.gov.** If you are a parent borrower, the endorser cannot be the child on whose behalf you are borrowing.

Borrowers who choose to appeal the credit decision are encouraged to call the Direct Loan Support Center at 800.557.7394 as simple credit issues may be able to be resolved immediately by telephone.

PARENT PLUS DENIALS — ADDITIONAL FEDERAL DIRECT STAFFORD ELIGIBILITY

If a parent is denied a PLUS Loan due to adverse credit history, SAIC will automatically award the dependent student an additional Federal Direct Unsubsidized Stafford Loan of \$4,000 for freshmen and sophomores and \$5,000 for juniors and seniors according to federal regulations.

PRIVATE (OR ALTERNATIVE) EDUCATION LOANS

CREDIT APPROVAL REQUIRED

Private education loans are offered by private lenders and are available to students to assist with their educational and living expenses after federal loans have been exhausted. These loans are credit-based and should only be used as a final funding option. Most students need a creditworthy co-signer. The creditworthiness of the co-signer may affect the interest rate of the loan.

Like the Federal Direct PLUS Loan listed earlier, there is a credit approval required for private loans. SAIC recommends that all applicants complete the loan process to determine their eligibility to borrow through a private loan program no later than the dates listed below.

LOAN STEP COMPLETION DEADLINES

July 1	Fall
January 1	Spring
May 1	Summer

SEARCHING FOR A PRIVATE LENDER

Students can research lenders for their best possible private loan options by contacting them or searching the Internet. Students may find the website *finaid.org* helpful in understanding the loan process. This website is informational only and is not endorsed by SAIC.

LOAN REPAYMENT

saic.edu/studentloanrepayment

Loan repayment is an important part of a student's life after graduation. There are a variety of different loan repayment programs to fit your circumstances as well as loan deferment and loan forgiveness options. You will want to familiarize yourself with this information at SAIC's loan repayment website above. Also, be sure to utilize the free student loan information at our financial literacy and loan management partner, Inceptia at *FinancialAvenue.org* and *HeroKnowl.org* if you have any questions before or during repayment.

TO DO

1. Review your award letter to see if you have Federal Work-Study eligibility
2. Access SAIC Launch for on-campus jobs and SAIC Compass for off-campus jobs and internships on the CAPX website at saic.edu/careers

STUDENT EMPLOYMENT

Self-help earnings paid directly to students. Jobs are not guaranteed.

saic.edu/careers

THE CAREER AND PROFESSIONAL EXPERIENCE (CAPX) OFFICE ASSISTS STUDENTS IN THEIR SEARCH FOR EMPLOYMENT.

CAPX maintains an online database called SAIC Launch — On Campus that lists available on-campus student employment jobs and can be accessed through the SAIC website. CAPX may be reached by phone at 312.499.4130 or email at careers@saic.edu and is located at 116 S. Michigan Ave., suite 1400.

Jobs are competitive and filled based on the needs of each department. Students must complete all necessary payroll documents by the third day of employment in an on-campus department in order to meet federal employment regulations. Students are paid bi-weekly and earn at least federal minimum wage. Additional information and documents are available on the SAIC website.

FEDERAL WORK-STUDY PROGRAM (FWS)

The Federal Work-Study program provides students the opportunity to earn money for their education. Undergraduate students may work part-time (typically, no more than 20 hours per week is advised). The amount of the award is dependent on the student's need according to the FAFSA and available funding through SAIC. FWS eligibility is reflected on a student's award letter. An Earning Eligibility Report can be requested by a student in Self-Serve. Students are responsible for securing employment and can use the services available in CAPX to assist them in their search for FWS positions. SAIC gives preference to FWS students by requiring eligibility for students to work most jobs during the fall and spring semesters. FWS is not required for summer or winter terms for any student or for International students throughout the entire year.

SAIC INSTITUTIONAL EMPLOYMENT

The SAIC Institutional Employment program is available to international students, students participating in the SAIC Internship Program, and students hired to fill a limited number of highly specialized positions. Much like the FWS program, students work to earn money for their education. Undergraduate students employed through the institutional employment program work part-time (typically, no more than 20 hours per week is advised).

RE-EVALUATING YOUR FINANCIAL AID

saic.edu/reevaluateyouraid

If your family's finances change after filing the FAFSA and receiving a 2019-20 award letter, you should contact Student Financial Services to discuss how your aid package may be affected. Examples of adjustment we may be able to make to your FAFSA include loss of employment, loss of untaxed income, separation, divorce, death, or if you feel there was important information about your situation that you were unable to provide on the FAFSA. Please contact a Student Financial Services Advisor to discuss your next steps.

A TIP FOR PARENTS

We suggest that your student set up email forwarding from their SAIC email account to yours so that you also receive copies of any communications sent from our office at saic.sfs@saic.edu. You may wish to do this with other SAIC department emails as well. Outreach regarding payment and deadlines are sent only to the student's saic.edu email.

TO DO

1. Notify the Student Financial Services Office if there are changes to your family's financial situation
2. Log into SAIC Self-Service to view your student account, financial aid, print a statement, access CASHNet and request a refund or advance.

USING SELF-SERVICE

saic.edu/selfservice

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS (FASAP) POLICY

saic.edu/fasap

**STUDENTS MUST MEET SATISFACTORY
PROGRESS REQUIREMENTS AS DEFINED BY
FEDERAL REGULATIONS.**

**STUDENTS CAN LEARN ABOUT THE SAIC FASAP
POLICY AT SAIC.EDU/FASAP. THE INFORMATION
LISTED THERE WILL HELP STUDENTS LEARN HOW
TO MAINTAIN THEIR FINANCIAL AID ELIGIBILITY
ACCORDING TO THE SAIC FASAP POLICY.**

FASAP looks at two factors: whether the student is in good standing and the student's pace of completion. FASAP will be measured three times a year, after the completion of the Fall, Spring and Summer semesters.

- Undergraduate students must complete 2/3 of all attempted credits, cumulatively.
- The FASAP Policy is separate from the Academic Satisfactory Progress Policy and the Merit Scholarship Satisfactory Progress Policy available in the SAIC Bulletin and on the SAIC website. Merit requirements are specifically outlined in your Merit Award Guidelines sent with your initial award and at saic.edu/merit.

FINANCIAL AID ADJUSTMENTS BASED ON ENROLLMENT

saic.edu/adjustingyouraidforenrollment

Your initial award package is calculated based on the standard number of credit hours required for your degree or certificate program. This is reflected on your award letter and in the Anticipated Aid section of bills and Statements of Account.

- You should submit an Early Aid Adjustment form, available at the website above, as soon as possible, if your actual enrolled credit hours will be different than the original 15 credit hours per semester as listed on your award letter and in Self-Service.
- After the add/drop period, financial aid packages are adjusted based upon actual enrollment for the semester for those students who did not submit an Early Aid Adjustment form.
- Financial aid will be disbursed to your account once aid has been adjusted, if necessary, and your financial aid file is complete.

FIGURE YOUR COSTS BUDGETING WORKSHEET

This electronic budget worksheet will help you calculate your cost and final balance. It is available online at saic.edu/fyc.

TO DO

1. Notify the Student Financial Services Office if your enrollment is different than that listed on your award letter
2. Sign up for eRefund through CASHNet in SAIC Self-Service
3. Complete a “Figure Your Costs” budgeting worksheet to ensure you have enough financial aid to finance your education. You may need to secure additional funding such as a Federal Direct PLUS loan or a Private loan. Both require a credit-approved borrower.

REFUNDS AND FINANCIAL AID ADVANCES

saic.edu/refunds

- If, after final adjustments at the end of the add/drop period, you have a credit balance remaining on your student account, a refund will be automatically processed.
- You may be issued a refund earlier if you have a credit balance prior to the end of add/drop due to the disbursement of alternative or federal loans.
- If you anticipate having a credit balance during the first few weeks of the semester, you are eligible to receive 50% of your anticipated balance up to \$1,000. You may request an advance through Self-Service, or at the website above, up to 2 weeks before each semester.
- If you have a refund or an advance in process, you will be notified through your SAIC email address.
- In exceptional situations, a “balance owed” may be created on your account if a financial aid advance or refund has been processed and adjustments are made to the award package at a later date, due to changes in enrollment and/or eligibility for aid.
- Credit balances resulting from “cash” type payments (checks, credit card, wire transfer, money order, cashier checks, etc.) to the student account are held over from semester to semester until the end of the year (summer through spring) but may be refunded upon written request.

To receive an advance or refund which will be deposited to your bank account, you must enroll in eRefund through Self-Service by clicking on the CASHNet link. CASHNet is SAIC’s online payment and refund system.
