SAIC ART EDUCATION

The School of the Art Institute of Chicago’s Department of Art Education prepares art and design educators to be critical citizens who value cultural difference, democracy, and social justice through a philosophy that emphasizes context and community, knowledge and experience, critical thought and reflection, practice and evaluation.

Each of the degree programs offered by SAIC Art Education cultivate self-reflective artists and educators who share a deep concern for the lives of others, who actively question and challenge the social, political, and cultural structures and discourses that comprise everyday life and engage learners in making and exchanging of many forms of social, cultural, and artistic communication.

There are three SAIC art education programs:

- **Master of Arts in Teaching—MAT**
  leading to art education careers, including licensure to teach Visual Arts K-12 in Illinois public schools
- **Bachelor of Fine Arts with Emphasis in Art Education—BFAAE**
  leading to art education careers, including licensure to teach Visual Arts K-12 in Illinois public schools
- **Master of Arts in Art Education—MAAE**
  leading to art education careers in museums, community settings, art organizations,

The SAIC Art Education programs are uniquely situated within the vital cultural and artistic communities of Chicago, providing a wealth of fieldwork experiences and opportunities for mentorship in museums, schools, and community settings.

MASTER OF ARTS IN TEACHING PROGRAM OVERVIEW

The Master of Arts in Teaching is a full-time, 48 credit hour program that prepares teacher candidates to become creative and critical teachers of art and visual culture. The program fulfills requirements for the State of Illinois K–12 Visual Arts Professional Educator License.

The MAT curriculum connects contemporary art, critical pedagogies, and visual culture theory with everyday experiences and creative expression. The program includes structured, sequenced coursework, field experiences, research, and thesis production. Graduate students begin their coursework with seminars that utilize artistic, curricular, historic, technological and political frameworks for understanding schooling in formal and informal settings. These seminars provide a common ground for teacher candidates to engage art, education, and curricula as both products of history and potential sites for cultural change.

In the following semesters, MAT teacher candidates expand their inquiry, production, and experience through school-based field experiences and the study of curriculum design and research methodologies. Teacher candidates also take electives in areas such as contemporary artmaking practices, new technologies, art history, and visual critical studies.

Teacher candidates learn to construct curriculum projects for elementary, middle and secondary students. This curriculum attends to artistic making, varied pedagogical strategies, differentiated instruction, aesthetic and visual culture theory, and assessment methods. Teacher candidates teach their curriculum projects during Fieldwork and Apprentice Teaching in elementary and secondary schools throughout the Chicago area.

Each MAT teacher candidate identifies a personally meaningful thesis topic. They pursue relevant research and develop an action research project as curriculum to be taught during Apprentice Teaching. This research culminates in writing a master’s thesis. The MAT thesis offers teacher candidates opportunities to develop connections
between personal interests and experiences, generative social and political themes of students and their communities, and contemporary art and culture practices.

**CONCEPTUAL FRAMEWORK of SAIC ART EDUCATION**

The School of the Art Institute of Chicago (SAIC) establishes and conducts comprehensive programs of education including preparation of visual artists, teachers of art, and designers, providing education services in written, spoken, and media formats (*from SAIC Mission Statement*).

SAIC has a long-standing commitment to the profession of art education, providing essential education for prospective art teachers. The conceptual framework and philosophy of our teacher preparation program has changed over time, evolving to meet the changing needs of young people in our increasingly diverse and technologically mediated, screen-based cultures. Teacher candidates learn to develop curriculum that compels young people to critically analyze and create art and visual culture in a diversity of contemporary forms. Teacher candidates become versed in teaching practices that assist students in affirming their cultural identities while developing critical perspectives that challenge inequities that schools and other cultural institutions perpetuate (Ladson-Billings, 1995). This culturally sustaining pedagogy strives to foster cultural pluralism as part of the democratic project of schooling.

**Ongoing Conceptual Framework Assessment and Evaluation**

We are committed to ongoing evaluation and assessment of our conceptual framework. We continually assess the framework through ongoing dialogue with all members of our professional community including SAIC administrators, faculty, teacher candidates, and alumni, as well as mentor teachers, administrators, and staff. This process ensures that feedback from our educational community continually influences and shapes our conceptual framework.

**CORE ELEMENTS OF THE PROGRAM PHILOSOPHY**

As SAIC teacher candidates advance through the BFAAE or MAT program they focus on a core set of elements: (1) context and community, (2) knowledge and experience, (3) critical thought and reflection, and (4) practice and evaluation. These four elements form the core philosophy and structuring logic of our art education teacher preparation programs. These elements are embedded in a curriculum that includes studio, art history, liberal arts, professional education classes, and fieldwork experiences. Teacher candidates have in-depth knowledge of art, visual culture, technology and other content areas to inform pedagogical theories and practices directly related to national, state, and local standards. Throughout the programs, teacher candidates explore the functions and purposes of art education and investigate connections between experiences inside and outside of public schooling within a larger framework of cultural and historical analyses. In this sense, teacher candidates understand art and other forms of visual culture, education, and curricula as both products of history and potential sites for cultural change.

**Context and Community**

The SAIC Art Education Department is committed to meaningful learning and teaching in a culturally diverse and ever-changing society. Teacher candidates understand that communities are constructed and realize the benefit of partnering with faculty, staff, students, families and local representatives to develop, expand and sustain ethical teaching and learning communities.

The teacher candidate understands:

- The context of social, cultural, economic and political realities as related to self, community, and world
- The relationship between cultural diversity and student learning, including how cultural diversity can afford particular opportunities for the exploration of multiple perspectives
• Teaching and learning are affected by access to the development and exchange of new media and electronic information
• Teaching and learning are multi-modal, a life-long process, and occur both inside and outside the context of schools

Knowledge and Experience
We are committed to preparing teacher candidates who connect their respective lived experiences and knowledge of the visual arts with the pedagogical and professional skills necessary to create curriculum and facilitate learning environments that empower students to understand and participate in contemporary art and culture. Therefore, teacher candidates learn to interpret, teach and produce art and other forms of visual culture while fostering social and political empowerment for all students.

The teacher candidate understands:
• Theoretical and practical knowledge related to communications, literature, mathematics, science, history, philosophy, and social sciences from transcultural perspectives
• Content knowledge, including perspectives on social theory, new media and information technology, art theory, art history, visual culture, art production, and art education that support democratic learning and critical practices
• Methods, resources, technology and materials for designing and implementing instruction based on pedagogical content knowledge, student needs and curricular goals
• Multiple forms of assessment, such as group critique, student self-evaluation and rubrics, and teacher candidate self-evaluation to support active learning

Critical Thought and Reflection
We are committed to developing critical, inquisitive and reflective teachers. Teacher candidates scrutinize their position as educators and problematize tacit assumptions about teaching and learning, ensuring necessary adjustments to enhance student learning.

The teacher candidate:
• Has a strong foundation in theoretical and conceptual frameworks that integrate research, reflection, technology and practice
• Embodies the model of teacher as researcher, who questions the biases, assumptions, and efficacy of their practice
• Uses multiple frames of reference to help conceptualize their own position in relationship to students, schools, communities, and the professional field
• Uses critical thought and reflection to create strategies and solutions

Practice and Evaluation
We are committed to multiple forms of teaching and assessment practices that actively engage and have positive effects on student learning. Teacher candidates facilitate student learning of art and other forms of visual culture through clear presentation of content, ideas, and instruction and assess student performance using established rubrics and multiple indicators.

The teacher candidate:
• Uses a variety of instructional strategies including emerging technologies to encourage students’ development of critical thinking, problem solving, and performance skills
• Applies effective communication skills with parents, students, colleagues, and the public
• Adjusts instruction based on informal and formal assessments
• Collects and analyzes data to improve teaching and learning
OBJECTIVES OF THE PROGRAM

Prepare teacher candidates to demonstrate an understanding of how:

- Psychological, social, political, and cultural influences shape individuals, communities and professional practices
- Content knowledge of art and visual culture promotes the value, complexity and diversity of all the visual arts as expressions of social and cultural issues, past and present
- Professional knowledge of arts and sciences responds to the needs of contemporary learners in a society dominated by visual images and designed objects
- Teaching engages students/citizens to participate in democracy through reflective and responsible interactions with art and other forms of visual culture

Prepare teacher candidates to demonstrate the ability to:

- Collaborate with colleagues and the community to develop, support and improve learning opportunities for all students
- Plan and implement a curriculum that makes content meaningful to all students and has positive effects on student learning
- Implement a balanced integration of presentation, discussion, inquiry, production and reflection of art and other forms of visual culture in a variety of contexts within various communities
- Use multiple frames of reference to make critical assessments and reflective judgments
- Respect the diversity of developmental levels, learning styles, values, languages, and beliefs
- Integrate research, technology and reflection through the interpretation, production, and critique of art and other forms of visual culture
- Synthesize pedagogical and professional content knowledge to help students learn about art and other forms of visual culture
- Use resources, processes and assessments to support effective teaching of art and other forms of visual culture
AUTHORS & IDEAS THAT HAVE INFLUENCED SAIC TEACHER EDUCATION

ADMISSION TO MAT PROGRAM

>> ADMISSIONS CRITERIA
Applicants to SAIC teacher preparation programs are assessed using multiple indicators including: 1) prior academic performance; 2) knowledge of and skills in artistic production; 3) knowledge of visual culture, art history and related disciplines; 4) oral and written language skills, and 5) motivation, maturity and commitment to learning.

>> ADMISSIONS DEADLINES
The first round of applications for the next academic year (MAT program begins in Fall semester only), are due on January 15th. Applicants who meet this deadline can be considered for departmental funding. Contact Admissions for information on rolling application deadlines.

>> APPLYING TO THE MAT PROGRAM
• There is an $90 nonrefundable application fee. The application fee is discounted by 50 percent through December 1st.
• Prerequisites: Applicants must complete 33 semester credits of studio coursework before entering the program. Studio coursework may include courses in ceramics, drawing, graphic design, fiber, painting, performance art, photography, printmaking, sculpture, socially engaged practice, etc. The 33 semester credits must include 12 semester credits of upper division (junior, senior, or graduate-level) studio coursework. Applicant’s portfolios will be reviewed for skill in a minimum of five artistic processes that demonstrate familiarity with 2D, 3D, and time-based and digital media.
• Upload two 500- to 1,000-word statements: 1. An autobiographical statement reflecting on your formal and informal education in the arts, work experience in the field of art and culture, and artistic accomplishments. 2. A statement of your reasons for entering into the profession of art education, reasons for applying to the SAIC program, and anticipated future directions for your work in the field.
• Submit official college transcript(s).
• Two letters of reference are required. You can ask your references to upload their letter to your online application.
• Submit a portfolio of your work through Slideroom. Your portfolio should include work that represents your areas of highest achievement in an arts profession as well as examples of the range of your artistic skills. Examples may include visual artworks accompanied by descriptions, creative or scholarly writing, or documentation accompanied by explanatory text of art education projects in schools, museums, or community-based settings.
• An interview is required for all applicants to the MAT program. Once your application has been received and is complete, the Admissions Department will notify the Art Education Department to schedule an interview.

A more detailed description of the application is available on-line: (http://www.saic.edu/academics/departments/art-education/master-arts-teaching).
OTHER INFORMATION RELATED TO ADMISSIONS AND ENROLLMENT

- Applicants may be conditionally admitted to the program at the department’s discretion based on review of portfolio and transcripts. After consultation with the Program Director, the conditionally admitted applicant will make a written agreement with the department, listing criteria and timelines to be met for full admission into the program.

- Accepted students in teacher education programs are referred to as Candidates.

- Candidates are considered mandated reporters of child abuse and neglect by the Department of Children and Family Services (DCFS) when observing or teaching in school settings. Candidates must complete the Illinois Department of Human Services Mandated Child Abuse Reporter on-line training and have a record of their completed training on file in the Licensure Office at the beginning of the teacher preparation program (before visiting schools).

- Candidates will be instructed on how to complete a Chicago Public School (CPS) Fingerprint-based background check during their initial orientation. If the results of the teacher candidate’s background check do not meet Chicago Public School district’s standards, the candidate cannot continue in the program.

- Candidates must have registered for the Visual Arts content test in order to proceed to Fieldwork.

- Candidates have a maximum of four years, from the time they enter the teacher education program, to complete the program. (This includes time off for leaves from the program.)

Please refer to the Graduate Admissions webpage for specific admissions procedures. Contact the SAIC Admissions Office at (312) 629-6100 or gradmiss@saic.edu for more information.

MAT PROGRAM REQUIREMENTS

- Teacher candidates must complete the MAT degree within four years.

- A minimum of 42 credit hours must be completed at SAIC.

- Up to 6 hours of graduate-level transfer credits may be requested at the time of application. Acceptance of transfer credits toward the MAT degree are subject to the approval of the SAIC Teacher Education Committee. Transfer credits will not be evaluated or accepted after beginning the MAT Program.

- Teacher candidates must successfully complete and submit their thesis projects prior to graduation and recommendation for licensure.

MAT TEACHER PREPARATION CORE COURSES DESCRIPTIONS

ARTED 5011 (3 credits)
Understanding Curriculum: Politics and Pedagogies of Curricula
This course provides an overview of curriculum theory by exploring curricula as historical, cultural, social, and political texts and practices. Teacher candidates investigate topics such as critical pedagogy, visual culture, feminism, multiculturalism, personal narrative, and post-colonialism. These topics are contextualized within current art education theories and practices.

ARTED 5105 (3 credits)
Ethical and Pedagogical Issues: Cultural Workers in Public Sphere
This course examines theoretical and practical issues implicit in the conceptualization of the public sphere. Teacher candidates explore social theory through historical and contemporary models of community activism, grassroots organizing, and other cultural work in relation to the contested space of the public sphere. Teacher candidates research and develop individual and collaborative creative work including interviews, observations, and proposals for an ethical community-based project.

ARTED 5120 (3 credits)
Histories, Theories, and Philosophies of American Public Education
This course provides an overview of the histories and practices of art education and American public education from the pre-industrial era to present. Candidates investigate philosophical and political theories to better understand the matrix of connections between schooling, society, ideology, and culture.

ARTED 5125 (3 credits)
Doing Democracy: Pedagogies of Critical Multiculturalism
This course provides an overview of historical, ideological, and economic influences of white supremacy, capitalism, and patriarchy on democracy, public life, and schooling. Candidates critically investigate prevalent forms of multicultural education including conservative, plural, liberal, essential, and critical theories and practices.

ARTED 5200 (3 credits)
Cyberpedagogy
This course introduces teacher candidates to philosophical, pedagogical, and practical aspects of using electronic imaging and communications technology in cultural production and art education. While teaching students to master particular software and hardware, the course also promotes a critical discussion of the social impact, aesthetic ramifications, and pedagogical strategies of these technologies. Through their class projects, teacher candidates engage in the hands-on production of images, the facilitation of critical media education, and the organization of a digital teaching portfolio.

ARTED 5211 (3 credits)
Curriculum and Instruction: Resources and Methods
This course provides an overview of resources and pedagogical methods for teaching visual culture in elementary and secondary public schools taking into account local, state, and national standards. Candidates develop age appropriate curricula and praxis including lesson and unit planning, instructional strategies, and assessment procedures.

ARTED 5220 (3 credits)
Psychological, Sociological, and Phenomenological Approaches to Teaching
This course provides an overview of psychological, sociological, and phenomenological approaches to teaching visual culture to diverse populations. Candidates investigate historical and current theories and philosophies of human growth and development, creativity, artistic development, cognition, and learning disabilities. Candidates observe, analyze, and evaluate a variety of k-12 art experiences involving exceptional children.
ARTED 5290 (3 credits)
**Thesis: Research as Social Inquiry**
This course introduces teacher candidates to innovative approaches to research and documentation including participatory and action research, interactive and collaborative projects, and performative and new media based presentations. Teacher candidates develop original research projects that explore connections between personal interest and experience, professional development and praxis, discursive and performative practices, and historical and contemporary scholarship.

ARTED 6100 (3 credits)
**Cultural Approaches to Production**
This course provides a context for the investigation of various social, political, personal, and historical purposes for cultural production in public schools. Candidates understand the role of personal experience, public memory, cultural narrative, intertextuality, audience, and agency in relation to cultural production. Candidates develop curricula to interpret, analyze, and teach various forms of visual culture relevant to diverse and exceptional populations including issues of race, class, gender, ethnicity, and sexual orientation.

ARTED 6110 (3 credits)
**Thesis II**
This independent study requirement for teacher candidates in the graduate art education program follows Graduate Art Education Thesis: Research as Social Inquiry (ARTED 5290) and is required to earn the degree of Masters of Arts in Teaching. The thesis should demonstrate a student’s ability to design, justify, execute and present the results of original research or of a substantial project. Teacher candidates work closely with an art education thesis advisor during the semester in addition to meeting with other members of their committee.

ARTED 6190 (3 credits)
**Fieldwork: Elementary and Secondary Experiences**
This course provides candidates with opportunities to observe, analyze, teach, and evaluate in elementary and secondary settings. Candidates build constructive relationships with K-12 students, faculty, staff, and community members at two fieldwork sites through active observation and concrete engagement. This experience provides groundwork, connections, and continuity to apprentice teaching.
Prerequisites: ARTED 5120, ARTED 5211, ARTED 5125. Concurrent enrollment in 6100.

ARTED 6290 (12 credits)
**Apprentice Teaching**
This course provides candidates with in-depth experience teaching visual culture in elementary and secondary sites. Candidates are responsible for planning, implementing, teaching, and evaluating lessons and units for K-12 students. This fieldwork culminates with presentations that highlight the apprentice teaching experience.
Prerequisites: ARTED 5120, ARTED 5125, ARTED 5220, ARTED 5211, ARTED 6100, ARTED 6190.
ACADEMIC POLICIES

Credit, No Credit, and Incomplete
At SAIC, graduate-level students’ work must meet the standard of a B to receive credit.

No Credit  Teacher candidates who fail to complete course requirements in a satisfactory fashion will receive a final grade of NCR (No Credit). Candidates who fail to successfully complete a required art education course will meet with the SAIC Teacher Education Committee who will review their academic record and determine whether the candidate should re-enroll in the course, take a leave of absence, or be dismissed from the program. Because many courses in the teacher education program must be taken in sequence, failure to earn credit for a course may result in delaying the candidate’s plan for program completion.

Incomplete  A Grade of INC is granted by the instructor only if the teacher candidate can demonstrate that the request is justified by extenuating circumstances. To be eligible to receive an INC, teacher candidates must have punctually attended the majority of classes as well as regularly completed assignments in a satisfactory manner prior to the last date to officially Withdraw from the class. Thus, it is inappropriate for a faculty member to issue an INC to a student who had excessive absences or did not perform academically throughout the semester. Such students ideally will have received Course Progress Reports indicating their danger of failing the course and have been referred to their Program Director and/or Academic Advising to discuss the options available to them.

Teacher candidates must request an Incomplete in writing by the last day of class. At that time, it is the responsibility of the teacher candidate to work out a plan for completing the course, including a timeline and agreed upon assignments. This plan should be put in writing by the faculty member and shared with the student and program director. Once the required work and deadlines have been set, it is the student’s responsibility to submit their work in a timely manner. Incompletes must be resolved within the first two weeks of the following regular semester or the grade automatically changes to NCR (no credit) in the SAIC system.

Meeting Requirements for Placement in Fieldwork/Apprentice Teaching Sequence
On March 31, the Art Education Placement Coordinator will begin confirming Fieldwork elementary and secondary placements for students who are in good academic standing and have registered for the Visual Arts content test. As each student documents registering for the Visual Arts Content Test, they may register for Fieldwork.

Leave of Absence
A student/teacher candidate may petition the Teacher Education Committee to grant a one-year leave of absence from the MAT Program if for personal reasons they are unable to continue in the program at that time. A student/teacher candidate may later request one additional one-year leave of absence. MAT students/teacher candidates have a total of four years to complete their degree.

The Teacher Education Committee may require that a student/teacher candidate take a leave of absence because of not meeting requirements described in the program Transition points. Reasons that a student be mandated to take a leave of absence include: not meeting ISBE requirements for passing the Visual Arts content test before Fieldwork/Apprentice Teaching course sequence, no credit for a core licensure course, not meeting ISBE requirements for teacher behavior as described in the SAIC Teacher Dispositions as listed in this Program Guide.

When students are granted a leave of absence, the Program Director and Chair will meet with the student to sign a Leave of Absence Agreement Letter which will stipulate needed remediation in order to return to
the program. Typical conditions for being re-admitted to the program include Visual Arts content test in order to proceed into Fieldwork/Apprentice Teaching sequence, demonstrating progress in passing non-core art education courses, completing any Incompletes, entering into a behavior contract agreeing to meeting Teacher Dispositions, or working in community settings to gain and demonstrate experience in working with youth and communities. Failure to meet the terms of Leave of Absence Agreement will result in dismissal from the program.

**Dismissal from the MAT Program**
Candidates must comply with all Art Education program academic and administrative policies and guidelines regarding academic integrity, retention, and dismissal as outlined in the Program Guide and in the current SAIC Bulletin.

Candidates must exhibit SAIC Teacher Dispositions (as described in this Program Guide) consistently demonstrating these through behavior and in academic and artistic work throughout their program. Candidates who do not demonstrate SAIC Teacher Candidate Dispositions will meet with their Program Director and the SAIC Teacher Education Committee. The committee will review the concerns and recommend a remediation plan or dismissal from the program.

At the beginning of their SAIC MAT Program, students are given an overview of the Teacher Candidate (Student) Agreement by the Licensure Specialist and Program Director. This agreement must be signed to begin coursework in the program. Failure to meet the terms of this agreement may lead to dismissal from the MAT Program.

Candidates must receive “Credit” CR to indicate successful completion of each course required for the MAT program. If a candidate receives “No Credit” (NCR) for any required MAT course, to complete the degree the course must be retaken with permission of the SAIC Teacher Education Committee.

Candidates who do not receive CR in a required course will be placed on academic probation and a remediation plan will be developed with the candidate. If a candidate receives two NCR’s in any required coursework, that candidate will be dismissed from the MAT program.

In the case of not receiving credit for Apprentice Teaching, the Teacher Education Committee review the case and determine whether the candidate is eligible to be assigned a school placement and may then re-enroll in Apprentice Teaching.
PRE-CLINICAL AND CLINICAL EXPERIENCES

Pre-Clinical hours related to initial Art Education coursework
Students complete 90 hours of pre-clinical experiences (sometimes called observation hours) in conjunction with several Core Art Education courses—Curriculum & Instruction (9 hours); Doing Democracy (9 hours); Histories, Theories, & Philosophies of American Public Education (6 hours); Psychological, Sociological, and Phenomenological Approaches to Teaching (6 hours), culminating in Fieldwork: Elementary and Secondary Experiences (60 hours).

Placement for SAIC Fieldwork/Apprentice Teaching Sequence
The Department of Art Education places teacher candidates in both the pre-clinical experience (Fieldwork) and clinical experience (Apprentice Teaching) with accomplished art educators who are jointly selected by the SAIC Art Education Department and partnering schools.

Selection of sites and mentors is made by the Placement Coordinator in conjunction with the Director of Teacher Education and the Teacher Education Committee. Placements are dependent upon site availability, the candidate’s artistic interests, pedagogical styles, and logistical concerns. Placement is restricted to Chicago and contiguous suburbs. Candidates are responsible for transportation to and from their sites. Final decisions on teaching sites is at the discretion of the Department of Art Education.

The candidate’s elementary Fieldwork placement will be the same site as the candidate’s elementary Apprentice Teaching placement. The candidate’s secondary Fieldwork placement will be the same site as the candidate’s secondary Apprentice Teaching placement.

International students are required to meet with SAIC International Student Services to complete authorization paperwork before registering for (off-campus) Fieldwork and Apprentice Teaching.

PRE-CLINICAL AND CLINICAL ASSESSMENT
During the pre-clinical and clinical experiences, candidates are assessed using multiple indicators to determine levels of accomplishment and performance in preparation, motivation and effectiveness, communication skills, assessment, evaluation, self-reflection and adaptation, creation of a democratic classroom; integration of contemporary art and contemporary issues; professionalism, and responsibility.

Grades for Fieldwork and for Apprentice teaching are given by the SAIC Faculty Supervisor based on observations, mentor teacher observations and feedback, candidate/faculty conferences, teaching portfolios, project examples, journal entries, curriculum project plans and participation in/work completed for the accompanying seminar meetings.

FIELDWORK (PRE-CLINICAL) OVERVIEW
In the final pre-clinical experience, Fieldwork: Elementary and Secondary Experiences (ARTED 6190) teacher candidates observe, assist, instruct, and assess K-12 students. Candidates spend one day a week for ten weeks—5 weeks in an elementary school and 5 weeks in a secondary school (60 pre-clinical hours). On the same day of the week that candidates visit their elementary or secondary school placement, candidates attend a weekly seminar class in the evening hours from 5:00 PM - 8:00PM. Candidates will not be able to register for or take any other courses on their assigned day for Fieldwork at placement site and evening seminar class. The SAIC Faculty Supervisor visits and assesses the candidates once during each elementary and secondary pre-clinical Fieldwork placement.
APPRENTICE TEACHING (CLINICAL) OVERVIEW
In Apprentice Teaching (ARTED 6290) candidates are fully immersed in school learning environments; candidates spend 5 days per week (approximately 35 hours a week) for fourteen weeks total—seven weeks in elementary school and seven weeks in a secondary school (490 hours). Candidates attend a weekly seminar class in the evening hours from 5:00 PM - 8:00PM on the same day of the week attended during Fieldwork. Between the two seven-week school placements, candidates participate in a mandatory week-long workshop (aka “edTPA bootcamp”) for support in writing and compiling their edTPA teaching assessment portfolios.

The edTPA assessment requires teacher candidates to demonstrate readiness to teach through lesson plans designed to support their students’ strengths and needs; engage real students in ambitious learning; analyze whether their students are learning, and adjust their instruction to become more effective. Teacher candidates submit unedited video recordings of themselves at work in a real classroom as part of a portfolio that is scored by highly trained educators. The Illinois State Board of Education mandates that teacher candidates must pass receive a passing score on the edTPA assessment to be granted licensure to teach in the state of Illinois (from www.edtpa.com).

Candidates’ scheduled time at Apprentice Teaching sites matches each school’s daily start and end time. Meeting the SAIC disposition of Professionalism requires that candidates arrive at the school early enough to be prepared to teach when students arrive. Candidates are also expected to spend time outside of regular school time to plan and prepare for teaching their curriculum projects and to support the pedagogical needs of their host department. SAIC supervising faculty visit and assess the teacher candidate twice during each elementary and each secondary clinical site placement. Candidate’s teaching is also evaluated by their mentor teachers.

SCHOOL DISTRICT REGISTRATION
Candidates must register with the Chicago Public School district before both pre-clinical and clinical experiences. The registration process includes an application, and a fingerprint-based background check. For Apprentice Teaching a TB test is also required.

Candidates who are student teaching in suburban districts will have to complete separate registration processes for each district. Candidates are responsible for all fees associated with TB tests, physicals, background checks, etc.

OTHER PRE-CLINICAL AND CLINICAL PRACTICES INFORMATION
Assignment to Apprentice Teaching (ARTED 6290) is dependent upon successful completion of the following program and ISBE requirements:

- Apprentice teaching is completed during the final semester of study at SAIC.
- Candidates must complete all core teacher education preparation coursework and the Thesis I course before enrolling in Apprentice Teaching (ARTED 6290).
- Candidates are required to be registered to take the ILTS Visual Arts Content Area Test by March 31 of their first year in the program before they are allowed to register for and proceed onto Fieldwork. Candidates must pass the ILTS Visual Arts Content Area Test by Nov 15 of their second year in the program to register for and proceed onto Apprentice Teaching.
CRIMINAL BACKGROUND CHECK REQUIREMENTS

All teacher candidates must complete a fingerprint-based background check at the beginning of the teacher preparation program. Chicago Public Schools will receive the results of this background check. No teacher candidates will be allowed to enter or observe classrooms where minors are present until the Chicago Public School district has approved the background check.

Teacher candidates will complete another fingerprint-based background check during the pre-clinical fieldwork semester, when they receive a notification from the SAIC Licensure Specialist that the CPS registration process is open. This background check is part of the Chicago Public Schools Student Teacher registration process and is required of all teacher candidates prior to the final Apprentice Teaching semester. The results of this background check will be sent directly to Chicago Public Schools.

The fingerprint-based background check will cost approximately 60 dollars each; the candidate is responsible for these fees. If the results of the teacher candidate’s background check do not meet Chicago Public School district’s standards, the candidate cannot continue in the MAT teacher preparation program.

Candidates who will be teaching in suburban public or in private schools must meet the background check requirements of each district. Check with the SAIC Placement Coordinator and Licensure Officer for details.

When applying for the State of Illinois K–12 Visual Arts Professional Educator License, the Illinois State Board of Education will require all applicants to declare the following: any convicted felony; any sex, narcotics, or drug offense; charges of child abuse; and tax evasion. Applicants must disclose whether they have had a teaching license denied, suspended, or revoked. Student loans in default, without an established repayment plan, must also be reported. Candidates who will need to declare any of these offences or issues should check with the Licensure Specialist about the impact that such a declaration may have on Licensure. The Licensure Specialist will also recommend that candidates seek personal legal counsel before making declarations to ISBE.
TEACHER LICENSURE TESTING REQUIREMENTS

There are a variety of tests that the Illinois State Board of Education requires teacher preparation candidates to complete and pass before, during, and upon completion of a program. It is important to understand that these tests are mandated by the State of Illinois. The SAIC Department of Art Education is obligated to ensure all candidates have met these legal requirements before recommending the candidate for licensure.

Candidates must pass the following tests in this order:

<table>
<thead>
<tr>
<th>Test</th>
<th>Date for Passing Score</th>
<th>Validity Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Test 1: ILTS Visual Arts Content Area Test (145)</td>
<td>To be completed and passed before Nov 15 during the Fieldwork semester.</td>
<td>Valid indefinitely.</td>
</tr>
<tr>
<td>Test 2: edTPA Clinical Practice Assessment</td>
<td>To be completed and passed during the Apprentice Teaching semester.</td>
<td>Definitive information on the period of validity of an edTPA score is unknown at this time. Check with SAIC Licensure Specialist.</td>
</tr>
</tbody>
</table>

Retaking ILTS Visual Arts
Candidates must wait 30 days to retake ILTS Visual Arts Content test.

ISBE Testing Requirements Are Subject to Change
The State of Illinois testing and assessment requirements periodically change. As a result, candidates for Illinois licensure may be required to complete a different set of tests and/or assessments than those noted above. Please check with the SAIC Licensure Officer for up-to-date information.

edTPA ASSESSMENT
A passing score on the edTPA (Teacher Performance Assessment) is required to be eligible for the State of Illinois Professional Educator License. A passing score on the edTPA assessment is required for the State of Illinois Professional Educator License, but not the conferral of the MAT degree.

Candidates must take the edTPA assessment while enrolled in Apprentice Teaching as a requirement of the course. If a candidate does not receive a passing score on edTPA from the first submission, the candidate must resubmit a revised portfolio (or sections of the portfolio) to Pearson in order to receive Credit for Apprentice Teaching. After the candidate has submitted to edTPA two times (even if a passing score is not achieved), the candidate is eligible to receive CR (credit) for Apprentice Teaching and is thus eligible to graduate from SAIC if all other requirements are fulfilled.

If a candidate does not submit the edTPA a second time during the Apprentice Teaching semester, the grade will be NC (no credit) UNLESS the candidate requests an INC (incomplete) in writing to the SAIC Faculty Supervisor. The candidate can continue to work on the edTPA portfolio after the end of SAIC Spring Semester, but the Art Education Department cannot guarantee that the SAIC Supervising Faculty will be available to provide support during this time. If the candidate does not resubmit to edTPA before the beginning of the fall term, according to SAIC policy, the INC will become an NCR and the candidate will have to retake Apprentice Teaching. In this instance, the candidate and their faculty advisor will create a calendar that provides the candidate time to observe the new placement site and prepare lessons for Apprentice Teaching.
edTPA Statement on Originality and Plagiarism

As indicated in the Visual Arts edTPA handbook, you and your teacher preparation instructors can and should discuss how the various aspects of edTPA connect with each other and to your preparation coursework and field experiences. However, the specific choices that go into the planning, instruction, and assessment tasks that are part of edTPA should solely reflect your thinking, based upon your knowledge of pedagogy and your students’ needs. Originality requirements apply to settings where co-teaching and collaborative planning may take place. Even if you are co-teaching, collaboratively planning with another candidate or your grade-level team, or in a context with a uniform, prescriptive curriculum, you must be the lead teacher for the lessons documented in the learning segment and submit original commentaries. You may choose to incorporate help from other classroom personnel during your learning segment (e.g., teacher’s aides or parent helpers) but, again, you must be the lead teacher and these strategic decisions should be addressed in your commentaries. In your Context for Learning section, you will explain your placement setting and any features that influence your planning process. Your commentaries for each Task must provide your own justification for planning decisions and analyses of your teaching and student learning. Outside editing support of your official edTPA submission that includes direct revisions to the content of your writing is not permitted. Consult with your Faculty Supervisor and Director of Teacher Education for guidelines for acceptable support while developing your edTPA materials.

Originality detection software is employed to compare all edTPA submissions nationwide against all other edTPA submissions received, including outside written sources and other sources of material. The software reports any substantial degree of matching between submitted edTPA portfolios. In cases where there is substantial matching, a specially trained portfolio reviewer may then elect to seek enforcement action against the candidate(s) involved and/or refer the candidate(s) to the Illinois State Board of Education for enforcement action. A candidate’s edTPA score may be voided and the registration fee may not be refunded to the candidate. Further, the candidate’s application for licensure may be denied if it is determined that these actions constitute a reasonable question of moral character. As it may raise a reasonable question of moral character, the Illinois State Board of Education may elect to seek revocation of licensure held by the candidate, without regard to whether the failure to abide by edTPA’s Rules of Assessment Participation and/or SAIC’s plagiarism policies was detected before or after the licensure were issued.
RECOMMENDATION FOR LICENSURE

Individuals who successfully complete the MAT program may apply for the State of Illinois K–12 Visual Arts Professional Educator License. Teacher candidates will not be eligible to apply for licensure if they fail to successfully complete any requirement for the program as specified in this Program Guide and the SAIC Bulletin. This includes all coursework, the ILTS Visual Arts test, the edTPA assessment, and pre-clinical and clinical hours.

The Licensure Specialist will provide instruction on how to use the Educator Licensure Information System (ELIS) with the candidates at the end of the clinical experience (Apprentice Teaching) semester.

It is strongly recommended that teacher candidates successfully completing the MAT program apply for licensure immediately following completion of the degree, regardless of immediate teaching plans. Failure to do so may render the SAIC Department of Art Education unable to recommend the teacher candidate for licensure in the future, as the requirements for licensure tend to change over time. Graduates who delay completing the licensure process must meet current ISBE requirements in order to be eligible for teacher licensure in the future.

SAIC’s teacher preparation coursework often meets the teacher licensure requirements for other states and countries. However, SAIC cannot guarantee that an Illinois Professional Educator License will be honored outside of Illinois. If teacher candidates are interested in teaching in other states, they are responsible for reviewing licensure requirements for states other than Illinois before program completion and contacting the Licensure Specialist for assistance.
SAIC TEACHER CANDIDATE DISPOSITIONS

As required by the Illinois State Board of Education, the SAIC Art Education Program has identified a set of dispositions that are aligned with our departmental values and with the values of the School of the Art Institute. Teacher candidates must consistently demonstrate these SAIC Teacher Dispositions through their behavior as well as in their academic and artistic work throughout all aspects of the Art Education Program—in SAIC classes, in relationships with faculty and with fellow students, in interactions with elementary and high school students, mentor teachers and administrators in placement schools, and in their contacts with the extended Chicago community. Candidates who do not demonstrate SAIC Teacher Candidate Dispositions will be asked to meet with their Program Director and/or the SAIC Teacher Education Committee. The Director or Committee will review concerns and recommend a remediation plan or dismissal from the program.

Prepared:
- Teacher candidate uses classroom facilities, prepares materials, and manages time so that students are able to meet the goal of the intended lesson.
- Teacher candidate has previewed all lessons and teacher exemplars with SAIC Faculty Supervisors and Mentor Teachers before teaching any lessons.
- Teacher candidate demonstrates a thorough understanding of professional and pedagogical knowledge and skills relevant to student needs.
- Teacher candidate demonstrates a thorough understanding of preparation by maintaining a clean and effective learning environment.

Critically Engaged:
- Teacher candidate uses examples of/from contemporary visual culture (visual material produced, interpreted, or created and which has, or is given, functional, communicative and/or aesthetic intent including architecture, artwork, personal, public, corporate and popular images, computer environments, and other images) that are responsive to the needs of students and relevant to their lives.
- Teacher candidate engages students in the study, interpretation, critique, and production of visual culture in a symbiotic relationship informed by contemporary social and cultural issues.
- Teacher candidate focuses on content and form, social and personal issues, historical and contemporary images and ideas, and allows students to construct meaning for themselves.
- Teacher candidate uses school, family, and community contexts to connect concepts and production to students’ prior experience and apply the learning to real-world problems.

Motivating:
- Teacher candidate is enthusiastic, interested, and exhibits intellectual vitality and sensitivity to teaching.
- Teacher candidate has developed various ways of motivating and maintaining student interest such as changing presentation style for given content material, gathering and introducing new visuals, providing relevant research, and integrating outside resources and expertise from the school community to enhance students’ learning.
- Teacher candidate has developed problems that challenge students’ wide-range of intellect and abilities and effectively guides students to think and work independently.
- Teacher candidate engages students in effective inquiry through relevant and critical questioning and response.
- Teacher candidate demonstrates and models effective production activities, making sure each student can see, hear, and respond to instruction and techniques that help facilitate the learning process.
- Teacher candidate engages students from different age, ethnic, gender, socio-economic, language, and religious groups appropriately.
- Teacher candidate reflects on their communication skills and makes necessary adjustments to enhance student learning.
Professional:
• Teacher candidate exhibits an outstanding attitude towards, and commitment to teaching.
• Teacher candidate exhibits appropriate professional qualities in appearance, demeanor, promptness, and dependability.
• Teacher candidate has developed positive and professional working relationships with faculty, staff, students and parents in their school environment.
• Teacher candidate is open to suggestion and has the ability to self-assess and makes corrections when necessary.
• The teacher candidate is reliable and consistent in their teaching practices.

Reflective:
• Teacher candidate considers exceptionalities when developing their lessons and uses multiple forms of assessments, such as group critique, student self-evaluation and rubrics.
• Teacher candidate demonstrates the ability to reflect on all aspects of teaching and learning; puts issues in context, articulates multiple meanings, understands implications for practice.
• Teacher candidate uses self-evaluation to determine her effectiveness in achieving the goals and objectives of the lesson/unit. She restructures and adapts lesson plans based on self-assessment and student feedback.

Fair:
• Teacher candidate recognizes the multiple ways in which student learns and the candidate treats all students fairly, promoting social justice and a democratized learning environment.
• Teacher candidate promotes fairness by encouraging students to dialogue with classmates and offer opportunities for input into content of projects.

Responsible:
• Teacher candidate exhibits a responsible attitude in dealing with peers, colleagues, faculty, students, school personnel, parents, and Mentor Teachers. This includes timely and appropriate communications, actions, and attitudes and participation in a wide range of activities related to teaching.
• Teacher candidates recognize the trust placed in them as the teachers of elementary and secondary students and fulfill that trust by acting as a prepared and engaged teacher who demonstrates commitment and concern for students and their communities.
SAIC Art Education
Transition Points
Unit ASSESSMENT SYSTEM

The assessment system of the SAIC Teacher Preparation Program has six transition points that teacher candidates must successfully reach before moving into the next stages of the program to fulfill degree requirements and be eligible for the State of Illinois K–12 Visual Arts Professional Educator License. The SAIC Teacher Preparation Program collects data and uses expectations and outcomes to: identify qualified candidates at the entry level; evaluate continuing student performance at multiple decision points throughout the program; and determine levels of accomplishment and appraise program completion requirements.

The six transition points are:

1. Admission into either the Bachelor of Fine Arts with Emphasis in Art Education (BFAAE) or the Master of Arts in Teaching (MAT) program.
2. Beginning Art Education Program coursework.
3. To begin pre-clinical experiences (ARTED 4390/6190 Fieldwork: Elementary and Secondary Experiences).
4. To begin clinical experiences (ARTED 4490/6290 Apprentice Teaching).
5. Graduating/Degree completion from either the Bachelor of Fine Arts with Emphasis in Art Education (BFAAE) or the Master of Arts in Teaching (MAT) program, prior to recommendation for licensure.
6. Recommendation for Licensure upon completion of all degree requirements and passing edTPA.

See detailed information on each Transition Point below. All requirements apply to BFAAE and MAT unless identified as specific to a particular degree program.

1 Transition Point ONE
ADMISSION to PROGRAM—BFAAE or MAT

- BFAAE applicants are required to be at least at junior standing or equivalent.
- BFAAE applicants are expected to have completed the majority (70%) of their pre-requisite coursework before entering the program, i.e. 66 credit hours or more must be completed of non-Art Education coursework.
- MAT applicants are required to have a Bachelor’s degree in Fine Art or equivalent from an accredited institution.
- A transcript analysis is conducted during the application process. All applicants must meet SAIC institutional requirements for admission to undergraduate or graduate programs. Applicants seeking approval for transfer credit must request this at the time of application and admission.
- (See Program Guide for more information.)
- Applicants in the BFAAE and MAT teacher preparation programs are assessed using multiple indicators including prior academic performance, visual portfolio, writing samples, letter(s) of reference, and a formal interview with a representative of either the BFAAE or MAT teacher preparation program. Candidates are reviewed for 1) academic ability; 2) knowledge and skills in artmaking in traditional and digital media; 3) knowledge of visual culture, art history and related disciplines; 4) motivation, commitment, and ability to learn. Program directors rate candidates using a holistic rubric.

Transition Points continue on next page.
2 Transition Point TWO
TO BEGIN ART EDUCATION PROGRAM COURSEWORK WITH SCHOOL OBSERVATIONS

- Complete a fingerprint-based background check for the Chicago Public Schools and/or for applicable other schools and districts to initiate the approval process for fieldwork in schools.
- Complete the Illinois Department of Human Services Mandated Child Abuse Reporter on-line training at the beginning of the teacher preparation program.

3 Transition Point THREE
TO BEGIN FIELDWORK: Elementary and Secondary Experiences (ARTED 4390/6190)

Candidates must register for the Visual Arts Content Test in order to register for the Fieldwork.

On March 31, the Art Education Placement Coordinator will begin confirming Fieldwork elementary and secondary placements for students who are in good academic standing and have registered for the Visual Arts content test. As each student documents registering for the Visual Arts Content Test, they may register for Fieldwork.

- Candidates must be registered to take the ILTS Visual Arts Content Area Test (#145) by March 31 of their first year in the program to register for the Fieldwork course.
- Candidates must receive approval of their background check for the Chicago Public Schools and/or for applicable other schools/districts to be allowed to begin Fieldwork in school settings.
- Candidates must complete the Illinois Department of Human Services Mandated Child Abuse Reporter on-line training at the beginning of the teacher preparation program to be allowed to begin Fieldwork.
- Candidates must complete all prerequisite SAIC Core Art Education Teacher Preparation coursework for their degree program.
  BFAAE list: ARTED 3120, ARTED 3125, ARTED 3211, ARTED 4100, ARTED 4220,
  MAT list: ARTED 5011, ARTED 5105, ARTED 5120, ARTED 5125, ARTED 5200, ARTED 5211, ARTED 5220, ARTED 5290

Candidates who fail to successfully complete Fieldwork prerequisites will meet with the SAIC Teacher Education Committee who will review the concerns and determine whether the candidate should re-enroll in a course, take leave from the program, or be dismissed from the program.

- Candidates must exhibit SAIC Teacher Dispositions consistently demonstrating these through behavior and in academic and artistic work, prior to entering into ARTED 4390/6190 Fieldwork: Elementary and Secondary Experiences.

Candidates who do not demonstrate SAIC Teacher Candidate Dispositions will meet with the SAIC Teacher Education Committee. The committee will review the concerns and develop a remediation plan with the student.

Transition Points continue on next page.
Transition Points continue on next page.
5 Transition Point FIVE
GRADUATING—DEGREE COMPLETION—BFAAE or MAT Program

- Candidates must complete required SAIC Teacher Preparation Core coursework and other required courses as outlined in their respective program curriculum.
  BFAAE list: ARTED 3120, ARTED 3125, ARTED 3900, ARTED 4220, ARTED 4900, ARTED 4390, and ARTED 4490.
  MAT list: ARTED 5011, ARTED 5105, ARTED 5120, ARTED 5125, ARTED 5200, ARTED 5211, ARTED 5220, ARTED 5290, ARTED 6100, ARTED 6110, ARTED 6190, ARTED 6290

- Candidates must exhibit SAIC Teacher Dispositions consistently demonstrating these through behavior, academic, and artistic work.

- Candidates must take the edTPA Visual Arts assessment during Apprentice Teaching. Candidates who do not pass edTPA Visual Arts the first time must resubmit needed components of the edTPA Visual Arts one additional time to be eligible for receiving credit for Apprentice Teaching and graduation. Candidates will be eligible to graduate even if they have not successfully passed the edTPA in two attempts.

- Candidates must meet the SAIC Teacher Education Program guidelines for Apprentice Teaching attendance. Apprentice Teaching is verified by candidate’s Mentor Teacher and submitted to SAIC Faculty Supervisor.

- Candidates must demonstrate successful acquisition of the range of knowledge, skills, and pedagogical practices taught during Apprentice Teaching (ARTED 4490/6290 Apprentice Teaching). Candidates are assessed and receive critical feedback from SAIC Faculty Supervisors, Mentor Teachers and peers on lesson plans, teaching portfolios, research presentations, artwork, classroom teaching, and candidate reflections and self-evaluations.

During Apprentice Teaching, candidates are observed while teaching. Candidates are formally assessed twice by their Mentor Teacher and twice by the SAIC Faculty Supervisor, using the SAIC Fieldwork/Apprentice Teaching Assessment form. Each Mentor Teacher and Faculty Supervisor rate the teacher candidate on a scale from 1 to 5 (1 = Unacceptable; 2 = Weak; 3 = Satisfactory; 4 = Highly Proficient; 5 = Exceptional) in the eight assessment areas (Prepared, Critically Engaged, Motivating, Communicative, Professional, Reflective, Fair, and Responsible) that correspond to the dispositions described in the Unit’s conceptual framework. In the Summative Assessment, BFAAE candidates must receive a 3 or higher; MAT candidates must receive a 4 or higher

SAIC Teacher Education Committee reviews candidates at the conclusion of Apprentice Teaching and meets with candidates who fail to successfully complete any part of the Apprentice Teaching to determine if the candidate will continue in the program with a remediation plan, will take a leave from the program with a remediation plan for re-entry, or be dismissed from the program.

Candidates who complete all other degree requirements (see above) and have not passed the edTPA after two attempts will be awarded their program degree.

Transitions Points continue on next page.
6 Transition Point SIX

RECOMMENDATION FOR ILLINOIS EDUCATOR LICENSURE

Candidates who are awarded the BFAAE or MAT degree from the Department of Art Education, pass the edTPA, and meet all requirements and regulations of ISBE recommended by SAIC’s Licensure Specialist to the ISBE (Illinois State Board of Education) for a State of Illinois Professional Educator License (PEL) endorsed to teach the Visual Arts in kindergarten through 12th grade.

- Candidates must exhibit SAIC Teacher Dispositions consistently demonstrating these through behavior, academic, and artistic work.
- Candidates are awarded the BFAAE or MAT degree in Art Education.
- Passing score on the edTPA Visual Arts assessment. Candidates who graduate without passing the edTPA can apply for licensure at a later date, but additional ISBE requirements may need to be met at that time.

Candidates recommended for the Professional Educator License are notified by an email from the SAIC’s Licensure Specialist with instructions for how to apply online to ISBE for their teacher license.

The recommendation for licensure and email of instructions for applying for the PEL are generated for those who qualify within four weeks following either the official date of the BFAAE or MAT degree, or the date SAIC is officially notified the edTPA is passed, whichever is later.

The PEL and license number are issued immediately at the end of the online application process after all requisite state license fees and county registration fees are paid with a credit card the candidate is authorized to use.

Candidates must complete their application and have their license issued within one year of the date the recommendation for licensure is submitted to ISBE by SAIC’s Licensure Specialist.

Candidates must register their license within six months of the date of application or the license validity will lapse. Reinstatement requirements and fees may apply.

Questions about the licensure process should be directed to SAIC’s Licensure Specialist.

Teacher candidates are responsible for knowing the policies, rules, and regulations stated in the SAIC Bulletin. It is also the teacher candidate’s responsibility to be aware of changes in the program, required coursework, testing, deadlines, and academic criteria.

It is the policy of the School not to discriminate on the basis of age, ability, color, creed, national origin, religion, race, sex, gender identity, or sexuality in the teacher candidate recruitment and admissions, in financial aid programs, in teacher candidate and employee services, in educational programs and activities, or in employment practices.

The information in this Program Guide is accurate to the best of our knowledge. We reserve the right to correct or change copy without notice. Please refer to the SAIC Bulletin and the Student Handbook for official information about other SAIC regulations and requirements.
