

Family Education Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. These rights include:

1. *The right to inspect and review your education records within 45 days after the day SAIC receives a request for access from you.* You should submit, to the Director of Registration and Records, a written request that specifically identifies the record(s) you wish to inspect. The Director of Registration and Records will make arrangements for access and notify you of the time and place where the records may be inspected. To make this request, you may use the [FERPA Student Request for Records Form](#) [PDF], available from the Director of Registration and Records.
2. *The right to request the amendment of your education records if you believe them to be inaccurate.* You should submit any such request in writing to the Director of Registration and Records. You must clearly identify the part of the record you want changed and specify why it should be changed. SAIC will notify you of its decision. If SAIC decides not to amend the record as requested, SAIC will notify you of your right to a hearing regarding your request for amendment. Additional information regarding the hearing procedures will be provided to you at that time.
3. *The right to provide written consent before SAIC discloses personally identifiable information from your education records, except to the extent that FERPA authorizes disclosure without consent.*

To provide written consent to a disclosure, you may use the [FERPA Student Authorization to Release Information Form](#) [PDF], available from the Director of Registration and Records. Return the completed form to the Director of Registration and Records.

Directory Information

One exception allows SAIC to disclose "directory information" without your written consent. SAIC designates the following as "directory information":

- o Student name(s)
- o Student address(es), electronic address (e-mail) and telephone number
- o Dates of admission/attendance
- o Degrees and awards received
- o Previous institutions attended
- o Date and place of birth
- o Expected graduation date
- o Current term hours enrolled and enrollment status (full-time, part-time, not enrolled, and/or withdrawn and date of withdrawal)

If you wish to have your directory information withheld, you must submit a written request to the Office of Registration and Records. You may give such notice at any time, but it will only be effective prospectively. You must be a currently enrolled student to make this request.

Legitimate Educational Interests

Another exception allows for disclosure to school officials with legitimate educational interests. A school official is a person employed by SAIC in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a student conduct board meeting. A school official also may include a volunteer or contractor outside of the SAIC who performs an institutional service of function for which SAIC would otherwise use its own employees and who is under the direct control of SAIC with respect to the use and maintenance of personally identifiable information from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the SAIC.

Upon request, SAIC also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by SAIC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.
