63

00:18:17.130 --> 00:18:22.350

SAIC Student Financial Services: If your students living on campus you want to make sure to include your housing charges and your meal plan charges.

64

00:18:22.770 --> 00:18:27.630

73

00:20:07.230 --> 00:20:15.510

SAIC Student Financial Services: also want to remind students that for fall 2022 term the Chicago transit authority, also known as the cta.

74

00:20:16.410 --> 00:20:23.550

SAIC Student Financial Services: will allow students eligible students who are registered as full time students to hop out of the normal you pass from the fall.

75

00:20:23.880 --> 00:20:35.850

SAIC Student Financial Services: Again this is reduced public transportation around the city of Chicago it's a great benefit, but again students are being given an option to opt in or opt out of this new path for fall 2022.

76

00:20:36.390 --> 00:20:44.610

SAIC Student Financial Services: to opt in or opt out of the past, you must respond to the official email that was sent to your saic email address with the subject line.

77

00:20:45.030 --> 00:20:50.790

SAIC Student Financial Services: cta ball you pass information, this is being sent to you directly from the Arctic office.

78

00:20:51.360 --> 00:21:01.050

SAIC Student Financial Services: If you do not, if the article offices data received a response by September the 15th and your cta you pass will not be navigated and you will not be charged.

79

00:21:01.320 --> 00:21:08.880

SAIC Student Financial Services: Once again, if you want to opt in or opt out, and then you pass, you need to make sure you you take a look at the email that's being sent to you directly.

80

00:21:09.150 --> 00:21:18.270

SAIC Student Financial Services: On the article office and again the subject line cta ball you pass information again the benefit of the past, though, is really great.

81

00:21:18.600 --> 00:21:28.710

SAIC Student Financial Services: it's \$155 church in the fall and in the spring, but to give you some idea of the settings I take the train back and forth to work every day cost me \$100 a month, just to do that.

82

00:21:29.040 --> 00:21:42.540

SAIC Student Financial Services: If a student has this you pass the reduced public transportation you're going to be charged 155 but it's good for four months, and you can write it as much as you want, so it is a great benefit, so please consider it make sure you take a look at that email.

83

00:21:45.480 --> 00:21:55.860

SAIC Student Financial Services: I do want to remind students that payment info or any payment arrangements must be completed by the dates below or your moment will be dropped for the Semester so as a reminder.

84

00:21:56.220 --> 00:22:06.210

SAIC Student Financial Services: full payment arrangements for the fall semester are do no later than August 15 and the fall 2022 Semester and charges for.

86

00:22:17.190 --> 00:22:25.260

SAIC Student Financial Services: due date for the fall semester now a complete payment arrangements on any combination of following that covers the entire balance in the Semester.

87

00:22:25.650 --> 00:22:34.440

SAIC Student Financial Services: Those can include payments, such as credit card or debit card, I want to remind you that if you do use a credit card or debit card on transact.

88

00:22:34.800 --> 00:22:42.300

SAIC Student Financial Services: transact will charge you 2.75% based on the amount we put on the card for doing nothing more than pressing a button.

89

00:22:42.600 --> 00:22:51.900

SAIC Student Financial Services: So we don't recommend that a student use a credit card or debit card to make those payments and transact if you have an American bank account, and you want to.

90

00:22:52.410 --> 00:23:03.300

SAIC Student Financial Services: Have the money withdrawn from my checking or savings code, you can do that for something called electronic check for a ch there is no fees associated with that and transact.

91

00:23:03.600 --> 00:23:10.320

SAIC Student Financial Services: you'll need to provide transact with information regarding your current US bank account without checking or savings account.

92

00:23:10.560 --> 00:23:18.660

SAIC Student Financial Services: And that would include the routing number and the account number for that specific account and that money to be drawn down from those accounts without any additional fees.

93

00:23:18.900 --> 00:23:26.670

SAIC Student Financial Services: Once again, if you submit a payment on transact using a credit card or debit card you'll be charged 2.75% based they might depend on the card.

94

00:23:27.180 --> 00:23:35.880

SAIC Student Financial Services: There are no fees associated with us electronic check for a ch this is, if you link it with a US bank account we're checking or savings account.

95

00:23:36.840 --> 00:23:46.440

SAIC Student Financial Services: I also want to remind you can also submit a paper check cashier's check or money order and those cases, you want to submit those payments directly to the saic versus office.

96

00:23:46.740 --> 00:23:59.130

SAIC Student Financial Services: Not to the office of student financial services, again, that will be sent directly to the SEC versus office, not to the saic email saic student financial services on.

97

00:24:00.300 --> 00:24:15.660

SAIC Student Financial Services: On you can also meet your complete the payment arrangements by enrollment in the payment plan via transact as a reminder saic does have a payment plan for fall spring and summer and our view that, in the subsequent.

98

00:24:20.160 --> 00:24:28.170

SAIC Student Financial Services: slides i'm going to happen, the webinar and just a few minutes also want to remind you what the student is has a 529 college savings plan.

99

00:24:28.530 --> 00:24:34.140

SAIC Student Financial Services: Outside scholarship and you might have received benefits through a miracle or veterans benefits.

100

00:24:34.740 --> 00:24:43.560

SAIC Student Financial Services: Students can also use those as well i'll review those in a moment, and again as a reminder you do need to make sure you complete all long steps.

101

00:24:43.800 --> 00:24:52.860

SAIC Student Financial Services: That would include your federal direct Stafford loans if you're accepting your staff loans or you're applying for the credit based that are direct plus loan or a private loan.

102

00:24:53.850 --> 00:25:01.050

SAIC Student Financial Services: And again, all that needs to be completed as soon as possible in order to meet the payment deadline of August 15 from the fall semester.

103

00:25:03.870 --> 00:25:12.300

SAIC Student Financial Services: I mentioned previously, that saic does have a payment plan that's available in July and is available now for students to sign up for.

104

00:25:12.930 --> 00:25:20.490

SAIC Student Financial Services: We have a form of payment plan that's available for fall and spring and a three month payment plan it's available from the summer semester.

105

00:25:21.000 --> 00:25:27.360

SAIC Student Financial Services: to sign up for the full 2022 payment plan you do need to sign up by August, the first.

106

00:25:28.020 --> 00:25:35.100

SAIC Student Financial Services: In order to be eligible for that program the first payment the payment plan, by the way, will be due on August 15.

107

124

00:28:00.090 --> 00:28:13.980

SAIC Student Financial Services: You can follow the instructions that are included on page five of the financial aid award guide that I mentioned earlier in the webinar again is also available on our website at si.edu forward slash at the forums.

129

00:29:10.920 --> 00:29:14.910

SAIC Student Financial Services: As I mentioned earlier, in order to meet your requirements for your payments.

130

00:29:15.540 --> 00:29:29.250

SAIC Student Financial Services: If you want to make sure that you're completing all the loan steps that the student is going to be accepting or applying for loans in order to meet your payment requirements if a student is Seville down fast for the free application for federal student aid, then they will be eligible.

131

00:29:30.600 --> 00:29:38.580

SAIC Student Financial Services: For the federal direct Stafford loans or to apply for additional loans, such as the federal direct graduate plus loan or a private cloud.

132

00:29:39.030 --> 00:29:49.320

SAIC Student Financial Services: I want to remind you that the Federal direct graduate plus loan is credit based on like the Stafford loan which is assured law, which means you're automatically eligible for and if it's been awarded to you.

133

00:29:49.530 --> 00:29:54.120

SAIC Student Financial Services: You just need to complete the required steps with the Department of Education, which are you in a few moments.

134

00:29:54.840 --> 00:30:00.120

SAIC Student Financial Services: But the federal direct rental Muslim again is credit based, so we have to be approved without alone.

135

00:30:00.360 --> 00:30:09.900

SAIC Student Financial Services: And if you're approved for the loan and you complete the master promissory note for that particular alone again i'll review those steps in a few moments I do want to remind you that, unfortunately.

136

00:30:10.530 --> 00:30:17.160

SAIC Student Financial Services: Post baccalaureate students at sabc are not eligible for the Federal direct graduate plus loan.

137

00:30:17.400 --> 00:30:26.940

SAIC Student Financial Services: That is now a rule with us with with saic unfortunately that's a rule directly with the Department of Education so unfortunately both post baccalaureate students are not eligible.

138

00:30:27.420 --> 00:30:30.390

SAIC Student Financial Services: For to apply for the Federal direct graduate plus loan.

139

00:30:31.380 --> 00:30:39.360

SAIC Student Financial Services: Students, we could also consider applying for a private loan alternative loan again this alone for a private banks are lending institution.

140

00:30:39.750 --> 00:30:55.200

SAIC Student Financial Services: Again, this is not alone for the US Department of Education students would identify which lender they might be considering applying for again these loans are credit based and these particular loans are available to post baccalaureate students, if you want to consider those.

141

00:30:58.230 --> 00:31:03.300

SAIC Student Financial Services: I mentioned early on the webinar then if the students still not a fast on the free application for federal student aid.

142

00:31:03.720 --> 00:31:08.940

SAIC Student Financial Services: we're probably including your eligibility for the Federal direct Stafford loans on your financial aid award.

143

00:31:09.720 --> 00:31:17.220

SAIC Student Financial Services: If the student is using these federal Stafford loans in order to address your remaining balance and saic you need to make sure you're completing.

144

00:31:17.580 --> 00:31:21.420

SAIC Student Financial Services: These requirements steps as soon as possible, if you haven't already done so.

145

00:31:21.810 --> 00:31:33.000

SAIC Student Financial Services: And you do need to complete step one into below please remember the student needs to use the FSA ID it's the same FSA ID and use in order to complete your fast, a few weeks or a few months ago.

146

00:31:33.390 --> 00:31:44.400

SAIC Student Financial Services: The steps you need to complete in order to accept your staff loans are number one completely online entrance counseling session directly with the US Department of Education on their website.

147

00:31:45.090 --> 00:31:51.630

SAIC Student Financial Services: Once you complete your entrance counseling you're going to turn around and also complete the master promissory note.

148

00:31:51.930 --> 00:31:59.100

SAIC Student Financial Services: With the US Department of Education again both steps you need to be completed the entrance counseling and the master promissory note.

149

00:31:59.400 --> 00:32:08.160

SAIC Student Financial Services: Once the student has completed, both those steps will be notified by the Department of Education you've completed those steps, and we can disperse those loans to your account in the fall.

150

00:32:08.580 --> 00:32:16.710

SAIC Student Financial Services: There is one additional step on the financial aid award awareness counseling that is optional, but it is also helpful information if you really want to find out.

151

00:32:16.980 --> 00:32:22.950

SAIC Student Financial Services: More about over right so responsibilities, if someone is taking out specifically the federal direct Stafford loans.

152

00:32:23.340 --> 00:32:36.810

SAIC Student Financial Services: And again additional information is included on page eight of the 2022 23 financial aid award guide that was mailed to everyone and also email to your essays email account all of this information is also available on our website.

153

00:32:41.340 --> 00:32:50.790

SAIC Student Financial Services: I want to speak again about another alone that's available through the US Department of Education, the graduate students, and that is the federal direct graduate plus loan.

154

00:32:51.270 --> 00:33:00.900

SAIC Student Financial Services: Now, unlike the Stafford loans I mentioned before, that the Stafford loans or shirt loan mean there's no credit check with this federal direct graduate close on, there is a credit check component.

155

00:33:01.140 --> 00:33:07.350

SAIC Student Financial Services: So you do need to make sure that you apply for the loan and be approved for the loan before you accept it.

156

00:33:07.830 --> 00:33:14.340

SAIC Student Financial Services: Again, this is not available to post baccalaureate students unfortunately again that has rule with the US Department of Education.

157

00:33:14.910 --> 00:33:22.830

SAIC Student Financial Services: Now the students do you want to apply for this credit based loan students do need to use the FSA ID in order to complete the plus loan application.

158

00:33:23.160 --> 00:33:28.920

SAIC Student Financial Services: If you are going to be using this loan to address the balance, you want to make sure you do this now, if you haven't already done so.

159

00:33:29.370 --> 00:33:38.160

SAIC Student Financial Services: And the steps aren't first to complete a federal direct plus loan West that's where the credit check and actually occurs with the US Department of Education.

160

00:33:38.520 --> 00:33:43.890

SAIC Student Financial Services: Again that's at student a.gov and then, if you apply for the loan if your approval.

161

00:33:44.250 --> 00:33:53.250

SAIC Student Financial Services: Then you'll need to complete the second step, which is the master promissory note again that's done online with the Department of Education at student made golf.

162

00:33:53.610 --> 00:34:01.320

SAIC Student Financial Services: Once the student is apply for the loan and then approved and completed the master promissory note will be notified by the US Department of Education.

163

00:34:01.590 --> 00:34:12.270

SAIC Student Financial Services: will then apply that to your account, and of course we will send you a email notification directly to your essays email account letting you know that loan has been added to your account.

164

00:34:12.900 --> 00:34:22.200

SAIC Student Financial Services: Again, additional information about applying for these loans are found on page seven and nine of the 2022 23 financial aid award guide and instructions booklet.

165

00:34:25.860 --> 00:34:34.860

SAIC Student Financial Services: I do want to give you some additional instructions, if you are applying for the Federal direct graduate plus loan for fall and spring if that's the case you do need to.

166

00:34:35.400 --> 00:34:46.650

SAIC Student Financial Services: you're going to be asked some additional questions in step, one where the credit check actually occurs one of those questions are on the loan term basically How long do you want to request the loan for.

167

00:34:47.910 --> 00:34:55.980

SAIC Student Financial Services: Most students are going to request it for the full academic year that you will be in attendance, so you want to use these dates eight.

168

00:34:59.820 --> 00:35:08.280

SAIC Student Financial Services: This way we're going to make sure this loan can apply not only to fall 2022 but the upcoming spring 2023 academic year as well.

169

00:35:09.660 --> 00:35:24.180

SAIC Student Financial Services: as well, you also need to include a loan amount, you could pull a specific dollar amount and if you'd like but in many cases, we recommend to our graduate students that you choose a checkbox is available on the application that says the maximum amount.

170

00:35:24.600 --> 00:35:27.930

SAIC Student Financial Services: Allow by the school, why would we ask you to do this.

171

00:35:28.260 --> 00:35:39.990

SAIC Student Financial Services: Because primarily if you under estimate what you need in this loan, and if you put down a specific dollar amount, and if you find that a few weeks or a few months later, that you need to request a larger amount of the loan.

172

00:35:40.230 --> 00:35:53.550

SAIC Student Financial Services: That means you're going to have to apply for a brand new loan again if you request the maximum amount of what's going to happen is we'll be able to go up and down without loan amount for about 180 days from the day that that bonus I don't.

173

00:35:54.570 --> 00:36:04.980

SAIC Student Financial Services: Have any sort of you feel that we're taking out a loan more than you need we'll just need that student volo to reach out to us directly and tell us you want to reduce the amount of your.

174

00:36:05.700 --> 00:36:19.890

SAIC Student Financial Services: federal grant grant to a plus on we'll be happy to do that for you and then makes that process just a little bit easier again once again in step one when you're applying for the loan from the US Department of Education, or when I asked him alone terms you want to make sure you're including.

175

00:36:24.570 --> 00:36:36.630

SAIC Student Financial Services: This way we're capturing both fall and spring and again we do recommend that you choose the option of the maximum amount a logo why the school that seems to be the best way we can help our students when they're applying to these loans.

176

00:36:40.170 --> 00:36:49.200

SAIC Student Financial Services: I want to remind students that sometimes students will apply for these loans is specifically the federal direct graduate plus phone sometimes you're being denied for.

177

00:36:49.440 --> 00:37:02.310

SAIC Student Financial Services: On negative credit history or lack of credit history if that does happen, you can obtain an endorser or submit an appeal to the US Department of Education, you can appeal over the phone by calling.

178

00:37:03.120 --> 00:37:16.470

SAIC Student Financial Services: The direct loan servicing office at one 805 57739 for mom and they will actually talk to a live person, so if you apply for the loan if you're denied if you actually contact.

179

00:37:16.980 --> 00:37:22.080

SAIC Student Financial Services: Direct loan servicing you actually talk to a real representative, they will take a deeper dive into your credit.

180

00:37:22.350 --> 00:37:33.720

SAIC Student Financial Services: and see if there's something that they might be able to for lack of a better word explain away in order to get you approved for the loan so again, that is an option, and then, if that doesn't work, you can always.

181

00:37:34.350 --> 00:37:41.820

SAIC Student Financial Services: Maybe obtain an endorser who's willing to drive alone with you, hopefully to allow you to be approved that will interfere initially being denied.

182

00:37:42.270 --> 00:37:50.880

SAIC Student Financial Services: Again information regarding with all of us, including the denial options are found on page seven on the financial aid award guide instructions book one.

183

00:37:55.590 --> 00:38:02.610

SAIC Student Financial Services: Next, I want to talk about the other option we have for lowes these are private educational loans, and these are available to students.

184

00:38:03.300 --> 00:38:17.070

SAIC Student Financial Services: It says parents i'm sorry it's actually available the parents only available to graduate students again, this is a lot of that is not through the US Department of Education, but this is private loans were private banker lending institution.

185

00:38:18.210 --> 00:38:24.480

SAIC Student Financial Services: Students, this is also loan that is credit approval is required, so there is a credit check component.

186

00:38:25.110 --> 00:38:35.250

SAIC Student Financial Services: If you're interested in applying specifically for these private loans and low the federal direct graduate plus loan you'll need to determine the private lender of your choice.

187

00:38:35.580 --> 00:38:41.160

SAIC Student Financial Services: Once you decide on a private lender you're going to complete the required steps as instructed by that particular lender.

188

00:38:41.460 --> 00:38:49.020

SAIC Student Financial Services: And, as I mentioned, with the plus loan, sometimes it costs owner or endorser is required if you're having a hard time securing this loan.

189

00:38:49.320 --> 00:38:55.260

SAIC Student Financial Services: work you are securing this loan, but it has very high interest rates, so that is something you might want to consider as well.

190

00:38:55.530 --> 00:39:04.950

SAIC Student Financial Services: Again, if you are considering the sloan you want to make sure you're applying now to secure the songs when we have the stones available before the August 15 payment due date.

191

00:39:05.280 --> 00:39:21.870

SAIC Student Financial Services: And again if you're applying for this long we do request to apply for a loan for full academic year they will be in attendance, again with these dates of a 2022 through five 2023 again this information installer page beat the financial aid award guide instructions booklet.

192

00:39:27.390 --> 00:39:34.770

SAIC Student Financial Services: Next, I want to talk about federal work, study, this is an order by the US Department of Education is based on the results of the.

193

00:39:37.410 --> 00:39:46.050

SAIC Student Financial Services: that are submitted by the students, not all students are eligible for federal work, study, but if you are eligible, we will be included on your financial aid award.

194

00:39:46.560 --> 00:39:56.010

SAIC Student Financial Services: Again saic cannot ensure employment, but if you're interested in applying for those jobs, you definitely can do that for handshake which we'll talk about in just a few moments.

195

00:39:56.310 --> 00:40:06.450

SAIC Student Financial Services: I do want to remind you that ta positions for graduate students do not fall on our federal work, study and you're actually paid by saic like you're one of our employees.

196

00:40:06.720 --> 00:40:14.850

SAIC Student Financial Services: So if a student doesn't believe they're going to be participating in federal work, study or if you're going to security, a position in the fall.

197

00:40:15.150 --> 00:40:20.790

SAIC Student Financial Services: Students can decline their federal work, study in order to increase their eligibility to take out a larger.

198

00:40:21.330 --> 00:40:31.200

SAIC Student Financial Services: Plus on private loan if that's the case we just asked students to email us directly from your saic email account to si si si si.

199

00:40:31.530 --> 00:40:42.570

SAIC Student Financial Services: si si saic.edu and instructors that are declining your federal work, study for 2022 23 what we'll do, then, is we remove that from your account, and it will increase your eligibility.

200

SAIC Student Financial Services: hi folks we had a question came in I just thought i'd share with everyone.

255

00:52:17.160 --> 00:52:27.570

SAIC Student Financial Services: Students are checking their transact account, and I just want to make sure you understand that you can request a statement of account from your from your self service.

256

00:52:27.870 --> 00:52:35.490

SAIC Student Financial Services: On the way you do that, as you go to your self service, and you can request a statement of account underneath financial account.

257

00:52:35.820 --> 00:52:40.830

SAIC Student Financial Services: It kind of looks like a bank, so if you're looking at you have your self service, and you have the tiles in front of you.

258

00:52:41.100 --> 00:52:47.490

SAIC Student Financial Services: you're going to see a title that kind of looks like a bank be click on that you're going to see a request and says request statement of account.

259

00:52:47.820 --> 00:52:55.410

SAIC Student Financial Services: If you click that request statement of account may PDF will be emailed to your saic gmail account within about 20 seconds.

260

00:52:55.770 --> 00:53:02.820

SAIC Student Financial Services: That statement of account is a lot easier to read for some students than trying to maybe pick things up from your friends account.

261

00:53:03.180 --> 00:53:12.930

SAIC Student Financial Services: On your statement of account, you will go ahead and show you all of your charges that you're currently being charged as of that moment, and also reflect any financial aid, you have as well.

262

00:53:13.560 --> 00:53:29.730

SAIC Student Financial Services: So that is a good idea if you haven't done that already again, you can muster Stephen on account on self service and then of course we're going to have formal statements and invoices printing within about the next 48 hours have been let's see that directly on your transaction.

263

00:53:30.900 --> 00:53:32.700

SAIC Student Financial Services: And again if you're on.

264

00:53:34.500 --> 00:53:45.750

SAIC Student Financial Services: If you want to wave your health insurance, you need to make sure you do that soon as possible you're getting some information directly from the Health Insurance Office and so make sure you take a look for that.

265

00:53:46.860 --> 00:53:47.310

SAIC Student Financial Services: Thanks.

266

00:54:12.150 --> 00:54:17.610

SAIC Student Financial Services: We had a question from international student about how to transfer funds directly to saic.

267

00:54:18.300 --> 00:54:22.080

SAIC Student Financial Services: Students, I want to remind you, you did receive an email from us.

268

00:54:22.500 --> 00:54:30.930

SAIC Student Financial Services: That does give you some information regarding how to submit those payments directly to saic through a wire transfer process that's also available on our website.

269

00:54:31.230 --> 00:54:40.740

SAIC Student Financial Services: i'm going to ask you to reference that email and make sure you follow the instructions, it will show you all your options in order to make your payments.

270

00:54:42.060 --> 00:54:49.890

SAIC Student Financial Services: directly through a wire transfer and it's going to show all of your options that we have available for you, so please make sure your reference that particular email.

271

00:55:03.750 --> 00:55:10.230

SAIC Student Financial Services: I just brought the sign, once again I want to remind you that students were emailed a payment nine with the subject line.

272

00:55:12.270 --> 00:55:18.570

SAIC Student Financial Services: Payment and checklist it was sent directly to your saic email account and will provide you with information.

273

00:55:19.170 --> 00:55:28.080

SAIC Student Financial Services: Regarding payment guy for domestic students, as well as a payment guide specifically for international students, what does go over all of your wire transfer options.

274

00:55:28.350 --> 00:55:40.470

SAIC Student Financial Services: So please make sure your reference that again, you can scale the code on the lower right hand corner of the screen that's in front of us right now, it will take you directly to that website so you can review that information, hopefully that's.

275

00:57:04.410 --> 00:57:12.690

SAIC Student Financial Services: folks we're going to conclude our webinar and approximately five minutes from now, so if you have any last minute questions, please make sure you include those in the Q amp a box, thank you.

276

00:57:30.390 --> 00:57:42.510

SAIC Student Financial Services: Particular message from a student mentioning that they don't think they received a copy of the payment nine to their saic email account that still might be forthcoming for a particular student, but, as I mentioned, if you need access to it.

277

00:57:42.810 --> 00:57:51.750

SAIC Student Financial Services: it's available right now for you, you can see it on our website, right now, you can scan the qr code that's on the screen in front of us right now.

278

00:57:52.320 --> 00:58:01.110

SAIC Student Financial Services: it's in the lower right hand corner the scanner will take you directly to our website where all the information that we would have had or sent to you in the email will be available.

279

00:58:01.500 --> 00:58:07.110

SAIC Student Financial Services: right there on our website, so please make sure your reference that again all of it is available right there for you.

280

00:59:10.800 --> 00:59:16.350

SAIC Student Financial Services: folks we got about two more minutes if you have any last minute questions, make sure you post those in the Q amp a box and screener promise.

281

01:01:43.020 --> 01:01:51.600

SAIC Student Financial Services: folks we have an interesting question from someone regarding federal work, study, if a student has filled out a fafsa the free application for federal student aid.

282

01:01:51.870 --> 01:02:03.060

SAIC Student Financial Services: And if you are eligible for federal work, study, again, it would be included in your financial aid award itself in those cases again if you secure a job at saic.

283

01:02:03.930 --> 01:02:14.700

SAIC Student Financial Services: And if it is a ta position that work starting when he will not be used to pay for that particular positional paid from saic like you're one of our employees.

284

01:02:15.960 --> 01:02:22.830

SAIC Student Financial Services: And if you also believe that you're not going to secure a job at saic you can decline the work, study either way.

285

01:02:23.190 --> 01:02:29.520

SAIC Student Financial Services: That just means you can take the eligibility that might possibly not be used in any other way, and we would.

286

01:02:30.000 --> 01:02:39.180

SAIC Student Financial Services: Go ahead and cancel that, and this would allow you to be able to apply for a larger plus loan or private loan, depending on what your needs are.

287

01:02:39.540 --> 01:02:48.870

SAIC Student Financial Services: Again, but that's only if a student has been awarded federal work, study and if they believe they're not going to be using that federal work, study for one of two reasons, one.

288

01:02:49.140 --> 01:02:59.610

SAIC Student Financial Services: The job that they're going to secure, for example, like a ta position won't actually use a network study or if you're not going to be working at all on campus student employment.

289

01:03:00.750 --> 01:03:07.890

SAIC Student Financial Services: Again, some some helpful information, I hope that helps if you have some specific questions, though, about your particular situation.

290

01:03:08.130 --> 01:03:18.090

SAIC Student Financial Services: Again don't hesitate reach out to us will be happy to help you specifically you can always send us an email to saic God SF s@saic.edu.

291

01:03:18.480 --> 01:03:20.760

SAIC Student Financial Services: Or you could schedule a virtual appointment with us.

292

01:03:21.180 --> 01:03:28.500

SAIC Student Financial Services: A phone appointment or in person appointment using navigate again that's a tool that students are going to be asked to download to your device.

293

01:03:28.800 --> 01:03:40.290

SAIC Student Financial Services: where you can request a virtual appointment with our office, the office of student financial services, along with several other offices on campus again that's called navigate that'll be a great tool for you, when you arrive on campus.

294

01:03:53.610 --> 01:04:00.090

SAIC Student Financial Services: And again if you're interested in applying for any type of job you're going to go ahead and look on a handshake or a job board right now.

295

01:04:00.510 --> 01:04:14.280

SAIC Student Financial Services: I usually recommend the students started looking about once a week as jobs do come and go, as they do with any job board, but if you find the job that you're interested in, you can apply for that job directly on handshake and again that officer reach out to you directly.

296

01:07:09.720 --> 01:07:16.560

SAIC Student Financial Services: folks at this time we are concluding our webinar for this evening, we want to thank you for taking the time we hope you found this helpful.

297

01:07:16.890 --> 01:07:35.280
