An Important Message

Welcome to the Student Financial Services Office at SAIC!

Our staff is dedicated to partnering with students and their families in financing an education at SAIC and obtaining scholarships, grants, loans, and student employment eligibility to ensure you are offered the best possible financial aid package you are eligible to receive.

After reading your entire financial aid award packet, you should next schedule a 30 minute virtual or telephone appointment to review your award offer and confirm your next steps to securing your financial aid including any loan steps you may need to do. Parents and others are greatly encouraged to attend! Schedule your appointment online at saic.edu/sfs.

A payment guide will be sent during the summer and is currently available on our website. Our SFS advisors are happy to assist you throughout the financial aid and payment processes. Please feel free to contact our office by email at saic.sfs@saic.edu or call us at 312.629.6600 with any questions or assistance you may need. Appointments are not necessary but welcome!

Welcome to the Student Financial Services Office at SAIC!

While appointments are not necessary, please feel free to schedule one with us at saic.edu/sfs

Next Step:

Schedule Your Financial Aid Review Appointment at saic.edu/sfs.
Students should re-apply every year as soon as possible after Oct 1 for the upcoming academic year using the FAFSA to receive maximum consideration for available funds. You will receive a confirmation from the federal government once your FAFSA application has been processed. Review the information and make corrections online. Use the IRS Data Retrieval Tool when you fill out your FAFSA to easily and quickly transfer your federal income tax information. SAIC uses the EFC (estimated family contribution) each year as listed on the processed FAFSA known as the SAR (Student Aid Report) to determine federal, state and institutional aid eligibility.

**Verification**

The federal government chooses some FAFSA applications for a process called verification. Through verification, certain data elements listed on the processed FAFSA must be verified by the Student Financial Services office before your financial aid can be disbursed to your student account at SAIC. Students are notified on their processed FAFSA, in their financial aid award packet and in Self-Service if they have been selected for verification and what documents or actions are needed.

**Verification of Federal Income Tax Information:** In order to verify your federal income tax data, students and/or parents (if applicable) must choose the IRS Data Retrieval Tool in the online FAFSA at studentaid.gov. In order to make the IRS Data Retrieval Tool available in the FAFSA, the tax return filed question must first be marked as “Already Filed/Completed.” If the tax filer is not eligible to use the IRS Data Retrieval option or is unable to successfully use this option, they must then submit an official 2020 IRS tax transcript to Student Financial Services. Tax filers may obtain a PDF copy of their transcript in real-time at IRS.gov or they can order one by calling 1.800.908.9946. Students or parents who were required to file federal income tax returns but did not, according to IRS guidelines are not eligible to receive federal or state aid.

**Verification of Other Information:** Students chosen for verification must submit specified documents. Students and/or parents (if applicable) may need to complete a Verification Worksheet supplied by the Student Financial Services office or, in some cases, simply certify (sign) informational statements. The specific requirements for the student are listed in Self-Service in the Tasks section and are also sent by email and mail to the student with their award offer or under separate cover.

Financial aid (including loans and Federal Work-Study payments) may not be disbursed until this process has been completed. Students who secure Federal Work-Study positions must complete verification before submitting a work authorization.

**Verification Deadlines:** Students should complete the verification process, if selected, by the SAIC priority date of June 1, 2022 for fall and January 1, 2023 for spring. For purposes of the Federal Pell Grant, verification must be completed by September 1, 2023, or 120 days after the last day of the student’s enrollment, whichever is earlier. For purposes of FSEOG and the Federal Direct Stafford and PLUS loan programs, verification must be completed before the last day of attendance; for all other types of aid, verification must be completed before June 30, 2023. Students who miss the required deadlines risk losing their eligibility for funds.

**Submitting Required Documents to SFS - MappingXpress**

See this website for information on safely and securely uploading your scanned or electronic documents using our preferred method, MappingXpress, or submit using other options.

Please do not submit sensitive documents by email, such as social security numbers, birthdates or other personally identifiable information.
GRANTS (NEED-BASED) AND SCHOLARSHIPS (MERIT-BASED)

Gift Aid that does not have to be repaid

saic.edu/sfs

DUE TO FUNDING CONSTRAINTS, REDUCTIONS TO FEDERAL AND STATE FUNDING MAY OCCUR. SAIC CANNOT PROVIDE ADDITIONAL FUNDING IF THIS SHOULD HAPPEN.

FEDERAL PELL GRANT
The Federal Pell Grant is a need-based program for undergraduate students who have not earned a bachelor’s degree or higher. The Federal Pell Grant award amount is determined by the number of credits for which the student is enrolled and their Estimated Family Contribution (EFC), as calculated by the federal government per the FAFSA. You can receive the Federal Pell Grant for no more than 12 full-time semesters or the equivalent.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)
Also a need-based program for undergraduate students who have not earned a bachelor’s degree or higher. The FSEOG is awarded to dependent or independent students who may be enrolled full time or part time. The FSEOG is awarded to the highest need students at SAIC and approved by the Illinois General Assembly and the Governor, and reductions to estimated or actual MAP Grants are possible.

There are also limitations to how long you can continue to receive a MAP Grant. Usage is tracked by the number of credit hours for which you’ve received MAP benefits and is referred to as MAP Paid Credit Hours (MPCH). The maximum number of MPCHs that can be received is 135, which is equivalent to approximately four and a half years of full-time enrollment. For your reference, and to learn more about MPCH limitations, you may access a record of your MPCHs through the ISAC Student Portal at studentportal.isac.org/MPCH.

Eligibility for the need-based MAP Grant award may be an indicator that you are eligible for state or federal benefits to assist you with cost of living expenses such as food or housing. For information about programs such as the Supplemental Nutrition Assistance Program (SNAP), contact the Illinois Department of Human Services at 1-800-843-6154 or visit www.dhs.state.il.us for eligibility and application information, or contact the Illinois Hunger Coalition Hunger Hotline at 1-800-359-2163 or visit www.ihunger.org. Eligibility for the need-based MAP Grant award may be an indicator that you are eligible for state or federal benefits to assist you with cost of living expenses such as food or housing. SAIC MERIT SCHOLARSHIPS
SAIC Merit scholarships are awarded based on the admission process. Inquiries about the merit process should be directed to the Admissions office at 312.629.6100 or admissions@saic.edu. Merit requirements and terms are located at saic.edu/merit and are included with merit scholarship award offers.

SAIC AND DONOR NEED-BASED GRANTS
Need-based SAIC and Donor grants are awarded to students who demonstrate need through their FAFSA application. Grants are awarded to students who meet the SAIC awarding requirements and donor-established criteria.

OUTSIDE SCHOLARSHIPS
saic.edu/outsidescolorships

SAIC provides helpful information about outside scholarships and search engines at the website above, including a list of outside scholarships. Information is also listed regularly on the Student Financial Services Facebook and Twitter pages at facebook.com/SAICschs and twitter.com/SAIC_SFS.

Students should inform the organization sending the funds to SAIC that their name and student ID number should appear on all correspondence related to the scholarship, grant, or award. SAIC is required by law to consider these awards as a part of the student’s financial aid package (529 plans are not included).

THIRD-PARTY ASSISTANCE
Students receiving assistance in paying their tuition and fees must notify the Student Financial Services office prior to the start of each semester. Examples of third-party assistance include college savings plans, veteran’s benefits, rehabilitation programs, or employee assistance programs. A student’s initial award package may have to be adjusted according to federal, state, and institutional awarding policies to accommodate this assistance.

Please be sure to send this information/payment to the Student Financial Services office and NOT to the Bursar’s Office, as this will delay processing of these funds.

Note: The total of all gift aid (scholarships, grants, etc.) cannot exceed the amount of tuition each semester at SAIC with the exception of the Federal Pell Grant.

VETERAN’S BENEFITS
saic.edu/sfs

A student who is a veteran of the U.S. military service, or an eligible dependent, may be eligible to receive Veteran Affairs Educational Benefits through a variety of programs including Post 9/11 (Chapter 33), Vocational Rehabilitation, and Yellow Ribbon. The SAIC Registrar is the Certifying Official for SAIC.

All students who are receiving a VA Benefit from any program of the VA education benefit programs should notify the SAIC Registrar and the Student Financial Services VA representative to discuss the process.

529/QUALIFIED EDUCATION PLANS
saic.edu/529

A 529 Plan is an education savings plan operated by a state or educational institution designed to help families set aside funds for future college costs. Students should complete the paperwork required to receive funds from their provider four weeks before the payment due date each semester. Students should start the request process July 15 for fall and December 15 for spring. Visit the above website for more information.
STUDENT LOANS
Self-help aid that needs to be repaid
saic.edu/loans

DUE TO FEDERAL AND STATE LEGISLATION, LOAN TERMS AND CONDITIONS ARE SUBJECT TO CHANGE.

SAIC participates in the Direct Lending program for Federal Stafford and Federal Direct PLUS Loans. Half-time (6 credit hours for undergraduates) enrollment status is required.

FEDERAL DIRECT STAFFORD LOANS
The Federal Direct Subsidized Stafford loan is awarded based on need while the Federal Direct Unsubsidized is not. Both are awarded by academic level per federal regulations and the amounts are listed in the chart below. Annual limits for Federal Direct Stafford Loans are determined by academic level and student need. You can receive the Federal Direct Subsidized Stafford Loan for no more than 12 full-time semesters or the equivalent.

Interest rates on federal student loans are set by Congress and adjust annually on July 1 each year.

Interest rates are fixed. The 2022–23 rate was not available at the time this publication went to print. For the period of July 1, 2021 to June 30, 2022, the Federal Direct Subsidized and Unsubsidized Stafford Loan rate is 3.73%. For all loans, an origination fee of approximately 1% is deducted by the federal government before disbursement. Subsidized Stafford Loans begin accruing interest upon disbursement and must be paid quarterly, though this amount can be added to the principal of the loan. For both types of loans, repayment begins six months after the student drops below half-time enrollment or graduates. Additional information including 2021–22 interest rates (when they become available) can be found at StudentAid.gov.

FEDERAL DIRECT STAFFORD LOAN EXIT COUNSELING REQUIREMENTS
saic.edu/loancounseling

Per federal regulations, students who have borrowed Federal Stafford loans must complete an online Federal Direct Exit Counseling Session when they withdraw, cease to attend on at least a half-time basis or graduate/complete their program of study. This should be completed at StudentAid.gov. Completing the required online Federal Direct Loan Exit Counseling does not put a student into repayment.

**If a parent is denied a Federal Direct PLUS Loan, SAIC can award an additional Federal Direct Unsubsidized loan. For freshmen and sophomore students, this eligibility is $4,000 and for junior and senior students it is $5,000. See page 7 for more information on Federal Direct PLUS Loans.

Please note: All students have a total or aggregate limit for borrowing Federal Direct Stafford Loans over the course of their entire education.

FEDERAL DIRECT PLUS LOAN
The Federal Direct PLUS Loan is available for parents (biological, adoptive, or step-parent) of dependent undergraduates who have no adverse credit history. Borrowers are eligible to receive up to the cost of attendance, less any other financial aid.

For the period of July 1, 2021 to June 30, 2022, the Federal Direct PLUS Loan must be repaid and have a fixed interest rate that is determined each award year beginning July 1. The 2022–23 rate was not available at the time this publication went to print; however, the 2021–22 interest rate was set at 6.28%.

Borrowers may borrow up to the student’s estimated cost of attendance minus any other aid. Repayment begins 60 days after the loan is disbursed. An origination fee of approximately 4% is deducted by the federal government before disbursement.

Once a Federal Direct PLUS Loan Request is completed at StudentLoans.gov, a credit check will be run and, in most cases, provide you with an immediate credit decision.

PLUS DENIAL OPTIONS
If you have adverse credit history and have been denied a PLUS Loan, you may still receive a Federal Direct PLUS Loan by obtaining an endorser who does not have adverse credit history or documenting circumstances relating to your adverse credit history.

Parent borrowers who have been denied and are later approved through these options are required to complete a Federal Direct PLUS Counseling session online at StudentAid.gov. If you are a parent borrower, the endorser cannot be the child on whose behalf you are borrowing.

Borrowers who choose to appeal the credit decision are encouraged to call the Direct Loan Support Center at 800-557-7394 as simple credit issues may be able to be resolved immediately by telephone.

PARENT PLUS DENIALS — ADDITIONAL FEDERAL DIRECT STAFFORD ELIGIBILITY
If a parent is denied a PLUS Loan due to adverse credit history, SAIC will automatically award the dependent student an additional Federal Direct Unsubsidized Stafford Loan of $4,000 for freshmen and sophomores and $5,000 for juniors and seniors according to federal regulations.

ADDITIONAL LOANS
saic.edu/loans

PRIVATE (OR ALTERNATIVE) EDUCATION LOANS
Private education loans are offered by private lenders and are available to students to assist with their educational and living expenses after federal loans have been exhausted. These loans are credit-based and should only be used as a final funding option. Most students need a creditworthy co-signer. The creditworthiness of the co-signer may affect the interest rate of the loan.

SEARCHING FOR A PRIVATE LENDER
Students can research lenders for their best possible private loan options by contacting them or searching the Internet. Students may find the website finaid.org helpful in understanding the loan process. This website is informational only and is not endorsed by SAIC.

LOAN REPAYMENT
saic.edu/studentloanrepayment

Loan repayment is an important part of a student’s life after graduation. There are a variety of different loan repayment programs to fit your circumstances as well as loan deferment and loan forgiveness options. You will want to familiarize yourself with this information at SAIC’s loan repayment website above. Also, be sure to utilize the free student loan information at our financial literacy and loan management partner, Inceptia at FinancialAvenue.org and MoneyKnows.org if you have any questions before or during repayment.
FEDERAL DIRECT STAFFORD LOAN

1. Complete an Entrance Loan Counseling session at StudentAid.gov - One-Time Only Required
2. Complete Federal Direct Stafford Master Promissory Note at StudentAid.gov - One-Time Only Required
3. Complete the “Annual Student Loan Acknowledgment” requirement at StudentAid.gov. This must be redone every year before disbursement.

Declining Or Decreasing Your Federal Direct Stafford Loan: If you choose not to accept/use or to decrease the Federal Direct Stafford loan(s) that have been offered on your award letter, email us as soon as possible at saic.sfs@saic.edu from your SAIC email to officially cancel or decrease your loan.

FEDERAL DIRECT PLUS LOAN

CREDIT APPROVAL REQUIRED
1. Determine a Private Lender of your choice
2. Complete required steps as instructed by your lender. A co-signer is required in most cases.

SAIC recommends that all applicants complete the loan process to determine their eligibility to borrow through the Federal Direct Loan program no later than the dates listed below.

2. If credit is approved, complete an online Federal Direct PLUS Loan Master Promissory Note at StudentAid.gov
3. Complete the “Annual Student Loan Acknowledgment” requirement at StudentAid.gov. This must be redone every year before disbursement.

NOTIFICATION OF DISBURSEMENT

saic.edu/disbursements

For those students who have completed eligibility requirements and loan steps as noted in this section, Federal Direct Stafford, Plus, and Private loans begin disbursing approximately 10 calendar days before each semester begins. Grants and scholarships begin disbursing approximately one week after all add-drop sessions of each semester are complete and attendance is confirmed. A detailed disbursement calendar is available at the website above.

STUDENT EMPLOYMENT

Self-help earnings paid directly to students. Jobs are not guaranteed.
saic.edu/capx

THE CAREER AND PROFESSIONAL EXPERIENCE (CAPX) OFFICE ASSISTS STUDENTS IN THEIR SEARCH FOR EMPLOYMENT.

CAPX lists available on-campus student employment jobs on an online database called Handshake, which can be accessed at the website above. CAPX may be reached by phone at 312-499-4130 or email at careers@saic.edu and is located at 116 S. Michigan Ave., suite 1400.

Jobs are competitive and filled based on the needs of each department. Students must complete all necessary payroll documents by the third day of employment in an on-campus department in order to meet federal employment regulations. Students are paid bi-weekly and earn at least federal minimum wage. Additional information and documents are available at saic.edu/studentpayroll.

FEDERAL WORK-STUDY PROGRAM (FWS)

The Federal Work-Study program provides students the opportunity to earn money for their education. Undergraduate students may work part-time (typically students should work no more than 15-20 hours per week). The amount of the award is dependent on the student’s need according to the FAFSA and available funding through SAIC. FWS eligibility is reflected on a student’s award offer. An Earning Eligibility Report can be requested by a student in Self-Service. Students are responsible for securing employment and can use the services available in CAPX to assist them in their search for FWS positions. SAIC gives preference to FWS students by requiring eligibility for students to work most jobs during the fall and spring semesters. FWS is not required for summer or winter terms for any student or for international students throughout the entire year.

SAIC INSTITUTIONAL EMPLOYMENT

The SAIC Institutional Employment program is available to international students, students participating in the SAIC Internship Program, and students hired to fill a limited number of highly specialized positions. Much like the FWS program, students work to earn money for their education. Undergraduate students employed through the institutional employment program work part-time (typically, no more than 20 hours per week is advised).

Note: Student employees at SAIC are required to be located within the United States during dates of employment.
FINANCIAL WELLNESS

Inceptia is a free resource that makes it simple for you to take control of your finances and manage your student loans.

- Get free personalized guidance related to your student loans, including tracking and repayment options at MoneyKnowl.org
- Gain financial literacy know-how that empowers you to be money smart at FinancialAvenue.org using Access Code: SAICGO

Enroll in Inceptia, SAIC’s Financial Literacy/Loan tool by August 15, 2022 for fall and/or January 15, 2023 for spring.

TIPS FOR PARENTS

We suggest that your student set up email forwarding from their SAIC email account to yours for all emails from saic.sfs@saic.edu. They can do this in their Gmail account in Settings > Filters. Upon doing this, both you and the student will receive all email outreach regarding financial aid, payments, student account status and relevant deadline reminders. Outreach emails are sent only to the student’s SAIC email as they are the legal holder of their student account.

Students should submit a FERPA form by August 1 for fall and/or January 1 for spring to allow SFS to discuss their financial aid and student account information with parents/others. More information at saic.edu/ferpa.

RE-EVALUATING YOUR FINANCIAL AID

saic.edu/reevaluateyouraid

If your family’s finances change after filing the FAFSA and receiving a 2021-22 award offer, you should contact Student Financial Services to discuss how your aid package may be affected. Examples of adjustment we may be able to make to your FAFSA include loss of employment, loss of untaxed income, separation, divorce, death, or if you feel there was important information about your situation that you were unable to provide on the FAFSA. Please contact a Student Financial Services Advisor to discuss your next steps.

USING SELF-SERVICE

saic.edu/selfservice

Step 1. Sign into Self-Service at saic.edu/selfservice
Step 2. Click on Student Homepage in the top center of the page.* Then go to:
Step 3. Financial Account to request your Statement of Account (after July 7, to view Fall 2022 tuition and fee charges and account activity, access Transact, and request a refund advance).
Step 4. Financial Aid to see your financial aid award, your need summary and estimated cost of attendance
Step 5. Other Services to request a Financial Aid Advance and approve Work Authorization Contracts for those students who have been offered an on-campus job or a paid internship after the interview process.

* If you need assistance logging into Self-Service, go to password.artic.edu or contact the CRIT department by telephone at 312.345.3535 or email at crithelpdesk@saic.edu

** For family members who do not have access to Self-Service, but need access to Transact, students can set up a Payer account in Transact to allow them to make payments, view eBills/Statements, balance due and 1098-T statements, and enroll in payment plans and Auto-Pay.

Step 6. Re-evaluating Your Financial Aid

STUDENTS MUST MEET SATISFACTORY PROGRESS REQUIREMENTS AS DEFINED BY FEDERAL REGULATIONS.

STUDENTS CAN LEARN ABOUT THE SAIC FASAP POLICY AT SAIC.EDU/FASAP. THE INFORMATION LISTED THERE WILL HELP STUDENTS LEARN HOW TO MAINTAIN THEIR FINANCIAL AID ELIGIBILITY ACCORDING TO THE SAIC FASAP POLICY.

FASAP looks at two factors: whether the student is in good standing and the student’s pace of completion. FASAP will be measured three times a year, after the completion of the Fall, Spring and Summer semesters.

- Undergraduate students must complete 2/3 of all attempted credits, cumulatively.
- The FASAP Policy is separate from the Academic Satisfactory Progress Policy and the Merit Scholarship Satisfactory Progress Policy available in the SAIC Bulletin and on the SAIC website. Merit requirements are specifically outlined in your Merit Award Guidelines sent with your initial award and at saic.edu/merit.

Your initial award package is calculated based on the standard number of credit hours required for your degree or certificate program. This is reflected on your award letter and in the Anticipated Aid section of bills and Statements of Account.

- You should submit an Early Aid Adjustment form, available at the website above, as soon as possible, if your actual enrolled credit hours will be different than the original 15 credit hours per semester as listed on your award letter and in Self-Service.
- After the add/drop period, financial aid packages are adjusted based upon actual enrollment for the semester for those students who did not submit an Early Aid Adjustment form.
- Financial aid will be disbursed to your account once aid has been adjusted, if necessary, and your financial aid file is complete.

Refunds are automatically processed when a credit balance is on your student account unless sourced by a cash type payment. Before a refund can be processed, the add/drop period must be complete, financial aid adjustments must be done and attendance has been reported by your professors.

- If you anticipate having a credit balance during the first few weeks of the semester, you are eligible to receive 50% of your anticipated balance up to $2,000. You may request an advance through Self-Service, or at the website above, up to 2 weeks before each semester.
- If you have a refund or an advance in process, you will be notified through your SAIC email address.
- To receive an advance or refund which will be deposited to your bank account, you must enroll in Direct Deposit Refund through Self-Service by clicking on the Transact link. Transact is SAIC’s online payment and refund system.

Complete this worksheet to determine your estimated cost of education at SAIC and to ensure that you have secured the resources you need so that payment-in-full or payment arrangements are made by August 15 for fall and January 15 for spring. An electronic copy is available online at saic.edu/fyc.
