GlenStar, Building Lobby, 55 East Monroe, Chicago, IL

Description:

GlenStar is seeking student artwork for their lobby. If you are interested in this opportunity, student will need to provide:

- a mockup of the work relative to the space
- dimensions and installation requirements
- how long are you willing to display the piece(s)
- approximate value of the work and when it would be available

Dimensions of Wabash Lobby

- 45 feet, width
- 26 feet, height
- 35 feet, depth

Type of Artwork

- Need to be freestanding or displayed on a pedestal
- No preference on medium
- Content suited for a general audience
- Will consider hanging art on case-by-case basis
- Must be able to fit through main doors or freight elevator

Duration of Display

- Dependent on size of art, tenant feedback, and the artist

- Preference large pieces (6ft height) to be displayed for an extended amount of time

Insurance/Protection

- While in our building, we will make every effort to ensure the piece does not get damaged
- We will cover cost to repair damage up to the stated value as referenced above
- Stanchions can be placed to protect the work
- 24/7 security

Transportation/Installation

- We will cover cost of moving the work and necessary equipment for installation
- Install must be after 6PM or on weekends
- We will cover cost for removal
