

## **APPLICATIONS FOR ADJUNCT PAID LEAVES DURING ACADEMIC YEAR 2022-23 DUE MONDAY, OCTOBER 11, 2021**

---

Part-time faculty with the rank of Associate Professor, Adjunct or Professor, Adjunct, are eligible to apply for a paid one-semester leave-of-absence. Compensation during a paid leave is modeled on sabbaticals for full-time faculty, and is equal to the recipient's current salary for the average number of degree courses taught each semester, as well as any non-teaching assignments, calculated over the past six years, not including the year in which the recipient applies. Paid leaves are available during the fall or spring semester (not summer or winter interim sessions)\*. Faculty who are awarded a paid leave must agree to return for at least one year of service following the leave and are encouraged to share their sabbatical experience in an on-campus exhibition or lecture upon their return.

**\*For faculty whose primary department is the Low Residency MFA Program**, summer courses will be calculated into the recipient's salary while on leave. In addition, paid leaves are available during the fall, spring, or summer semesters for Associate or Full Professors, Adjunct, whose primary department is the Low Residency MFA Program.
