54

00:07:49.080 --> 00:07:56.190

SAIC Admissions: Few helpful resources to help you with this process US Department of Education has helpful videos are available on YouTube.

55

00:07:56.520 --> 00:08:04.800

SAIC Admissions: Or what I love about these videos is they're quick and they're really thorough, so I do recommend that you take a look at these videos on the YouTube page.

56

00:08:05.550 --> 00:08:10.410

SAIC Admissions: It's right here@youtube.com forward slash Federal Student Aid where they have

57

00:08:11.100 --> 00:08:19.440

SAIC Admissions: Compiling of all of the videos that are available for students and parents give you through the Department of Education. They include video, such as

58

00:08:19.980 --> 00:08:26.730

SAIC Admissions: Fast overview, how to fill out your FASFA the tax reform and FSA ID tips for for parents.

59

00:08:27.450 --> 00:08:38.190

SAIC Admissions: Fast we're determining your dependency eligibility understanding your financial aid process and after the fast. What happens

next. These are all really really helpful videos. So if you're, if you like.

60

00:08:38.700 --> 00:08:45.420

SAIC Admissions: To actually watch videos to learn things and to give it give instructions this a great resource for you. So I hope you do take advantage of it.

61

00:08:49.260 --> 00:09:00.540

SAIC Admissions: Next, let's talk about the 2019 tax information that needs to be reported on the FAFSA, one of the things that will be required by the student and the parent is that if you file federal income taxes in

62

00:09:02.400 --> 00:09:15.060

SAIC Admissions: That you should be using a tool that's available on the fastest called the IRS Data Retrieval Tool. Once again, you must use this Dr. T. If you or your parents file federal income tax in 2019

63

00:09:15.990 --> 00:09:24.450

SAIC Admissions: In order to use the Dr. T. The data retrieval tool, you'll need to provide the name. Your name and the information exactly as you provided on your

64

00:09:25.380 --> 00:09:33.300

SAIC Admissions: Tax Return, especially your mailing address. That's one of the conditions that they're using to check for security is to make sure you Are you who you are.

65

00:09:33.570 --> 00:09:39.000

SAIC Admissions: And one of the ways they're doing that is looking at the dress that you used under 2019 tax returns

66

00:09:39.240 --> 00:09:49.620

SAIC Admissions: So please make sure that when you enter the address when you're asked to the address when you're submitting your IRS Data Retrieval Tool that you type in the address exactly as it appears on new 2019 tax returns

67

00:09:51.360 --> 00:10:08.640

SAIC Admissions: Once you import your information from the IRS to your fast, but using the IRS. Dr. T. The data retrieval tool do not change the information that's been transferred from the IRS that will make it Nolan Boyd. Please make sure the information stays exactly as it was imported from the IRS.

68

00:10:09.960 --> 00:10:22.320

SAIC Admissions: If you or your parents did not file for 2017 tax returns, or if you're an eligible use the Dr. T. When I meet or an eligible sometimes students or parents or an eligible if they have a security breach with the IRS.

69

00:10:22.680 --> 00:10:34.980

SAIC Admissions: It doesn't happen very often. But there are some occasions when that does happen. If you're not able to use the Dr. T, then you must enter your income information from 2019 manually and just be as accurate as you possibly can.

70

00:10:35.400 --> 00:10:39.810

SAIC Admissions: But once again, I cannot stress this enough that the Department of Education.

71

00:10:40.290 --> 00:10:56.280

SAIC Admissions: Really require students and families that if you file federal income taxes 2018 you should be using the IRS Data Retrieval Tool to populate your income information on your fastball that will make it easier, faster, more secure and also make it more accurate.

72

00:10:58.260 --> 00:10:59.580

SAIC Admissions: So what happens next.

73

00:11:02.040 --> 00:11:06.720

SAIC Admissions: Your faster information is shared with the college's you list on the application after it's been submitted.

74

00:11:08.490 --> 00:11:13.170

SAIC Admissions: Schools using this information to figure out how much aid, you should receive at that particular school

75

00:11:14.580 --> 00:11:28.650

SAIC Admissions: Other schools might also ask you to submit some additional forms to fill out for financial aid at SAIC, the only form that's required is the fastest form for domestic students. So again, that is the only formed will be asking for

76

00:11:30.930 --> 00:11:40.260

SAIC Admissions: Students can check to see if your fast perform has been processed. You can check this as your FAFSA form immediately after submitting it by going online to student aid.gov

77

00:11:41.490 --> 00:11:47.100

SAIC Admissions: Students will also receive an email from federal student aid within three days after the fastest submitted.

78

00:11:47.670 --> 00:12:02.100

SAIC Admissions: You should read that email and share with your parents have appropriate that is something known as your student aid report very, very important. So students. Please make sure you're monitoring your email and make sure you're sharing that email with your parents when you receive it.

79

00:12:04.800 --> 00:12:10.740

SAIC Admissions: Thanks. Let's talk a little bit about federal verification. Or what happens if a student is chosen for federal verification

80

00:12:11.220 --> 00:12:13.410

SAIC Admissions: Federal verifications kind of like being chosen

81

00:12:13.860 --> 00:12:20.910

SAIC Admissions: Or being audited by the Department of Education. And one of the ways you can lower your chances for being chosen for federal verification

82

00:12:21.180 --> 00:12:29.760

SAIC Admissions: Is to use that Dr. T. We just talked about the data retrieval tool. The Department of Education has more confidence of the information that you're putting on the fast that is accurate.

83

00:12:30.060 --> 00:12:44.730

SAIC Admissions: If they know that the information is coming directly from the 2019 tax returns and being populated by the IRS on your faster. So that is one sure way to make sure that that does lessen your chances are being chosen for federal verification

84

00:12:46.710 --> 00:12:57.000

SAIC Admissions: If you're fast that is chosen by federal verification please know that the verification process your school will be asked to confirm that all the data report on the fast that is accurate.

85

00:12:57.480 --> 00:13:02.940

SAIC Admissions: If you are selected verification or school request additional documentation that supports the information to report it.

86

00:13:03.570 --> 00:13:08.880

SAIC Admissions: Now, if you're applying to more than one school. Let's say you're applying to SAIC and maybe two other schools.

87

00:13:09.330 --> 00:13:15.330

SAIC Admissions: The two other schools will also ask you for that information as well because when you're chosen from federal verification

88

00:13:15.660 --> 00:13:19.560

SAIC Admissions: All of the schools that you're applying to will be asking for that specific information.

89

00:13:20.010 --> 00:13:29.400

SAIC Admissions: So, again, very important. If you can use that Iris data retrieval tool when you're filling out your fast so you can definitely use that because that lowers your chances for being chosen for federal verification

90

00:13:30.150 --> 00:13:34.380

SAIC Admissions: But if you are chosen for federal verification. And again, it's about one in three

91

00:13:35.190 --> 00:13:43.440

SAIC Admissions: Students have a lot faster chosen for the verification. Don't assume you're being accused of doing anything wrong. Some people are selected for verification at random.

92

00:13:43.740 --> 00:13:56.550

SAIC Admissions: And some schools verify all students on a suit faster forms SAIC does not do that. We do not select all students for faster. So we are only choosing students who are being chosen by the US Department of Education.

93

00:13:58.830 --> 00:14:06.660

SAIC Admissions: All you need to do is to provide us with the documentation. The school asked for and please be sure to do that by the school's deadline, you won't be eligible for financial aid.

94

00:14:08.610 --> 00:14:13.560

SAIC Admissions: SAIC will be sending the student an email directly to their essays email account.

95

00:14:13.980 --> 00:14:21.510

SAIC Admissions: And we'll also be sending a paper letter home to the home mailing address that we have on file for the students. If you are chosen from federal verification

96

00:14:22.320 --> 00:14:29.250

SAIC Admissions: If you are entrepreneur verification. Again, please make sure you submit those documents to us as soon as possible. If you have any questions or concerns.

97

00:14:29.520 --> 00:14:34.500

SAIC Admissions: Please reach out to us will be happy to help you. Again, not all students are chosen for photo verification

98

00:14:34.860 --> 00:14:43.050

SAIC Admissions: But if you are chosen from federal verification. The Department of Education will tell the students are being chosen photo verification, as well as all the schools that you're applying to

99

00:14:46.920 --> 00:14:52.770

SAIC Admissions: Next, let's talk about what is the results of the fastball, and again the fastball is the Free Application for Federal Student Aid.

100

00:14:55.230 --> 00:15:02.220

SAIC Admissions: The result is something known as a student aid report or SAR on that student or aid report, it has one important aspect.

101

00:15:02.730 --> 00:15:11.970

SAIC Admissions: something known as an E FC, also known as an expected family contribution and that will display in the upper right hand corner of your student aid report.

102

00:15:12.870 --> 00:15:25.080

SAIC Admissions: That UFC is very important. If your application is incomplete, by the way, your student aid report will not include your ESC but will tell you that you need to do some additional steps resolve any issues.

103

00:15:25.320 --> 00:15:34.590

SAIC Admissions: Again, the student will receive an email from Department of Education within about two or three days after you submit the FAFSA, please make sure you read that email and the student aid report.

104

00:15:37.050 --> 00:15:46.050

SAIC Admissions: Schools will use this FC again, known as the estimated family contribution to determine your federal student aid eligibility for financial aid awards.

105

00:15:47.460 --> 00:15:54.990

SAIC Admissions: Your UFC is not the amount of money. Your family will have to pay to go to college, nor is that the amount of federal student aid receives

106

00:15:55.440 --> 00:16:07.080

SAIC Admissions: It is the number that is used by schools to help calculate your eligibility for Federal Student Aid and eligibility at those particular schools, again, that is called the ESC estimated family contribution.

107

00:16:10.080 --> 00:16:15.990

SAIC Admissions: Next, we'll talk about the financial aid award that will be produced after we have your financially after we have your fastball

108

00:16:17.490 --> 00:16:28.620

SAIC Admissions: Once your school receives your student aid report from your submitted fast, will they will use the calculated ESC the estimated family contribution can determine your eligibility for financial assistance.

109

00:16:30.630 --> 00:16:37.710

SAIC Admissions: Your financial aid award may contain scholarships and grants those. The best kind. There's a pre money, money, you don't have to pay back

110

00:16:38.190 --> 00:16:52.440

SAIC Admissions: And that can include things such as your merit scholarship that some students might be receiving that SAIC from the admissions office. It will also include any need based grants from the federal government, state government or SAIC as well.

111

00:16:53.880 --> 00:17:06.330

SAIC Admissions: It'll include work study, also known as earn money, also known as self help, and this is based on your FC if a student is eligible for federal work study, we will included on the students financial aid award package.

112

00:17:08.640 --> 00:17:14.370

SAIC Admissions: Will also include federal student loans every student who fills out a fast that will be eligible for at least

113

00:17:14.730 --> 00:17:29.280

SAIC Admissions: The Federal Direct Stafford Loan Program will include that on the financial aid award as a reminder loans are items that do

need to be paid back or not grants and scholarships. They are so called money again those are loans.

114

00:17:29.700 --> 00:17:37.650

SAIC Admissions: Will also include you're eligible to apply for additional loans, such as the Federal Direct Parent PLUS loans or a private room again.

115

00:17:38.310 --> 00:17:45.840

SAIC Admissions: These are the Federal Direct parent plus loan. It's still alone through the US Department of Education, but there's a credit based model and it can only be taken out by the parent

116

00:17:46.890 --> 00:17:52.320

SAIC Admissions: We'd also show you're eligible different private loans and that can be applied for by the student or by the parent

117

00:17:53.070 --> 00:18:04.290

SAIC Admissions: If you're asking which mon, it will do the best to consider. First, that if you are eligible for the Federal Direct parent plus loan program that is sometimes the best option for a lot of our families.

118

00:18:06.030 --> 00:18:13.860

SAIC Admissions: Terms and conditions of these loans will not be as good as I mentioned with the private loans they would be for the federal loan. So again, we do try to

119

00:18:15.270 --> 00:18:24.390

SAIC Admissions: remind students try to use as much as their federal loan eligibility up first, before they start looking at private loan sometimes private loans are the only place that students can go and that's okay.

120

00:18:24.990 --> 00:18:30.330

SAIC Admissions: It's just, again, they don't have as many front end and back end benefits as the federal loans have

121

00:18:33.570 --> 00:18:48.300

SAIC Admissions: Next, we'll talk a little about more about your financial aid award when the students received your financial aid award. That's a big question that students always want to know students the financial Student Financial Services office will begin awarding new undergraduate students for

122

00:18:50.340 --> 00:18:53.310

SAIC Admissions: Beginning of the third week of January of 2021

123

00:18:54.900 --> 00:19:07.320

SAIC Admissions: And this is will be after the student has been admitted. So we'll begin awarding students again for the first time, the third week of January. We're going to continue to award students as you're admitted on a rolling basis about once a week.

124

00:19:08.940 --> 00:19:22.470

SAIC Admissions: And it's also going to be after we have received the results are 2021 22 fastest. So after the student has been admitted SAIC and after we have the results of your fastball, we will produce a financial aid award package and provide that to you.

125

00:19:23.430 --> 00:19:26.160

SAIC Admissions: So how will you receive your financial aid award.

126

00:19:26.700 --> 00:19:36.240

SAIC Admissions: Students will be sent a financial aid award packet by US Mail to their home mailing address that we have on file, so please make sure that home mailing address is accurate.

127

00:19:36.660 --> 00:19:42.450

SAIC Admissions: And we'll be sending in a large blue envelope. It's going to look just like this, so keep an eye out for that big blue envelope.

128

00:19:43.380 --> 00:19:47.730

SAIC Admissions: After the third week of January, that will include your financial aid award.

129

00:19:48.120 --> 00:19:54.510

SAIC Admissions: Along with some additional information, please make sure you read everything that's included in that packet because it's there for a reason.

130

00:19:54.780 --> 00:20:00.540

SAIC Admissions: This a big investment for you and your family and we want to make sure you understand all of your rights responsibilities.

131

00:20:00.780 --> 00:20:09.570

SAIC Admissions: And also all of the investment that's going to be required financially to attend SAIC and there's a lot of important information that will be included in that packet

132

00:20:11.460 --> 00:20:24.810

SAIC Admissions: admitted students will also be sent an email notification to SAIC email address, informing them that they've been awarded financial aid and their work and also be viewed on the students self service, also known as known as the Arctic account.

133

00:20:27.420 --> 00:20:30.000

SAIC Admissions: What do you need it. What do you need to do if you have to

134

00:20:30.330 --> 00:20:40.050

SAIC Admissions: Help some understood if you need some help understanding your financial aid, we want you to contact our office. So in that blue pack and we're going to include some information for you to be able to schedule an appointment.

136

00:20:59.730 --> 00:21:04.530

SAIC Admissions: That's just talk a little bit about outside scholarships outside scholarships or scholarships that are funded

137

00:21:05.490 --> 00:21:11.610

SAIC Admissions: Not by SAIC and not by the Department of Education. These are private entities private organizations.

138

00:21:12.240 --> 00:21:25.860

SAIC Admissions: I usually recommend that students can have to leave be looking for outside scholarships on, you can always check with your high school guidance office or your community college guidance office. They are sometimes the best place to go to find out local

139

00:21:27.090 --> 00:21:29.250

SAIC Admissions: scholarships that you can apply for

140

00:21:30.600 --> 00:21:39.420

SAIC Admissions: Parents. You should also check with your employer. Sometimes parents employers have scholarships for the employees so please make sure you check with your employers.

141

00:21:39.990 --> 00:21:44.880

SAIC Admissions: Also, check with local organizations such as like Knights of Columbus Rotary Club.

142

00:21:45.210 --> 00:21:57.300

SAIC Admissions: On things like that. You don't have to be part of any of those particular organizations, but a lot of those organizations are looking to give scholarships from students from their district, so please make sure you check with those local organizations as well.

143

00:21:58.290 --> 00:22:09.270

SAIC Admissions: You should also be looking at Internet searches. When the best place to look for those outside scholarships is the Internet. One of the best ones out there right now is one called fast web com fast web com

144

00:22:09.660 --> 00:22:18.750

SAIC Admissions: That allows students to build a profile for themselves. And once they build the profile fastweb and show them all the outside scholarships, they might be eligible to apply for

145

00:22:19.170 --> 00:22:24.510

SAIC Admissions: And then they also email the state about every two weeks of new ones come available. You might want to consider.

146

00:22:25.350 --> 00:22:33.420

SAIC Admissions: We also have a listing on our website and saic.edu forward slash outside scholarships. We have a list of outside scholarships that

147

00:22:33.690 --> 00:22:48.900

SAIC Admissions: Our staff has already researched and also compile some scholarships and students have previously received from SAIC from outside sources. So take a look at that as well. That would be really helpful. Once the best time to look for those outside scholarships right now. So don't hesitate.

148
