00:14:44.820 --> 00:14:45.930

SAIC Admissions: The party deadline for

27

00:14:49.740 --> 00:14:55.440

SAIC Admissions: For all undergraduate students from the Illinois from the state of Illinois Illinois residence is December 1

28

00:14:55.890 --> 00:15:04.170

SAIC Admissions: Meaning that you should make sure that you submit the fast way if you're an Illinois residence no later than December 1 again it could become available October 1

29

00:15:04.530 --> 00:15:16.440

SAIC Admissions: You do have some time to complete it as soon as you fill it out though, the faster we can assist you and your family. So again, if you're an Illinois resident but birdie deadline to have that fastest limited is December 1 2020

30

00:15:17.220 --> 00:15:33.120

SAIC Admissions: All other eligible students through your deadlines would be January 1 2021 so if you're applying from another state outside the state of Illinois, you're eligible to complete that fast, but through July. I'm sorry, January 1 2021

31

00:15:36.330 --> 00:15:41.070

SAIC Admissions: Before we begin your fast, you should gather some additional information to make the process a little bit easier, though.

32

00:15:42.150 --> 00:15:50.190

SAIC Admissions: Students must secure something known as an Fs. A ID. It's basically your username in order to access all of your federal forms.

33

00:15:51.450 --> 00:15:56.610

SAIC Admissions: And FSA ID is your username and your password, you'll need to sign your FAFSA form online.

34

00:15:57.690 --> 00:16:10.290

SAIC Admissions: You'll need to create the account parents of dependent undergraduate students was also secure your very own FSA ID. So once again, the student must secure their own FSA ID and the parent Muslim of the FSA ID.

35

00:16:10.650 --> 00:16:18.120

SAIC Admissions: Please remember that the FSA IDs are unique and a student at least one parents should have their very own FSA ID.

36

00:16:19.410 --> 00:16:33.630

SAIC Admissions: Don't mix them up there as independent as your own social security numbers. So once you do secure FSA ID please remember that, again, they are separate and you should be able to keep those things you're going to need those again over the next weeks or months.

37

00:16:37.320 --> 00:16:40.920

SAIC Admissions: Please make sure you write that down a secure place.  
It's just a good reminder

38

00:16:42.060 --> 00:16:49.020

SAIC Admissions: If you still need to create an FSA ID, you can create it at the same website that you're going to be showing that your fastball at student aid thoughts.

39

00:16:51.930 --> 00:16:55.920

SAIC Admissions: Now let's talk about some additional documents you should gather before you fill out your password.

40

00:16:58.320 --> 00:17:03.750

SAIC Admissions: It is helpful to have your social security numbers available for both the students and parents of dependence students

41

00:17:04.410 --> 00:17:14.340

SAIC Admissions: I know all of us think we know their social security numbers, but it is important that this is the correct social security number when you're filling out your fastball, this is one thing that we cannot correct if you make a mistake.

42

00:17:14.730 --> 00:17:21.990

SAIC Admissions: So again, please make sure you're using the correct social security numbers when you're applying for your FSA ID. And when you're completing your fast.

43

00:17:23.100 --> 00:17:34.590

SAIC Admissions: If you don't have a social security number, you can use your resident alien registration number. If you're not a US citizen and please be sure to use the correct social security numbers, as I mentioned previously,

44

00:17:36.360 --> 00:17:39.270

SAIC Admissions: You should also have your driver's license number. If you have one

45

00:17:39.930 --> 00:17:46.890

SAIC Admissions: If you don't have a driver's license. That's perfectly fine. But there is a question that if you do have a driver's license, are going to be asked me for your driver's license number

46

00:17:47.220 --> 00:17:52.440

SAIC Admissions: But again, if you don't have one that's perfectly fine. You'll also want to make sure that you're free of all of your

47

00:17:53.580 --> 00:18:12.360

SAIC Admissions: Federal tax records on the 2021 22 faster for you and your parents if appropriate will need to report your 2019 income information rather than your increment formation. Again, the US Department of Education requires that students and parents include

48

00:18:13.890 --> 00:18:18.090

SAIC Admissions: Income information on your 2021 22 fastball

49

00:18:19.140 --> 00:18:25.650

SAIC Admissions: You should also gather up any of your tax forms, including your 1045 1048 or 1040 easy from

52

00:18:51.060 --> 00:19:04.260

SAIC Admissions: Of investments, such as stocks and bonds and real estate but that's the home with your family with your record, the current amounts as of the date you sign your fastball form rather than reporting the

53

00:19:05.340 --> 00:19:08.580

SAIC Admissions: Tax your amount for those particular assets.

54

00:19:11.370 --> 00:19:21.240

00:20:05.880 --> 00:20:15.570

SAIC Admissions: The fast overview, how to fill out the FAFSA, the fast perform and FSA ID tips for parents fast buck determine your dependency status.

60

00:20:16.140 --> 00:20:20.640

SAIC Admissions: An overview of your financial aid process and after the fastball, what happens next.

61

00:20:21.150 --> 00:20:37.350

SAIC Admissions: These videos are short and very, very helpful. So I do encourage you and your family to be able to go out to the YouTube website and review some of those webs. Some of those videos. It does give you a great insight and what is needed in order to fill out that fast. Well,

62

00:20:42.090 --> 00:20:57.420

SAIC Admissions: Next, we'll talk a little bit about the 2019 tax information that needs to be included on your fastball parents should be using something or students should be using something known as the IRS Data Retrieval Tool, meaning if you or your family has filed your federal income tax and

63

00:20:58.860 --> 00:21:02.970

SAIC Admissions: You should be using your IRS Data Retrieval to that's available on the fastball

64

00:21:04.290 --> 00:21:14.100

SAIC Admissions: You must use the IRS Data Retrieval Tool. If you did file federal income tax. It's 2019 that's very important. It's part of the instructions that computer GREAT ON THE FASTBALL when you fill it out.

65

00:21:15.480 --> 00:21:16.920

SAIC Admissions: You'll also need to provide

66

00:21:18.360 --> 00:21:24.420

SAIC Admissions: Your name and any other information exactly as you provided in tax returns, especially your dress.

67

00:21:24.810 --> 00:21:33.240

SAIC Admissions: When you're using the IRS Data Retrieval Tool, primarily because the IRS and the US Department of Education are using that information to confirm your identity.

68

00:21:33.630 --> 00:21:52.830

SAIC Admissions: And to make sure you are the the correct person. So again, please make sure you include the address that was used under 2019 intimate information on your taxes exactly on your Dr. T and data retrieval tool on your fast with this way, we'll be able to import the information from your IRS

69

00:21:53.970 --> 00:21:56.580

SAIC Admissions: 2019 taxes directly under password.

70

00:21:58.320 --> 00:22:06.870

SAIC Admissions: Once you do that, please do not change any information that's been populating your password again please make sure that it's transferred directly to the IRS without any changes.

71

00:22:09.000 --> 00:22:18.960

SAIC Admissions: If you or your parents did not file taxes in 2019 or if you're eligible to use the Dr. T, for whatever reason, you'll need to enter your income from

72

00:22:20.220 --> 00:22:24.300

SAIC Admissions: directly on to the fast before

73

00:22:34.380 --> 00:22:36.780

SAIC Admissions: Okay, so what happens next.

74

00:22:39.150 --> 00:22:43.350

SAIC Admissions: You're faster information to share with all of the college, the list on your fast application.

75

00:22:47.850 --> 00:22:52.830

SAIC Admissions: Schools will use this information to figure out how much aid, you'll receive at that particular school

76

00:22:54.180 --> 00:22:59.700

SAIC Admissions: Other schools might also have you fill out other forms might have other financial aid forms for you to fill out.

77

00:23:01.260 --> 00:23:14.880

SAIC Admissions: And SAIC, the only form that a student or family needs to complete in order to be eligible for federal need based assistance or any need based aid from SAIC is the fast before there is no additional financial aid forms required

78

00:23:17.400 --> 00:23:27.480

SAIC Admissions: Please make sure your check to see if you're fast that has been processed. You can check the status of your fastball form immediately after submitting it online at [studentaid.gov](http://studentaid.gov)

79

00:23:28.860 --> 00:23:35.040

SAIC Admissions: The student will also receive an email from federal student aid within three days after the fast has been submitted.

80

00:23:36.570 --> 00:23:45.060

SAIC Admissions: The students should read that email and share with their parents. This includes something known as the students Student Aid report, also known as the song.

81

00:23:45.570 --> 00:23:54.210

SAIC Admissions: So again, after the students in the FAFSA, they'll be able to check directly with the Department of Education. If they received it. And again, this will receive an email.

82

00:23:55.110 --> 00:24:06.570

SAIC Admissions: Directly from the Department of Education within three days after the fast was that submitted. Please make sure read that email and share with your parents. Again, it's going to add some information regarding your student aid report.

83

00:24:09.780 --> 00:24:19.020

SAIC Admissions: That says talk about enough chance that a student can be chosen for something known as federal verification your fastball might be chosen for federal verification

84

00:24:20.100 --> 00:24:21.840

SAIC Admissions: Verification as a process.

85

00:24:22.860 --> 00:24:32.550

SAIC Admissions: Your school our school uses to confirm that the data report on the FAFSA form is accurate. If you are selected for verification your school will be required.

86

00:24:33.060 --> 00:24:48.300

SAIC Admissions: Old will will be requesting additional information that supports the information your report on your fastball again if a student is chosen for federal verification by the US Department of Education all schools and what you applied for will be asking for this verification document.

87

00:24:50.160 --> 00:24:58.800

SAIC Admissions: Again, please don't assume that you're being accused of doing anything wrong. Some students are selected for verification at random and some schools verify all students.

88

00:24:59.280 --> 00:25:15.510

SAIC Admissions: And students fast performs at SAIC we do not select all students for for verification. So if you are chosen for verification, it's because you're fast has been chosen for federal verification by the US Department of Education.

89

00:25:17.280 --> 00:25:27.660

SAIC Admissions: All you need to do is provide the documentation, we asked for. And be sure to do it as soon as as soon as possible for you. Won't be eligible for financial aid.

90

00:25:28.140 --> 00:25:34.890

SAIC Admissions: If you are chosen for federal verification a rule here on the student Student Aid report so you'll actually know before we will

91

00:25:35.370 --> 00:25:42.690

SAIC Admissions: But if we know you've been chosen to federal verification will also be reaching out to the student to let you know that you've been chosen for better verification

92

00:25:43.110 --> 00:25:50.310

SAIC Admissions: How will we be doing that will be sending an email to the student and will be also sending a postal letter home to the students home address.

93

00:25:50.700 --> 00:26:00.540

SAIC Admissions: Letting me know that you've been chosen for verification and informing you about the documents. We're going to need from you and your family in order to complete the verification

94

00:26:01.080 --> 00:26:04.650

SAIC Admissions: Again, if you are chosen for internal verification, please respond as soon as possible.

95

00:26:05.190 --> 00:26:12.930

SAIC Admissions: Again, that all students are chosen for federal verification only about 30% of students have thought if asked by our chosen so better verification

96

00:26:13.380 --> 00:26:21.330

SAIC Admissions: But if you are chosen. Other verification, please make sure that you submit those forms to us or any documentation were requesting as soon as possible.

97

00:26:24.570 --> 00:26:27.360

SAIC Admissions: Next, let's talk about what the results of the fast that is

98

00:26:28.680 --> 00:26:33.900

SAIC Admissions: I mentioned before that after the students and it's a fastball, they're going to receive an email from the Department of Education.

99

00:26:34.350 --> 00:26:38.580

SAIC Admissions: That email is going to talk about their student aid report, also known as the SAR

100

00:26:39.150 --> 00:26:54.480

SAIC Admissions: On the student record. It's going to include some important information is probably the most important thing that's going to include is something known as expected family contribution, also known as the DFC. This will display in the upper right hand corner of the students do any reporting.

101

00:26:56.220 --> 00:27:09.990

SAIC Admissions: If your application is complete your SAR will not include your ESC but will tell you that you need to resolve any issues again please make sure you read the email that the student has sent from the Department of Education after you submit the fastball

102

00:27:12.480 --> 00:27:20.460

SAIC Admissions: Students will use your FC or your estimated family contribution to determine your federal student aid eligibility and financial aid award.

103

00:27:22.260 --> 00:27:32.730

SAIC Admissions: Your ESC or your estimated family contribution is not the amount of money. Your family will have to pay for college, nor is it the amount of federal aid the student will receive

104

00:27:33.120 --> 00:27:42.720

SAIC Admissions: Instead, is the number used by students might suit. Sorry. It is the number used by schools to calculate the amount of federal student aid you are eligible to receive

105

00:27:45.870 --> 00:27:53.010

SAIC Admissions: Next, let's talk a little bit about the financial aid award. This will be the financial aid award package will produce for the student off of the

106

00:27:54.630 --> 00:27:55.200

SAIC Admissions: School year

107

00:27:56.820 --> 00:27:59.640

SAIC Admissions: Once your school received your student aid report.

108

00:28:00.840 --> 00:28:06.900

SAIC Admissions: From the submitted fastball when you'll be using your VLC to determine your eligibility for financial assistance.

109

00:28:09.450 --> 00:28:11.640

SAIC Admissions: Your financial aid award may contain

110

00:28:12.780 --> 00:28:18.000

SAIC Admissions: scholarships and grants. This is everyone's favorite. This is free money. This is money. You don't have to pay back

111

00:28:19.020 --> 00:28:26.550

SAIC Admissions: And SAIC students are receiving merit scholarships. So once you actually applied SAIC. And once your

112

00:28:27.780 --> 00:28:35.700

SAIC Admissions: Application is evaluated by the Office of Admissions and if you're admitted SAIC there is a chance you're receiving a merit scholarship from SAIC

113

00:28:36.030 --> 00:28:42.870

SAIC Admissions: So the admissions office will notify the student right away. If you are receiving a merit scholarship. Once you've been admitted SAIC

114

00:28:43.530 --> 00:28:50.850

SAIC Admissions: Will also be notified if this team is receiving a merit scholarship and the admissions office and we'll make sure we include that on the students financial aid award package.

115

00:28:52.380 --> 00:29:01.380

SAIC Admissions: Will also include institutional grants. These are primarily based on need and will be provided the student based on the AFC determinate guide your FAFSA.

116

00:29:03.780 --> 00:29:12.510

SAIC Admissions: The student might also be eligible for federal program known as federal work study federal work study is a program for the Department of Education. It's also known as earned money.

117

00:29:12.960 --> 00:29:27.630

SAIC Admissions: And again, it is based on the students and the FCC. So again, that all students are eligible for federal work study. Again, if it is based on the FC. But if the student is eligible for federal work study, we will include it on the students financial aid award package.

118

00:29:29.730 --> 00:29:41.220

SAIC Admissions: Will also food any eligible, get the student might have for federal student loans as a reminder loans are are items that do need to be paid back is not free money.

119

00:29:42.810 --> 00:29:57.300

SAIC Admissions: These loans could include things such as the Federal Direct Stafford Loan all students who thought of basketball will be offered the opportunity to take out Federal Direct Stafford loans and they will be included on the students financial aid award.

120

00:29:58.350 --> 00:30:09.210

SAIC Admissions: Will also include eligibility to apply for federal need based financial I'm sorry credit based alone, such as I don't direct parent plus loan for a private loan.

121

00:30:10.530 --> 00:30:21.420

SAIC Admissions: Eligibility for private loans must be paid back as well. And the terms condition the private rooms will not be as good as those as federal student loans. So we do encourage students

122

00:30:22.290 --> 00:30:34.440

SAIC Admissions: If you are looking into any type of loans, try to use loans through the US Department of Education, such as the Federal Direct Stafford Loan Program or the Federal Direct parent program first before looking at any private loans.

123

00:30:37.110 --> 00:30:39.630

SAIC Admissions: Next, we'll talk a little bit more about the financial aid award.

124

00:30:41.280 --> 00:30:44.520

SAIC Admissions: When two students receive their financial aid award from SAIC

125

00:30:46.020 --> 00:30:56.040

129

00:31:27.390 --> 00:31:36.690

130

00:31:37.290 --> 00:31:51.780

SAIC Admissions: When we do mail it to you. Please make sure you open it up right aware right away and share with your family and review

everything that's inside that package it contains important information that must be read must be reviewed and must be understood.

133

00:32:22.710 --> 00:32:26.370

SAIC Admissions: What do I do if I need help understanding my cost and financial aid for

134

00:32:29.010 --> 00:32:34.920

SAIC Admissions: Well, we want you to contact our office and schedule an appointment with one of our students and students financial services advisors.

135

00:32:35.430 --> 00:32:40.860

SAIC Admissions: By doing so, we're going to be able to go over all of the aspects of the students financial aid award packet

136

00:32:41.460 --> 00:32:50.730

SAIC Admissions: And make sure that we can go over all of your costs that are associated with the students attending FDIC and 2021 22. This is a very, very important step.

137

00:32:51.510 --> 00:32:56.220

SAIC Admissions: I know this can be very confusing. A very intimidating process for a lot of students and a lot of families.

138

00:32:56.760 --> 00:33:04.920

SAIC Admissions: So once you do receive this blue envelope or if you receive that email to the students essays email addresses the student and the family should schedule.

139

00:33:05.280 --> 00:33:15.990

SAIC Admissions: Review that we can do either by phone or by a virtual meeting by zoom to review all of your information that's included in your financial aid award and your costs for the upcoming year.

140

00:33:19.830 --> 00:33:26.910

SAIC Admissions: That next. Let's talk a little about outside scholarships. No one is the best time to start looking for outside scholarships. Well, the answer is right now.

141

00:33:27.180 --> 00:33:35.460

SAIC Admissions: And continuing it's something you should always be doing if not for 2021 22 you suspect during after 2022 23

142

00:33:36.240 --> 00:33:44.130

SAIC Admissions: One of the best places are looking for those outside scholarships, and these are outside. These are scholarships are given by outside entities or outside agencies.

143

00:33:44.910 --> 00:33:50.370

SAIC Admissions: One of the best place to start looking at your guidance counselor's offices at your high school or community college

144

00:33:51.150 --> 00:33:59.940

SAIC Admissions: You should always be checking with your employer parents, a lot of employers have scholarship programs for their employees.

145

00:34:00.600 --> 00:34:08.550

SAIC Admissions: Students, so you should be checking with your employees as well, should also check with local organizations such as Knights of Columbus rotary

146

00:34:09.510 --> 00:34:14.790

SAIC Admissions: Exchange club Toastmasters, things like that. You might not have any direct

147

00:34:15.090 --> 00:34:23.730

SAIC Admissions: Connection with any of these organizations. But a lot of these organizations have scholarships for students from their, their district that they want to give those scholarships to

148

00:34:24.030 --> 00:34:30.600

SAIC Admissions: So you should check with your local organizations to see if they have any scholarships for students that might be from your hometown.

149

00:34:32.340 --> 00:34:37.500

SAIC Admissions: Yourself. So check the internet. That's one of the best things about this day and age is that there's so much to be done in the Internet.

150

00:34:37.740 --> 00:34:43.320

SAIC Admissions: There is some great Internet searches out there right now. One of the best ones out there is fast web.com

151

00:34:43.740 --> 00:34:49.200

SAIC Admissions: Fast web com is a great websites where students can go ahead and build a profile for themselves.

152

00:34:49.500 --> 00:34:56.190

SAIC Admissions: They're going to ask them questions about the student basically where you're from a little bit more about your background and why you might want to study.

153

00:34:56.520 --> 00:35:08.970

SAIC Admissions: And they'll actually and then you can actually build a profile for yourself, once you build that profile for yourself fastweb will send you a notification about any outside scholarships. They think that you might be a good fit for that you can apply for

154

00:35:09.750 --> 00:35:17.190

SAIC Admissions: What's also great is fastweb will send us an email about every two weeks, if any new scholarships come up that they think that

155

00:35:17.760 --> 00:35:22.110

SAIC Admissions: The student might be eligible for. So again, this is the best time to service those outside scholarships

156

00:35:22.500 --> 00:35:33.660

SAIC Admissions: There's also a great portion of our own website@saic.edu forward slash outside scholarships, which has the listings of a lots of internet search engines, you can use

157

00:35:33.960 --> 00:35:45.720

SAIC Admissions: And also has a listing of outside scholarships that our students have secured previously that might be a good fit for you as well. So again, please make sure to check out all of our outside scholarship sources available on our website.

158

00:35:48.810 --> 00:35:54.540

SAIC Admissions: We understand there's a lot of questions that you might still have and we will be available to answer questions.

159

00:35:54.900 --> 00:36:05.130

SAIC Admissions: Online for about the next 20 minutes or so. So we do ask you to pose all of your questions in the Q AMP a box in the screen in front of you and they will be addressed by are helpful students financial services staff.

160

00:36:05.670 --> 00:36:15.240

SAIC Admissions: On this webinar is also being recorded and will be sent to anyone who registered for this webinar, even if you couldn't attend tonight, it will still be sent to you by email.

161

00:36:15.750 --> 00:36:28.650

SAIC Admissions: So again, this, this webinar will be sent to you by email, and approximately 24 hours. We will also save this webinar on a website as well and archive. This way anyone would be able to have access to it.

162

00:36:29.520 --> 00:36:38.100

SAIC Admissions: But if you do have some additional questions, we want you to make sure that you reach out to us, our email is si, si, si, si si.edu

163

00:36:38.550 --> 00:36:50.580

SAIC Admissions: Our phone number is area code 312-629-6600 and our offices typically open Monday to Friday from 8:30am to 4:30pm Central Standard Time.

SAIC Admissions: We also invite you to become friends with us on Facebook, where we routinely post helpful information and some additional outside scholarships and will be made aware of. So please become friends with us on Facebook.

165

00:37:05.610 --> 00:37:10.440

SAIC Admissions: And also follow us on Twitter where we also post some helpful information from time to time as well.

166

00:37:10.950 --> 00:37:18.690

SAIC Admissions: So we can. We hope this information was helpful. Again, if you have any additional questions, please make sure you pose those in the Q AMP a box and screen in front of you.

167

00:37:18.990 --> 00:37:29.490

SAIC Admissions: On our staff will be happy to address any questions you might have. Again, we hope this was helpful. We hope you enjoy the rest of your night and thank you very much for joining us this evening. Have a good night.

168

00:39:01.980 --> 00:39:06.900

SAIC Admissions: Folks, we are getting a few questions. I want to share with everyone. I want to make sure I provide some clarification.

169

00:39:07.740 --> 00:39:16.890

SAIC Admissions: As I mentioned before. Some students might be receiving merit scholarships from SAIC again these are determined strictly by the Office of Admissions

170

00:39:17.190 --> 00:39:26.100

SAIC Admissions: And all of your admissions information all the application for admission that you're providing to them. So the merit scholarship is separate from the fastball

171

00:39:27.060 --> 00:39:36.000

SAIC Admissions: So, you do not need to fill out a FAFSA. If you're interested in just receiving or merit scholarship. Again, you just need to apply to SAIC but if you are interested in receiving

172

00:39:36.360 --> 00:39:45.510

SAIC Admissions: Federal need basis systems or need based assistance from SAIC and if you are a US citizen or eligible non citizen, you do need to make sure you submit your FASFA

173

00:39:46.350 --> 00:39:59.670

SAIC Admissions: To the US Department of Education. And again, we were save a copy of that the results of that if you include us as one of the schools to receive the results. And again, our school code is 001753 I hope that was helpful.

174

00:40:00.540 --> 00:40:10.590

SAIC Admissions: We also had a question about if SAIC offers any type of payment plan SAIC does offer a semester payment plan. It's \$50 to join the payment plan.

175

00:40:11.010 --> 00:40:23.070

SAIC Admissions: But after that, we'll break up any remaining balance for a particular semester into for equal payments throughout the fall and

spring semester to hopefully again that has helped to this. Thank you very much.

176

00:41:02.850 --> 00:41:15.120

SAIC Admissions: Folks, just want to get some additional clarification students to be some people are just not understanding. So after student applies to SAIC and if you're admitted SAIC

177

00:41:16.620 --> 00:41:29.970

SAIC Admissions: The admissions office will make a determination if that particular student is going to be your senior merit scholarship, they will reach out to the student directly if the student is going to be receiving any type of merit scholarship, they will be sending a student

178

00:41:31.740 --> 00:41:35.970

SAIC Admissions: letter in the mail, which will provide them with what that merit scholarship would be

179

00:41:37.110 --> 00:41:39.240

SAIC Admissions: There was also a question about

180

00:41:41.070 --> 00:41:52.290

SAIC Admissions: The cost of the school. And what happens is financial aid does not meet all of the cost of attendance SAIC is a private institution we are

181

00:41:53.130 --> 00:42:06.150

SAIC Admissions: A big investment for students and families. So that's why it's very important that students and families begin this process early by at least submitting the fast for the US Department of Education right now. Definitely. As soon as you possibly can.

182

00:42:07.200 --> 00:42:18.840

SAIC Admissions: Primarily, so we can assist you. If there's any questions and then after the student has received a package in the mail your financial aid package, the big blue envelope and after you receive that email.

183

00:42:19.410 --> 00:42:26.220

SAIC Admissions: I really, really, really want the student in the family to make sure that they set up an appointment with one of our Student Financial Services advisor.

184

00:42:26.640 --> 00:42:50.040

SAIC Admissions: To go over all of your costs and all of your financial aid so you know what your investment might look like and what are your options to to afford SAIC in many cases, students are taking out additional loans in order to attend SAIC so again is important. Just like any major investment.

185

00:42:51.150 --> 00:43:02.220

SAIC Admissions: Whether you're buying a car or home or starting a family again starting College is a big life change and they got a big investment. It's very important that you take the time and the energy

186

00:43:02.700 --> 00:43:08.460

SAIC Admissions: To put forward to make sure that you understand what will be needed for you to address that investment. We're here to help.

187

00:43:08.970 --> 00:43:16.980

SAIC Admissions: And every student situation is differently. So we want to make sure that you do know you have the opportunity to speak with one of our advisors after you've been awarded

188

00:43:25.440 --> 00:43:28.440

SAIC Admissions: There was a question about federal work study and student employment.

189

00:43:29.490 --> 00:43:32.460

SAIC Admissions: Please understand that students can

190

00:43:33.600 --> 00:43:40.740

SAIC Admissions: Be employed on campus, primarily, we do reserve our jobs for students who are federal work study eligible

191

00:43:41.310 --> 00:43:51.210

SAIC Admissions: Primarily because those students have already been identified with US Department of Education, as our media students. So we are going to try to provide those jobs for students who are

192

00:43:51.930 --> 00:43:57.240

SAIC Admissions: Eligible. So that's again why it's very, very important that students submit that fast, as soon as possible.

193

00:43:57.690 --> 00:44:07.770

SAIC Admissions: So we can find out whether or not a student is going to be eligible for federal work study again will include it on the students financial aid award package. If you are eligible for federal work study

194

00:44:10.500 --> 00:44:28.920

SAIC Admissions: If URLs for federal work study. And if you can secure a job on campus, then you'll be paid every two weeks by direct deposit just like any other job, whether you have a job at Starbucks McDonald's, the gap or or any other any other job to hopefully provide some additional. Thank you.

195

00:45:08.880 --> 00:45:14.640

SAIC Admissions: Folks, just one more clarification. Again, the fast. We do become available October 1 you can read that right now.

196

00:45:15.090 --> 00:45:23.940

SAIC Admissions: Will birdie deadline for students to complete the fast. But if you're an Illinois student is December 1 primarily because there is a particular map.

197

00:45:24.570 --> 00:45:33.060

SAIC Admissions: A grant program for students who are from the state of Illinois, and we want to make sure that those students have the eligibility in order to

198

00:45:33.990 --> 00:45:50.070

SAIC Admissions: Be helpful that program if they if they're eligible for. But there is its kind of first come first serve. We want to make sure that only students complete that fast, as soon as possible for any other students from any outside states the priority deadline here is January 1

199

00:45:54.690 --> 00:46:06.720

SAIC Admissions: Also, you do not need to be admitted to SAIC before you submit your fastball so i again i would I can't stress this enough, the sooner you fill out your fastball, the better.

200

00:46:07.260 --> 00:46:24.240

SAIC Admissions: On not only for SAIC before any other schools that you might be considering applying to. So again, please submit your fast. But as soon as you possibly can, again, it's simpler than it's easier than ever before and is something that you strive to complete as soon as possible. Thank you.

201

00:47:02.100 --> 00:47:12.150

SAIC Admissions: question answer session. The next three or four minutes. If you have any additional questions, please make sure you post your question. The Q AMP a box in the screen in front of you, not the chat box.

202

00:47:12.570 --> 00:47:18.870

SAIC Admissions: Please post your question. The Q AMP a box in the screen of phone of you and will be addressing those are the next two to three minutes. Thank you.

203

00:48:54.900 --> 00:49:02.460

SAIC Admissions: Gentlemen. At this time we will be ending our webinar again. If you have any additional questions or concerns, please feel free to reach out to us directly by email.

204

00:49:03.030 --> 00:49:17.220

SAIC Admissions: Or by phone, and we'll be happy to address any questions you might have. Again, we look forward to receiving your FASFA as soon as possible, and we look forward to working with you and your families over the next several weeks, a month and your hopes of attending SAIC in

205

00:49:19.110 --> 00:49:21.060

SAIC Admissions: Thank you very much. And we hope you enjoy your night.
