SAIC ART EDUCATION
The School of the Art Institute of Chicago’s Department of Art Education prepares art and design educators who value cultural difference, democracy, and social justice. We do this through a commitment to philosophies that emphasize context and community, knowledge and experience, critical thought and reflection, practice and evaluation.

Each of the degree programs offered by SAIC Art Education cultivate self-reflective artists and educators who share a deep concern for the lives of others, who actively question and challenge the social, political, and cultural structures and discourses that comprise everyday life and engage learners in the making and exchanging of many forms of social, cultural, and artistic communication.

There are three SAIC art education programs:

- Master of Arts in Teaching—MAT
  Prepares students for careers in art education, including licensure to teach Visual Arts K-12 in Illinois public schools
- Bachelor of Fine Arts with Emphasis in Art Education—BFAAE
  Prepares students for careers in art education, including licensure to teach Visual Arts K-12 in Illinois public schools
- Master of Arts in Art Education—MAAE
  Prepares students for careers in art education in community settings, art organizations, and museums

The SAIC Art Education programs are uniquely situated within the vital cultural and artistic communities of Chicago, providing a wealth of teaching experiences and opportunities for mentorship in schools, museums, and community settings.

BFAAE PROGRAM OVERVIEW
The School of the Art Institute of Chicago's (SAIC) Bachelor of Fine Arts with an Emphasis in Art Education (BFAAE) program prepares teacher candidates to become creative and critical teachers of contemporary art and visual culture. The BFAAE degree meets the current requirements for the State of Illinois K–12 Visual Arts Professional Educator License. BFAAE graduates are informed and engaged artists, teachers, citizens, creators, and community activists. With this degree, candidates enter the field ready to teach art in schools and other settings and to foster empowering and meaningful participation in democratic life for all of their students.

CONCEPTUAL FRAMEWORK of SAIC ART EDUCATION
The School of the Art Institute of Chicago (SAIC) establishes and conducts comprehensive programs of education including preparation of visual artists, teachers of art, and designers, providing education services in written, spoken, and media formats (from SAIC Mission Statement).

SAIC has a long-standing commitment to the profession of art education, providing essential education for prospective art teachers. The conceptual framework and philosophy of our teacher preparation program has changed over time, evolving to meet the changing needs of young people in our increasingly diverse and technologically mediated, screen-based cultures. Teacher candidates learn to develop curriculum that compels young people to critically analyze and create art and visual culture in a diversity of contemporary forms. Teacher candidates become versed in teaching practices that assist students in not only affirming their cultural identities, but in working to sustain cultures (Ladson-Billings, 1995; Paris & Alim, 2017). In doing this, teacher candidates develop critical perspectives that challenge inequities that schools and other cultural institutions perpetuate (Hill Collins, 2009; Mayo, 2013; Popkewitz, 1998; Siddle Walker, 2018). This emphasis on culturally sustaining pedagogies strives to foster cultural pluralism as part of the democratic project of schooling.
Ongoing Conceptual Framework Assessment and Evaluation
We are committed to ongoing evaluation and assessment of our conceptual framework. We continually assess the framework through ongoing dialogue with all members of our professional community including SAIC administrators, faculty, teacher candidates, and alumni, as well as mentor teachers, administrators, and staff. This process ensures that feedback from our educational community continually influences and shapes our conceptual framework.

CORE ELEMENTS OF THE PROGRAM PHILOSOPHY
As SAIC teacher candidates advance through the BFAAE program they focus on a core set of elements: (1) context and community, (2) knowledge and experience, (3) critical thought and reflection, and (4) practice and evaluation. These four elements form the core philosophy and structuring logic of our art education teacher preparation programs. These elements are embedded in a curriculum that includes studio, art history, liberal arts, professional education classes, and practicum experiences. Teacher candidates have in-depth knowledge of art, visual culture, technology and other content areas to inform pedagogical theories and practices directly related to national, state, and local standards. Throughout the programs, teacher candidates explore the functions and purposes of art education and investigate connections between experiences inside and outside of public schooling within a larger framework of cultural and historical analyses. In this sense, teacher candidates understand art and other forms of visual culture, education, and curricula as both products of history and potential sites for cultural change.

Context and Community
The SAIC Art Education Department is committed to meaningful learning and teaching in a culturally diverse and ever-changing society. Teacher candidates understand that communities are constructed and realize the benefit of partnering with faculty, staff, students, families and local representatives to develop, expand and sustain ethical teaching and learning communities.

The teacher candidate understands:
- The context of social, cultural, economic and political realities as related to self, community, and world
- The relationship between cultural diversity and student learning, including how cultural diversity can afford particular opportunities for the exploration of multiple perspectives
- Teaching and learning are affected by access to the development and exchange of new media and electronic information
- Teaching and learning are multi-modal, a life-long process, and occur both inside and outside the context of schools

Knowledge and Experience
We are committed to preparing teacher candidates who connect their respective lived experiences and knowledge of the visual arts with the pedagogical and professional skills necessary to create curriculum and facilitate learning environments that empower students to understand and participate in contemporary art and culture. Therefore, teacher candidates learn to interpret, teach and produce art and other forms of visual culture while fostering social and political empowerment for all students.

The teacher candidate understands:
- Theoretical and practical knowledge related to communications, literature, mathematics, science, history, philosophy, and social sciences from transcultural perspectives
- Content knowledge, including perspectives on social theory, new media and information technology, art theory, art history, visual culture, art production, and art education that support democratic learning and critical practices
- Methods, resources, technology and materials for designing and implementing instruction based on pedagogical content knowledge, student needs and curricular goals
Multiple forms of assessment, such as group critique, student self-evaluation and rubrics, and teacher candidate self-evaluation to support active learning

Critical Thought and Reflection
We are committed to developing critical, inquisitive and reflective teachers. Teacher candidates scrutinize their position as educators and problematize tacit assumptions about teaching and learning, ensuring necessary adjustments to enhance student learning.

The teacher candidate:
- Has a strong foundation in theoretical and conceptual frameworks that integrate research, reflection, technology and practice
- Embodies the model of teacher as researcher, who questions the biases, assumptions, and efficacy of their practice
- Uses multiple frames of reference to help conceptualize their own position in relationship to students, schools, communities, and the professional field
- Uses critical thought and reflection to create strategies and solutions

Practice and Evaluation
We are committed to multiple forms of teaching and assessment practices that actively engage and have positive effects on student learning. Teacher candidates facilitate student learning of art and other forms of visual culture through clear presentation of content, ideas, and instruction and assess student performance using established rubrics and multiple indicators.

The teacher candidate:
- Uses a variety of instructional strategies including emerging technologies to encourage students’ development of critical thinking, problem solving, and performance skills
- Applies effective communication skills with parents, students, colleagues, and the public
- Adjusts instruction based on informal and formal assessments
- Collects and analyzes data to improve teaching and learning

OBJECTIVES OF THE PROGRAM

Prepare teacher candidates to demonstrate an understanding of how:
- Psychological, social, political, and cultural influences shape individuals, communities and professional practices
- Content knowledge of art and visual culture promotes the value, complexity and diversity of all the visual arts as expressions of social and cultural issues, past and present
- Professional knowledge of arts and sciences responds to the needs of contemporary learners in a society dominated by visual images and designed objects
- Teaching engages students/citizens to participate in democracy through reflective and responsible interactions with art and other forms of visual culture

Prepare teacher candidates to demonstrate the ability to:
- Collaborate with colleagues and the community to develop, support and improve learning opportunities for all students
- Plan and implement a curriculum that makes content meaningful to all students and has positive effects on student learning
- Implement a balanced integration of presentation, discussion, inquiry, production and reflection of art and other forms of visual culture in a variety of contexts within various communities
- Use multiple frames of reference to make critical assessments and reflective judgments
- Respect the diversity of developmental levels, learning styles, values, languages, and beliefs
- Integrate research, technology and reflection through the interpretation, production, and critique of art and other forms of visual culture
- Synthesize pedagogical and professional content knowledge to help students learn about art and other forms of visual culture
- Use resources, processes and assessments to support effective teaching of art and other forms of visual culture

ADMISSION TO THE BFAAE PROGRAM

>> BFAAE ADMISSIONS CRITERIA
Students who declared Art Education as a major when beginning SAIC must still go through the process of applying to the Art Education Department to be an official Teacher Candidate for Illinois Licensure. Prospective candidates to the teacher preparation program are assessed using multiple indicators including: 1) prior academic performance; 2) knowledge of and skills in artistic production; 3) knowledge of visual culture, art history and related disciplines; 4) and motivation and commitment to learning.

>> BFAAE ADMISSIONS DEADLINE
Students apply to the BFAAE program during the second semester of their Sophomore year. Applications are due on the first Monday in March. There is only one application period each year in the spring. Art Teacher Education curriculum sequence begins yearly in 1st semester of Junior year.

>> ELIGIBILITY TO APPLY TO THE BFAAE PROGRAM
1. In order to apply to the BFAAE program, students must be admitted to SAIC’s undergraduate program.

2. By the spring semester of their first year attending SAIC, students who declared Art Education as a major should schedule a meeting with the Art Education Department’s Licensure Specialist for transcript analysis to determine the semester in which the student should apply to the BFAAE program. The semester of application is identified by the number completed non-Art Education credits. Afterwards, students should meet with their SAIC academic advisor for advice on completing remaining non-Art Education credits. To ensure non-Art Education coursework is applicable to the Art Education degree requirements, contact the Licensure Specialist after registration.

APPLICATION MATERIALS and REQUIREMENTS OVERVIEW

>> Invitation to Apply (Fall Semester prior)
You will receive an invitation to apply to the BFAAE program from the Licensure Specialist the Fall semester prior to the application window. It will include information on the Application process and requirements. An invitation to the apply to the program may be on hold until the Licensure Specialist resolves issues related to INC grades, number of non-Art Education credit, BFA students uncertain about degree plans, possible leave of absence, registration not completed for the coming fall semester, and other academic issues. Respond to requests to meet with the Licensure Specialist to address these issues.

>> Before Applying (Application window: January – February)

- Meet with Licensure Specialist: Complete the eligibility requirements above and schedule a meeting with the Licensure Specialist to conduct a final transcript analysis. Following your meeting, the Licensure Specialist will email you link to a personalized Google Drive folder, where you upload all of your application materials, excluding your Letter of Reference, which will be e-mailed directly to the BFAAE Director.

- Interview with BFAAE Director: BFAAE Director will contact you to schedule an interview and initial portfolio review. This is an opportunity to get tips to prepare your final portfolio and answer any questions you might have regarding the application and admission process as well as the BFAAE program.

>> Assemble Your Application and Upload the Following Materials by the first Monday in March.

☐ BFAAE Application Form

☐ Resume (1-2 pages) Include teaching experiences, other work experiences, exhibitions and other art experiences, awards and honors, and list of competencies in media, equipment, and software. It will be reviewed during your interview with the BFAAE Director so you can receive feedback prior to submission by the application deadline. Contact SAIC CAPX for resume assistance.

☐ Portfolio of 12-20 artworks in digital format (images of 2D and 3D work as well as time-based works). Additional details can be found on the following page.

☐ Artist Statement (300-500 words) Provide context for the artwork included in your portfolio by discussing the themes and theories which inform your artistic practice. Elaborate upon the artistic, social, political, or personal relevance of your artwork as well as its material, conceptual and formal attributes.

☐ Teacher Mission Statement (300-500 words) Explain why you want to teach art.

☐ One Recommendation: Use the Letter of Reference form included in Application & Instructions packet. The Letter of Reference form must be submitted by email by recommender by the first Monday in March to the BFAAE Director. (See Letter of Reference Form for details.)
PORTFOLIO REQUIREMENTS

Submit a portfolio of 12-20 artworks in digital format. Some applicants may have fewer than 20 examples of artwork to include due to the timing of the application or if they are a transfer student.

Images of 2D and 3D works as well as time-based works may be included.

Examples of artwork should demonstrate proficiency in a range of different media and materials, including digital proficiency, as well as show the current focus of your artistic practice and conceptual interests.

☐ Devote one slide to each artwork/video. If you need to include multiple images for the same piece of artwork you may fit them to one slide if possible. Otherwise, multiple slides may be included to show different features of the artwork if necessary.

☐ Each artwork should be labeled with the following information on the slide with the image:
  - Title of work
  - Date of work
  - Medium
  - Materials used

Questions? Please contact the BFAAE Program Director, Salome Chasnoff: schasnoff@saic.edu.
>> ADMISSION DECISIONS

- Applicants will be informed in writing of the Department’s admission decision before the course registration period for the Fall Semester.
- Applicants may be conditionally admitted to the program at the department’s discretion, based on such things as proficiency in a range of media. After consultation with the Program Director, the conditionally admitted applicant will make a written agreement with the department, listing criteria and timelines to be met for full admission into the program.
- Accepted students in teacher education programs are referred to as Teacher Candidates.
- Upon being accepted into the BFAAE Program students must complete required fingerprint-based background check. If the results of the teacher candidate’s background check do not meet Chicago Public School district’s standards, the candidate cannot continue in the program.
- Accepted candidates begin Art Education coursework in the following Fall semester.

>> OTHER INFORMATION RELATED TO ADMISSIONS AND ENROLLMENT

- Candidates will have a maximum of four years, from the time they enter the BFAAE program, to complete the program (including time off for leaves from the program.) Because this is a licensure program, candidates must meet all Illinois State Board of Education requirements at the time of licensure.
- SAIC Art Education does not accept transfer credits to substitute for core SAIC Professional Art Education courses. See SAIC Bulletin and the SAIC website for additional information concerning transfer credits.
- Candidates are considered mandated reporters of child abuse and neglect by the Department of Children and Family Services (DCFS) when observing or teaching in school settings. Candidates must complete the Illinois Department of Human Services Mandated Child Abuse Reporter on-line training and have a record of their completed training on file in the Licensure Office at the beginning of the teacher preparation program (before visiting schools).
- Substitutions to other BFAAE course requirements may be petitioned in writing using the Art Education Request Form and will be decided by Teacher Education Committee. The Request Form is available through the Licensure Specialist.

LICENSE INFORMATION

- The BFAAE program at SAIC is an Illinois state-approved licensure preparation program. The Program prepares students for the Illinois Professional Educator License (PEL) with a K – 12 Visual Arts Endorsement (VART).
- Although SAIC’s teacher preparation coursework often meets the teacher licensure requirements for other states and countries, SAIC cannot guarantee than an Illinois Professional Educator License will be honored outside of Illinois. Additional requirements may apply in such cases.
- Illinois State teacher licensure allows one to teach in the public-school system. Many private schools also seek to hire licensed art teachers who were educated in quality teacher education programs. This opens up job opportunities for licensed teachers, where you may be considered for hire before non-licensed teachers.
- You can earn a BFA with Emphasis in Art Education, combining your BFA artistic studies with an education degree. The number of hours in the BFA and BFAAE are the same. Another option at SAIC is to first complete your BFA and then take the two-year SAIC MAT program.

**Notes:**
- The italicized courses constitute the BFAAE Art Teacher Professional courses (30 credits total).
- LA = Liberal Arts, AH = Art History
- One 3 credit Non-Art Education course may be taken in the 3-week winter term between first year, sophomore year or junior year if planned with the Licensure Specialist. No winter term courses are permitted in senior year.
**ADDITIONAL CURRICULUM INFORMATION & LICENSURE PROGRAM POLICIES**

- **FIRST YEAR CREDIT CHECK:** BFAAE students should meet with the SAIC Art Education Licensure Specialist in their first year to obtain an analysis of remaining Non Art-Ed credits on the BFAAE Credit Check form. It details how best to complete your Non-Art Ed credits in order to stay on schedule. The Art Education curriculum and policies limit the amount of Non-Art Education coursework a student can take in their final year. See “CREDITS” below for further clarification.

- **TRANSITION POINTS:** The Program has six transition points that teacher candidates must successfully reach before moving into the next stages of the program to fulfill degree requirements and be eligible for the State of Illinois K–12 Visual Arts Professional Educator License. The Transition Points can be found at the end of this guide.

- **APPLICATION ELIGIBILITY:** Students apply for the BFAAE program at the beginning of the Spring semester of their Sophomore year (first Monday in March), after a thorough credit check and tentative schedule plan by the Art Education Licensure Specialist. Sophomore year status is based on the number of credits earned towards the degree, rather than the amount of time one has been attending college.

- **OFF-CAMPUS:** Teacher preparation program candidates do not have to complete the off-campus study requirement because apprentice teaching in schools counts as off-campus study.

- **FINANCIAL AID / VISA STATUS:** All students are expected to understand their financial aid status when registering for courses. Students with a student visa must enroll in at least 12 credit hours per semester. Always consult with Student Financial Services and/or the International Affairs office before adding, dropping or withdrawing from courses.

- **CREDITS:**
  - A total of 126 hours for degree completion (96 non / 30 Art Ed), do not fit into a 4 year / 8 semester plan.
  - It is recommended that students take 15 hours per semester, except during the final year when students are recommended to take only 12 hours per semester.
  - To graduate in 4 years, students should plan on taking the remaining 12 hours of coursework during winter and summer terms.
  - Taking summer and winter credits in first, second and third years is advised, if possible. Students who take fewer than 15 credits in the 1st and 2nd year, or plan to go part-time throughout the program will likely attend for 5 full years or longer to earn BFAAE degree and licensure.
  - The final Apprentice Teaching semester is 12 hours. Students are not allowed to take additional courses during this semester.
  - Candidates should plan on not taking more than 15 credits a semester, 6-9 credits in the summer.
  - **FALL OF SENIOR YEAR:** During the fall semester of senior year in Art Education candidates are strongly advised to not take more than 12 credits hours.
  - **NO COURSES WINTER OF SENIOR YEAR:** Candidates will not be able to take courses in the winter term of senior year (between fall and spring semesters) because the end of the winter term overlaps with the required early start of Apprentice Teaching, in which candidates will be in the classroom full-time from mid-January. Apprentice Teaching will begin approximately 7 weekdays prior to the start of the spring
• **NO COURSES WITH APPRENTICE TEACHING SENIOR YEAR:** Candidates cannot take any other courses with Apprentice Teaching in the spring semester of senior year.

• **UPPER LEVEL STUDIO HOURS:** BFAAE students must meet 30 hours of studio and 12 must be upper. Watch your studio elective hours and ensure that if you are at or near 12 overall studio electives remaining and you have not taken any upper level you plan to do so.

• **ART HISTORY/VCS REQUIREMENT:** All 12 credit hours of Art History/VCS coursework must be completed prior to Apprentice Teaching. 3 of the 12 hours must meet the Global Comparative requirement.

• **GLOBAL COMPARATIVE STUDIES:** The SAIC designation “Global Comparative Studies” identifies courses across departments that give students a meaningful framework by which to compare and interpret information, observations, and cultural production from a variety of countries around the world. Art Education values courses that include contemporary cultural production as well as courses focusing on traditional cultures. Because not all Art History or Visual Critical Studies courses that meet these goals are tagged in PeopleSoft, Art Education allows students to file a request to the Teacher Education Committee to approve other courses. Contact Licensure Specialist Valerie Vasquez for a list of pre-approved courses and an Art Education Request Form.

  • The Academic Access Program (AAP) is a first-year college program designed specifically for SAIC to prepare selected undergraduate students for success in required courses in art history and liberal arts. If you are assigned upon admission to take any AAP courses know that those credits do not count toward the BFAAE program. See more on the SAIC website about AAP courses.

  • **TRANSFER CREDIT “Permissions”:** Candidates are required to obtain approval from the Art Education department and Academic Advising before taking any coursework at other institutions for transfer purposes to ensure that the credits are applicable to the art education degree. Visit the SAIC website for the online “Permission to Take Classes Outside of SAIC Request” form.

• **ISBE APPRENTICE TEACHING POLICY:** In accordance with Illinois law, candidates are required to finish Apprentice Teaching during their final academic year.

  • **CREDITS AFTER APPRENTICE TEACHING:** If required, candidates may plan with the Licensure Specialist to take a maximum 15 credits of outstanding studio, liberal arts and art history electives (if remaining) after completing the Apprentice Teaching course. Students should plan their schedules accordingly. Candidates should prioritize taking studio coursework and art history before Apprentice Teaching. This may require taking courses in the summer or winter terms prior to senior year.

• **COMMENCEMENT:** In order to participate in the commencement ceremony at the end of the spring Apprentice Teaching semester, SAIC policy states students can only have a maximum of 9 credit hours of coursework remaining, to be taken in the following summer term. Anyone planning to defer completing credits to the fall semester after Apprentice Teaching will need to wait until the next spring commencement.

• **STUDIO ELECTIVE OPTIONS:** Art Therapy, Arts Administration, Writing and non-teacher preparation Arts Education coursework will count towards the studio elective requirements.
BFAAE TEACHER PREPARATION CORE COURSE DESCRIPTIONS

All seven of the Art Education teacher preparation courses are taken two at a time in a specific sequence. Prerequisites are listed below the course description.

ARTED 3015 (3 credits)
Practices of Art & Design Education in Schools and Communities 1: Children & Youth
Relating contemporary and traditional artmaking approaches and culturally responsive pedagogy with curriculum, project, and instructional design methods, this course provides prospective teachers and teaching artists with knowledge and skills needed to structure learning experiences through which children and youth in elementary schools, middle schools and community settings enhance their creativity, develop technical skills, understand a range of artmaking practices, make personally meaningful works, and explore big ideas. Course participants will structure teaching plans that identify students' prior knowledge, scaffold learning, use multiple teaching and learning strategies to promote student engagement and differentiate instruction to meet the needs of all students. They will learn to articulate clear and verifiable core learning objectives, select relevant national and state standards and design assessments that capture essential student learning without standardizing students' artworks. Teacher reflection based on critique, student input and assessment data will be used in an iterative process of editing and redesigning curriculum. Connecting visual and verbal literacies, prospective teachers will make use of reading, writing and speaking activities that engage students in interpreting art and analyzing visual culture as well as using picture books as a source of inspiration for their personal storytelling and artmaking. Teachers will learn to select and/or develop reading level-appropriate art and culture readings to support learning.

Studying a range of art education practices will provide teacher candidates with theoretical perspectives from which to build their own unique pedagogical approaches. Readings include works by Maria Montessori, Viktor Lowenfeld, Anne Thulson, Lisa Delpit, Vivian Paley, and Sonia Nieto as well as overviews of Reggio Emelia, Teaching for Social Justice, Teaching for Artistic Behavior, Studio Habits, Visual Thinking Strategies and Principles of Possibility.

Course assignments will include readings and discussion responses and researching artists, artmaking approaches and pedagogical practices as well as writing project and lesson plans accompanied by teacher artwork examples, image presentations, readings, assessments and other instructional materials, as well as documenting plans and student artworks. Participants will teach small groups of students in elementary schools with English Language Learners.

Prerequisites: 2900 Course, Open to junior BFAAE student only or permission of instructor.

ARTED 3021 (3 credits)
Becoming Human: Evolving Conceptions of Human Development
In the work of becoming and being an educator, it is necessary and important to comprehend the evolving ways human development is understood, engaged, and implicated in the teaching of children, adolescents and adults. Humans are, to put it simply, different. And it is these differences that present opportunities and challenges in teaching and learning. This course offers an interdisciplinary investigation into evolving conceptions of human development, including, but not limited to, psychological, legal, historical, and sociological frameworks. Additionally, students will explore the histories of childhood as they impact and have impacted the material culture of schools and school design.

Investigating evolving conceptions of human development will provide teacher candidates with interdisciplinary perspectives to build their own understanding of students as subjects in formation. This includes gaining theoretical, historical, and pedagogical knowledge on a range of developmental issues in education. Readings include works by John Dewey, W.E.B. DuBois, Tom Shakespeare, Cris Mayo, Deborah Britzman, Stephen Vassallo, Alexandra Lange, Erik Erikson, Jean Piaget, and Maria Montessori as well as overviews of Disability, Race Conscious, and Queer Theories in education.

Course work includes an essay questioning & responding to human development, an analysis of childhood development as illustrated in children's literature, an interpretation of adolescence as represented through short films, along with a midterm and final project documenting the work of learning throughout the semester.

Prerequisites: 2900 Course, Open to junior BFAAE student only or permission of instructor.
ARTED 3125 (3 credits)

**Doing Democracy: Schooling in the Anthropocene**

What egalitarian ideals have shaped our conception of public education? How has the promise of democratic schools been undermined by white privilege, racism, class-based discrimination, inequitable funding, colonialism, patriarchy, and disregard for the human impact on the natural world? This course builds a foundation for understanding the politics of schooling by exploring the struggle for democratic education in Chicago, contextualized by contemporary global decolonial practices in education. Students will consider how shifting conceptions of schooling are responses to the contemporary cultural moment—recognizing how curriculum supports the beliefs and needs of the status quo as well as how curriculum might critique and propose new ways of being as individuals and as societies. The course explores a broad range of histories, philosophies, and approaches to schooling, including Freedom Schools, Native American boarding schools, transformative justice in education, play and free child movements, teacher-led movements, environmental studies, and the fight to defend ethnic studies programs as well as attempts to re-segregate and privatize public schools.

Artists, designers and scholars to be studied include Tonika Lewis, Eve Ewing, Elizabeth Todd-Breland, Jose Resendiz, Borderless Studios, Interference Archive, and Alexis Rockman. Readings from the field of art education by Doug Blandy, Laurie Hicks, and Mark Graham will trace the emergence of eco-art and place-based art education curriculum. Field trips include visits to school sites, Chicago Board of Education meetings and exploration of CBOE archives.

Course assignments include short response papers and course readings. Students conduct and report on six hours of observations in schools, sites of school decision-making, and in places where people attempt to build democratic processes related to schools. Students will conduct independent research on topics related to contemporary issues and schooling. Each student will prepare and present a culminating project proposal for a school whose curriculum and structures address their political and social concerns and pedagogical vision.

**Prerequisites:** ARTED 3015, ARTED 3021

ARTED 3900 (3 credits)

**Practices of Art & Design Education in Schools and Communities 2: Teens and Adults**

Relating contemporary and traditional artmaking approaches and culturally responsive pedagogy with curriculum, project, and instructional design methods, this course provides prospective teachers and teaching artists with knowledge and skills needed to structure learning experiences through which teens and adults in high schools and community settings enhance their creativity, develop technical skills, understand a range of artmaking practices, make personally meaningful works, and explore generative themes in their lives and the lives of their communities. Course participants will structure teaching plans that identify students’ prior knowledge, scaffold learning, use multiple teaching and learning strategies to promote student engagement and differentiate instruction to meet the needs of all students. They will learn to articulate clear and verifiable core learning objectives, select relevant national and state standards and design assessments that capture essential student learning without standardizing students’ artworks. Teacher reflection based on critique, student input and assessment data will be used in an iterative process of editing and redesigning curriculum. Connecting visual and verbal literacies, prospective teachers will make use of reading, writing and speaking activities that engage students in interpreting art and analyzing visual culture. Teachers will learn to select and/or develop reading level-appropriate art and culture readings to support learning with an emphasis on enhancing vocabulary and comprehension as well as pre- and post-reading strategies.

Studying a range of art education practices will provide teacher candidates with theoretical perspectives from which to expand their own unique pedagogical approaches. Readings include works by Paulo Freire, Dipti Desai, Julia Marshall, Amelia Kraehe, Paul Bolin and Doug Blandy on material culture, Ploof, Quinn and Hochtritt on Art and Social Justice Education, Terry Barrett’s Principles of Interpretation as well as overviews of Postmodern Principles, Visual Culture, Design Thinking, and Understanding by Design.

Course assignments will include readings and discussion responses and researching artists, artmaking approaches and pedagogical practices as well as writing project and lesson plans accompanied by teacher artwork examples, image presentations, readings, assessments and other instructional materials, as well as documenting plans and student artworks. Participants will teach small groups of students in high schools with English Language Learners.

**Prerequisites:** ARTED 3015, ARTED 3021
ARTED 4100 (3 credits)
Cultural Approaches to Production
The focus of this course is to support a sense of purpose and agency in prospective art teachers, teaching artists, and cultural workers by exploring how individual and collaborative cultural production reflects and influences conceptions of race, class, ethnicity, geography, sexuality, and physical/cognitive abilities in a diversity of communities and settings. Students will interrogate the cultural contexts—aesthetics, artmaking approaches, social, political, historical, theoretical, technological, and pedagogical—that frame the making, interpreting, analyzing, sharing, and teaching of art, design, and visual culture in school and community settings. Students will develop content for art and culture projects and curriculum sequences based upon contemporary topics, issues, and themes.

Students will explore the work of contemporary artists and cultural workers who integrate diverse artmaking approaches, cultural histories, theoretical orientations, and psychological perspectives into their arts-based practices. Artists and readings will be chosen based upon timely and emergent issues, concepts, and themes affecting a diversity of communities. Methods and strategies for integrating various literacies—verbal, visual, media, technological, computational—into cultural projects and curriculum will be explored.

Assignments include artmaking (as a form of curriculum research and development), designing and sharing a multi-project curriculum sequence, and presenting a curriculum in a public setting such as a website, exhibition, or presentation.
Prerequisites: ARTED3015, ARTED 3021, ARTED 3125, ARTED 3900

ARTED 4390 (3 credits)
Practicum: Elementary and Secondary Experiences
This course provides teacher candidates with opportunities to observe, analyze, teach, and evaluate in elementary and secondary settings. Teacher candidates build constructive relationships with K-12 students, faculty, staff, and community members at two practicum sites through guided observation engagement. They develop and teach curriculum projects and learn methods of non-punitive classroom management. This experience provides groundwork, connections, and continuity to apprentice teaching. Apprentice teachers will complete a 5-week elementary/middle school placement and a 5-week high school placement as well as attend a weekly apprentice teaching seminar at SAIC.

Students will study examples of curriculum and pedagogy that cover all Illinois state mandated standards as defined by the Illinois State Board of Education (ISBE): NASAD Visual Arts Standards; Illinois Professional Teaching Standards; Social and Emotional Learning Standards; Literacy Standards. In the process, students will learn to create original art curriculum that encompasses these standards, and how to implement these standards in their pedagogical practice.

The course includes observation/teaching days at elementary and secondary school placements, as well as weekly seminars at SAIC. During each of their two 5-week placements, students spend the school day at their respective assigned school placements before attending the evening seminar at SAIC. Time in seminars is spent developing and critiquing curriculum projects, exemplars (teacher project samples), instructional materials and assessment strategies in preparation for teaching in practicum placement schools, and later in apprentice teaching.
Prerequisites: ARTED3015, ARTED 3021, ARTED 3125, ARTED 3900

ARTED 4900 (12 credits)
Apprentice Teaching
The Apprentice Teaching course continues learning experiences begun during practicum placements in the fall semester. This course provides licensure candidates with experience investigating significant, contemporary concepts and themes within a contemporary art and design context in elementary and secondary Chicago-area schools. Apprentice teachers will complete a 7-week elementary/middle school placement and a 7-week high school placement as well as attend a weekly apprentice teaching seminar at SAIC. Apprentice Teachers will be challenged to maintain high ideals of creative, critical, and relevant curriculum as they engage the complex realities of public school teaching. Students will read a selection of texts that ground curricular theory within teaching practice. This will assist them in learning how to translate their curriculum development knowledge into pedagogy. Apprentice teachers will plan, teach, assess their students’ work, and evaluate the effectiveness of their lessons and teaching strategies. Apprentice Teachers will teach a culminating curriculum project, video-record their instruction of this project, and submit these videos along with written analysis to the nationally standardized, Illinois State Board of Education-mandated edTPA assessment.
Prerequisites: ARTED3015, ARTED 3021, ARTED 3125, ARTED 3900, ARTED 4100, ARTED 4390
ACADEMIC POLICIES

Credit, No Credit, and Incomplete
At SAIC, undergraduate-level students’ work must meet the standard of a C to receive credit. The Illinois State Board of Education requires that grades for an education degree leading to Illinois Teacher Licensure must be a C- or higher.

No Credit: Teacher candidates who fail to complete course requirements in a satisfactory fashion will receive a final grade of NCR (No Credit). Candidates who fail to successfully complete a required art education course will meet with the SAIC Teacher Education Committee who will review their academic record and determine whether the candidate should re-enroll in the course, take a leave from the program, or be dismissed from the program. Because many courses in the teacher education program must be taken in sequence, failure to earn credit for a course may result in delaying the candidate’s plan for program completion.

Incomplete: A Grade of INC is granted by the instructor only if the teacher candidate can demonstrate that the request is justified by extenuating circumstances. To be eligible to receive an INC, teacher candidates must have punctually attended the majority of classes as well as regularly completed assignments in a satisfactory manner prior to the last date to officially Withdraw from the class. Thus, it is inappropriate for a faculty member to issue an INC to a student who had excessive absences or did not perform academically throughout the semester. Such students will have received Course Progress Reports indicating their danger of failing the course and have been referred to their Program Director and/or Academic Advising to discuss the options available to them.

Teacher candidates must request an Incomplete in writing by the last day of class. At that time, it is the responsibility of the teacher candidate to work out a plan for completing the course, including a timeline and agreed upon assignments. This plan will be put in writing by the faculty member and shared with the student and program director. Once the required work and deadlines have been set, it is the student’s responsibility to submit their work in a timely manner. Incompletes must be resolved within the first two weeks of the following regular semester or the grade automatically changes to NCR (no credit) in the SAIC system.

When the required work has been completed and accepted, the faculty member must notify the Registrar’s Office at saic.registrar@saic.edu to have the Incomplete grade changed to Credit. In the aftermath of the Spring 2020 affected by the Covid-19 pandemic, any INC grades from Spring 2020 remaining at the end of the fall 2020 semester add/drop period will automatically be changed to WCV (withdraw during COVID pandemic).

Meeting Requirements for Placement in Practicum/Apprentice Teaching Sequence
In the 2nd semester of the Art Education program course sequence, the Art Education Placement Coordinator will begin confirming Practicum/Apprentice Teaching elementary and secondary placements for students who are in good academic standing and have registered for the Visual Arts Content Test. Students who have submitted documentation to the Licensure Specialist of registering for the Visual Arts Content Test can register for Practicum. If due to the COVID-19 pandemic, issues arise that impact the ability of students to take the Visual Arts Content test due to testing site closures and/or stay-at-home orders. In the event of such issues, the department will work with individual students and with ISBE to make alternate plans.

Leave of Absence from the Art Education Program
A student/teacher candidate may petition the Teacher Education Committee to grant a one-year leave from the BFAAE Program if for personal reasons they are unable to continue in the program at that time. A student/teacher candidate may later request an additional one-year leave from the BFAAE program. Students/teacher candidates must complete their degree within the timeframe specified by the SAIC Bulletin, including time on Leave of Absence.
The Teacher Education Committee may require that a student/teacher candidate take a leave from the program because of not meeting requirements listed in the program Transition points. Reasons that a student be mandated to take a leave from the program include: not meeting ISBE requirements for passing the Visual Arts content test before Apprentice Teaching course sequence, no credit or incompletes for a core licensure course, or not meeting ISBE requirements for teacher behavior as defined by the SAIC Teacher Dispositions in this Program Guide.

When students are granted a leave of absence from the BFAAE program, the Program Director and Chair will meet with the student to sign a Leave from the Art Education Program Agreement Letter which will stipulate needed remediation and conditions in order to return to the BFAAE program. Typical conditions for being re-admitted to the program include passing the Visual Arts content test, demonstrating progress in passing non-core art education courses, completing any Incompletes, entering into a behavior contract agreeing to display Teacher Dispositions, or working in community settings to gain and demonstrate experience in working with youth and communities. Failure to meet the terms of Leave from the Art Education Program Agreement Letter will result in dismissal from the BFAAE program.

Students who are granted a leave of absence from the BFAAE program can elect to stay enrolled at SAIC and take Studio, Art History and Liberal Arts courses. They will be unable to enroll in any coursework related to the BFAAE program. If a student is taking time away from SAIC, the student should also file a SAIC Leave of Absence through the Academic Advising Department.

**Dismissal from the BFAAE Program**
Candidates must comply with all Art Education program academic and administrative policies and guidelines regarding academic integrity, retention, and dismissal as outlined in the Program Guide, the Teacher Candidate (Student) Agreement, and in the current SAIC Bulletin.

Candidates must exhibit SAIC Teacher Dispositions (as described in this Program Guide) consistently demonstrating these through professional behavior and in academic and artistic work throughout their program. Candidates who do not demonstrate SAIC Teacher Candidate Dispositions will meet with their Program Director and the SAIC Teacher Education Committee. The committee will review the concerns and recommend a remediation plan or dismissal from the BFAAE program. Upon dismissal from the BFAAE Program the student will meet with a representative of the Teacher Education Committee and a representative of the Undergraduate Dean’s office to determine whether the student is eligible to enter the BFA Program.

At the beginning of their SAIC BFAAE Program, students are given an overview of the Teacher Candidate (Student) Agreement by the Licensure Specialist and Program Director. This agreement must be initialed and signed to begin each stage of the program. Failure to meet the terms of this agreement may lead to dismissal from the BFAAE Program.

Candidates must receive “Credit” CR to indicate successful completion of each course required for the BFAAE program. If a candidate receives “No Credit” (NCR) for any required BFAAE course, to complete the degree the course must be retaken with permission of the SAIC Teacher Education Committee.

Candidates who do not receive CR in a required course will be placed on academic probation and a remediation plan will be developed with the candidate. If a candidate receives two NCR’s in any required Art Education coursework, that candidate will be dismissed from the BFAAE program.

In the case of not receiving credit for Apprentice Teaching, the Teacher Education Committee reviews the case and determine whether the candidate is eligible to be assigned a school placement and may then re-enroll in an Apprentice Teaching course.
PRE-CLINICAL AND CLINICAL EXPERIENCES

Pre-Clinical hours related to initial Art Education coursework
Students complete 93 hours of pre-clinical experiences (sometimes called observation hours) in conjunction with several Core Art Education courses—Practices of Art & Design 1 (9 hours), Practices of Art & Design 2 (9 hours); Doing Democracy: Schooling in the Anthropocene (9 hours); Becoming Human (6 hours), culminating in Practicum: Elementary and Secondary Experiences (60 hours).

Placement for SAIC Practicum/Apprentice Teaching Sequence
The Department of Art Education places teacher candidates in both the pre-clinical experience called “Practicum” (formerly known as “Fieldwork”) and clinical experience called “Apprentice Teaching” with accomplished art educators who are jointly selected by the SAIC Art Education Department and partnering schools.

Selection of sites and mentors is made by the Art Education Placement Coordinator in conjunction with the Teacher Education Committee. Placements are dependent upon site availability, the candidate’s artistic interests, pedagogical styles, and logistical concerns. Placement is restricted to Chicago and contiguous suburbs. Candidates are responsible for transportation to and from their sites. Final decision on teaching sites is at the discretion of the Department of Art Education and the host school.

Typically, the candidate’s elementary Practicum placement will be the same site as the candidate’s elementary Apprentice Teaching placement. The candidate’s secondary Practicum placement will be the same site as the candidate’s secondary Apprentice Teaching placement.

International students are required to meet with SAIC International Student Services to complete Curricular Practical Training (CPT) authorization paperwork before registering for (off-campus) Practicum and Apprentice Teaching.

PRE-CLINICAL AND CLINICAL ASSESSMENT
During the pre-clinical and clinical experiences, candidates are assessed using multiple indicators to determine levels of accomplishment and performance in preparation, motivation and effectiveness, communication skills, assessment, evaluation, self-reflection and adaptation, creation of a democratic classroom; integration of contemporary art and contemporary issues; professionalism, and responsibility.

Grades for Practicum and for Apprentice Teaching are given by the SAIC Faculty Supervisor based on observations, mentor teacher observations and feedback, candidate/faculty conferences, teaching portfolios, project examples, journal entries, curriculum project plans and participation in/work completed for the accompanying seminar meetings.

PRACTICUM (PRE-CLINICAL) OVERVIEW
In the final pre-clinical experience, Practicum: Elementary and Secondary Experiences (ARTED 4390) teacher candidates observe, assist, instruct, and assess K-12 students. Typically, candidates spend one day a week for ten weeks—5 weeks in an elementary school and 5 weeks in a secondary school (60 pre-clinical hours). On the same day of the week that candidates visit their elementary or secondary school placement, candidates attend a weekly seminar class in the evening hours from 5:00 PM - 8:00PM. Candidates will not be able to register for or take any other courses on their assigned day for Practicum at placement site and evening seminar class. The SAIC Faculty Supervisor visits and assesses the candidates once during each elementary and secondary pre-clinical Practicum placement.
APPRENTICE TEACHING (CLINICAL) OVERVIEW

In Apprentice Teaching (ARTED 4900) candidates are fully immersed in school learning environments; candidates spend 5 days per week (approximately 35 hours a week) for fourteen weeks total—seven weeks in elementary school and seven weeks in a secondary school (490 hours). Candidates attend a weekly seminar class in the evening hours from 5:00 PM - 8:00PM on the same day of the week attended during Practicum. Between the two seven-week school placements, candidates participate in a mandatory week-long workshop (aka “edTPA bootcamp”) for support in writing and compiling their edTPA teaching assessment portfolios.

The edTPA (Teacher Performance Assessment) requires teacher candidates to demonstrate readiness to teach through lesson plans designed to support their students' strengths and needs; engage real students in ambitious learning; analyze whether their students are learning; and adjust their instruction to become more effective. Teacher candidates submit unedited video recordings of themselves at work in a real classroom as part of a portfolio that is scored by highly trained educators. The Illinois State Board of Education mandates that teacher candidates must pass receive a passing score on the edTPA assessment to be granted licensure to teach in the state of Illinois (from www.edtpa.com).

Candidates’ scheduled time at Apprentice Teaching sites matches each school’s daily start and end time. Meeting the SAIC disposition of Professionalism requires that candidates arrive at the school early enough to be prepared to teach when students arrive. Candidates are also expected to spend time outside of regular school time to plan and prepare for teaching their curriculum projects and to support the pedagogical needs of their host department. SAIC supervising faculty assess the teacher candidate twice during each elementary and each secondary clinical site placement. Candidate’s teaching is also evaluated by their mentor teachers.

SCHOOL DISTRICT REGISTRATION

Candidates must register with the Chicago Public School district before both pre-clinical and clinical experiences (unless waived by Chicago Public Schools). The registration process includes an application, and a fingerprint-based background check. For Apprentice Teaching a Tuberculosis Clearance (TB) test will be required. This background check is part of the Chicago Public Schools Student Teacher registration process and is required of all teacher candidates. The results of this background check will be sent directly to Chicago Public Schools. Candidates who are student teaching in suburban districts will have to complete separate registration processes for each district. Candidates are responsible for all fees associated with TB tests, physicals, background checks, etc.

OTHER PRE-CLINICAL AND CLINICAL PRACTICES INFORMATION

Assignment to Apprentice Teaching (ARTED 4900) is dependent upon successful completion of the following program and ISBE requirements:

- Apprentice teaching is completed during the final semester of study at SAIC.
- Candidates must complete all core teacher education preparation coursework before enrolling in Apprentice Teaching (ARTED 4900).
- Candidates are required to be registered by March 31 of the 2nd semester of the Art Education program course sequence to take the ILTS Visual Arts Content Area Test between March 31 and Nov 15 of that year before they are allowed to register for and proceed onto Practicum. Candidates must pass the ILTS Visual Arts Content Area Test by Nov 15 of their 3rd semester of the Art Education program to proceed into Apprentice Teaching.
CRIMINAL BACKGROUND CHECK REQUIREMENT

All teacher candidates must complete a fingerprint-based background check at the beginning of the teacher preparation program. Chicago Public Schools will receive the results of this background check. No teacher candidates will be allowed to enter or observe classrooms where minors are present until the Chicago Public School district has approved the background check.

Teacher candidates may need to complete another fingerprint-based background check during the Practicum semester before beginning Apprentice Teaching. Candidates will be notified by the SAIC Licensure Specialist when to begin this process. Students who are in linked placement schools between Practicum/Apprentice Teaching may not need to complete another fingerprint-based check. Contact Licensure Specialist for whether you will need a second background check.

The fingerprint-based background check will cost approximately 60 dollars each; the candidate is responsible for these fees. If the results of the teacher candidate’s background check do not meet Chicago Public School district’s standards, the candidate cannot continue in the BFAAE teacher preparation program.

Candidates who will be teaching in suburban public or in private schools must meet the background check requirements of each district. Check with the Art Education Placement Coordinator and Licensure Specialist for details on communicating with the school district on initiating this process.

When applying for the State of Illinois K–12 Visual Arts Professional Educator License, the Illinois State Board of Education will require all applicants to declare the following: any convicted felony; any sex, narcotics, or drug offense; charges of child abuse; and tax evasion. Applicants must disclose whether they have had a teaching license denied, suspended, or revoked. Student loans in default, without an established repayment plan, must also be reported. Candidates who will need to declare any of these offenses or issues should check with the Licensure Specialist about the impact that such a declaration may have on Licensure. The Licensure Specialist will also recommend that candidates seek personal legal counsel before making declarations to ISBE.
TEACHER LICENSURE TESTING REQUIREMENTS

There are two tests that the Illinois State Board of Education requires teacher preparation candidates to complete and pass before, during, and upon completion of a program. It is important to understand that these tests are mandated by the State of Illinois. The SAIC Department of Art Education is obligated to ensure all candidates have met these legal requirements before recommending the candidate for licensure.

Candidates must pass the following tests in this order:

<table>
<thead>
<tr>
<th>Test</th>
<th>Date for Passing Score</th>
<th>Validity Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Test 1: ILTS Visual Arts Content Area Test (214)</td>
<td>To be completed and passed before Nov 15 during the Practicum semester. By state law, must be passed before proceeding into Apprentice Teaching.</td>
<td>Valid indefinitely</td>
</tr>
<tr>
<td>Test 2: edTPA Clinical Practice Assessment</td>
<td>To be completed and passed during the Apprentice Teaching semester. By state law, must be passed before conferring Illinois licensure.</td>
<td>Definitive information on the period of validity of an edTPA score is unknown at this time. Check with SAIC Licensure Specialist.</td>
</tr>
</tbody>
</table>

Retaking ILTS Visual Arts Content Test
Candidates must wait 30 days to retake ILTS Visual Arts Content test.

ISBE Testing Requirements Are Subject to Change
The State of Illinois testing and assessment requirements periodically change. As a result, candidates for Illinois licensure may be required to complete a different set of tests and/or assessments than those noted above. Please check with the SAIC Licensure Specialist for up-to-date information.

edTPA ASSESSMENT
A passing score on the edTPA (Teacher Performance Assessment) is required to be eligible for the State of Illinois Professional Educator License. A passing score on the edTPA assessment is required for the State of Illinois Professional Educator License, but not the conferral of the BFAAE degree.

Candidates must take the edTPA assessment while enrolled in Apprentice Teaching as a requirement of the course. If a candidate does not receive a passing score on edTPA from the first submission, the candidate must resubmit a revised portfolio (or sections of the portfolio) to Pearson in order to receive Credit for Apprentice Teaching. After the candidate has submitted to edTPA two times (even if a passing score is not achieved), the candidate is eligible to receive CR (credit) for Apprentice Teaching and is thus eligible to graduate from SAIC if all other requirements are fulfilled.

If a candidate does not submit the edTPA a second time during the Apprentice Teaching semester, the grade will be NC (no credit) UNLESS the candidate requests an INC (incomplete) in writing to the SAIC Faculty Supervisor. The candidate can continue to work on the edTPA portfolio after the end of SAIC Spring Semester, but the Art Education Department cannot guarantee that the SAIC Supervising Faculty will be available to provide support during this time. If the candidate does not resubmit to edTPA before the beginning of the fall semester, according to SAIC policy, the INC will become an NCR and the candidate will have to retake Apprentice Teaching. In this instance, the candidate and their faculty advisor will create a calendar that provides the candidate time to observe the new placement site and prepare lessons for Apprentice Teaching.
edTPA Statement on Originality and Plagiarism

As indicated in the Visual Arts edTPA handbook, you and your teacher preparation instructors can and should discuss how the various aspects of edTPA connect with each other and to your preparation coursework and field experiences. However, the specific choices that go into the planning, instruction, and assessment tasks that are part of edTPA should solely reflect your thinking, based upon your knowledge of pedagogy and your students’ needs. Originality requirements apply to settings where co-teaching and collaborative planning may take place. Even if you are co-teaching, collaboratively planning with another candidate or your grade-level team, or in a context with a uniform, prescriptive curriculum, you must be the lead teacher for the lessons documented in the learning segment and submit original commentaries. You may choose to incorporate help from other classroom personnel during your learning segment (e.g., teacher’s aides or parent helpers) but, again, you must be the lead teacher and these strategic decisions should be addressed in your commentaries. In your Context for Learning section, you will explain your placement setting and any features that influence your planning process. Your commentaries for each Task must provide your own justification for planning decisions and analyses of your teaching and student learning. Outside editing support of your official edTPA submission that includes direct revisions to the content of your writing is not permitted. Consult with your Faculty Supervisor and Director of Teacher Education for guidelines for acceptable support while developing your edTPA materials.

Originality detection software is employed to compare all edTPA submissions nationwide against all other edTPA submissions received, including outside written sources and other sources of material. The software reports any substantial degree of matching between submitted edTPA portfolios. In cases where there is substantial matching, a specially trained portfolio reviewer may then elect to seek enforcement action against the candidate(s) involved and/or refer the candidate(s) to the Illinois State Board of Education for enforcement action. A candidate’s edTPA score may be voided and the registration fee may not be refunded to the candidate. Further, the candidate’s application for licensure may be denied if it is determined that these actions constitute a reasonable question of moral character. As it may raise a reasonable question of moral character, the Illinois State Board of Education may elect to seek revocation of licensure held by the candidate, without regard to whether the failure to abide by edTPA’s Rules of Assessment Participation and/or SAIC’s plagiarism policies was detected before or after the licensure were issued.
**RECOMMENDATION FOR LICENSURE**

Individuals who successfully complete the BFAAE program may apply for the State of Illinois K–12 Visual Arts Professional Educator License. Teacher candidates will not be eligible to apply for licensure if they fail to successfully complete any requirement for the BFAAE program as specified in this Program Guide, the Teacher Candidate (Student) Agreement, and the SAIC Bulletin. This includes all coursework, ILTS Visual Arts Content test, the edTPA assessment, and pre-clinical and clinical hours.

The Licensure Specialist will provide instruction on how to use the Educator Licensure Information System (ELIS) with the candidates at the end of the clinical experience (Apprentice Teaching) semester.

It is strongly recommended that teacher candidates successfully completing the BFAAE program apply for licensure immediately following completion of the degree, regardless of immediate teaching plans. Failure to do so may render the SAIC Department of Art Education unable to recommend the teacher candidate for licensure in the future, as the requirements for licensure tend to change over time. Graduates who delay completing the licensure process must meet current ISBE requirements in order to be eligible for teacher licensure in the future.

SAIC's teacher preparation coursework often meets the teacher licensure requirements for other states and countries. However, SAIC cannot guarantee that an Illinois Professional Educator License will be honored outside of Illinois. If teacher candidates are interested in teaching in other states, they are responsible for reviewing licensure requirements for states other than Illinois before program completion and contacting the Licensure Specialist for assistance.

Transition Points

Unit ASSESSMENT SYSTEM

The assessment system of the SAIC Teacher Preparation Program has six transition points that teacher candidates must successfully reach before moving into the next stages of the program to fulfill degree requirements and be eligible for the State of Illinois K–12 Visual Arts Professional Educator License. The SAIC Teacher Preparation Program collects data and uses expectations and outcomes to: identify qualified candidates at the entry level; evaluate continuing student performance at multiple decision points throughout the program; and determine levels of accomplishment and appraise program completion requirements.

The six transition points are:

1. Admission into either the Bachelor of Fine Arts with Emphasis in Art Education (BFAAE) program.
2. Beginning Art Education Program coursework.
3. To begin pre-clinical experiences (ARTED 4390 Practicum: Elementary and Secondary Experiences).
4. To begin clinical experiences (ARTED 4900 Apprentice Teaching).
5. Graduating/Degree completion from the Bachelor of Fine Arts with Emphasis in Art Education (BFAAE) program, prior to recommendation for licensure.
6. Recommendation for Licensure upon completion of all degree requirements and passing edTPA.

See detailed information on each Transition Point below. All requirements apply to the BFAAE degree program.

1 Transition Point ONE

ADMISSION to PROGRAM—BFAAE

- BFAAE applicants are required to be at least at sophomore standing or equivalent.
- BFAAE applicants are expected to have completed 12-15 Non-Art Education credit hours each semester of their first year and in fall of sophomore year. Applicants must be enrolled in 12-15 Non-Art Education credit hours in spring semester of sophomore year. Applicants who will have fewer than 48 credit hours may need to wait until spring of junior year to apply. Consult with the Licensure Specialist for credit completion plan guidance.
- A transcript analysis is conducted during the application process. All applicants must meet SAIC institutional requirements for admission to undergraduate programs. Applicants seeking approval for transfer credit must request this at the time of application and admission. (See Program Guide for more information.)
- Applicants in the BFAAE teacher preparation programs are assessed using multiple indicators including prior academic performance, visual portfolio, writing samples, letter(s) of reference, and a formal interview with a representative of the BFAAE teacher preparation program. Candidates are reviewed for 1) academic ability; 2) knowledge and skills in artmaking in traditional and digital media; 3) knowledge of visual culture, art history and related disciplines; 4) motivation, commitment, and ability to learn. Program directors rate candidates using a holistic rubric.

In the Summative Assessment, BFAAE candidates must receive a 3 or higher.

  *SAIC Teacher Education Committee reviews candidates during and at the conclusion of Practicum and meets with candidates who fail to successfully complete any part of Practicum. The Committee reviews concerns to determine if the candidate will continue in the program with a remediation plan, will take a leave from the program with a remediation plan for re-entry, or be dismissed from the program.*

The recommendation for licensure and email of instructions for applying for the PEL are generated for those who qualify within four weeks following either the official date of the BFAAE degree, or the date SAIC is officially notified the edTPA is passed, whichever is later.

The PEL and license number are issued immediately at the end of the online application process after all requisite state license fees and county registration fees are paid with a credit card the candidate is authorized to use.

Candidates must complete their application and have their license issued within one year of the date the recommendation for licensure is submitted to ISBE by SAIC’s Licensure Specialist.

Candidates must register their license within six months of the date of application or the license validity will lapse. Reinstatement requirements and fees may apply.

 Bachelor of Fine Arts with Emphasis in Art Education  BFAAE

TEACHER CANDIDATE AGREEMENT
(Revised February 2021, for students beginning Art Education coursework Spring 2021)

________________________________, has enrolled in the Bachelor of Fine Arts with Emphasis in Art Education (BFAAE) program at the School of the Art Institute of Chicago (SAIC) and has received the BFAAE Program Guide.

The candidate understands the specific requirements and policies of the program as set forth below. The candidate’s failure to meet any of these requirements and/or abide by these policies can result in the candidate’s dismissal from the program by the Teacher Education Committee.

PROGRAM INFORMATION AND POLICIES

- **Illinois State Board of Education (ISBE) – State Approved Program**: Teacher candidates understand that the BFAAE program meets the current requirements for the Illinois K-12 Initial Visual Arts Teaching License. Although SAIC’s BFAAE teacher preparation coursework often meets the licensure requirements for other states and countries, SAIC cannot guarantee absolute reciprocity between the Illinois license and out-of-state districts. If Teacher candidates are interested in teaching in other states outside of Illinois, they are responsible for reviewing licensure requirements in other states before program completion, and may contact the SAIC Licensure Specialist for assistance.

- **Program Completion Timeline**: Candidates have a maximum of four years, from the time they enter the BFAAE program, to complete the program (including time off for leaves-of-absence.) Teacher candidates must meet the State of Illinois licensure requirements in the year in which they are graduating and seeking licensure.

- **Successful Completion of SAIC Coursework**: In addition to following all SAIC undergraduate academic and administrative policies and guidelines regarding retention and dismissal (see SAIC Bulletin), candidates must receive “Credit” (CR) to indicate successful completion of each course required for the BFAAE program.

- **If a candidate receives “No Credit” (NC) for any required BFAAE course that candidate must take that course again. The candidate will be placed on departmental probation for the remainder of the program. Any subsequent NC for any required Art Education course will result in the candidate not being allowed to continue in the program.**
• **Dispositions:** Teacher candidates are expected to demonstrate SAIC’s teacher candidate dispositions in professional and academic settings. Teacher candidates will also exhibit sensitivity to and respect for the multiple social, cultural and economic realities of SAIC faculty, mentor teachers, colleagues, school personnel, parents, community members, and students. This includes demonstrating respect for diversity and differences, including ability, age, class, ethnicity, race, gender, and sexual identity. Teacher candidates are expected to use suitable language and mannerisms, via in-person and online communication, and maintain appropriate relational boundaries when interacting with students and colleagues.

  - **Failure to demonstrate these dispositions can result in dismissal from the BFAAE program and/or denial of licensure.**

• **International Students Only:** Curricular Practical Training (CPT) Form: International students are required to meet with SAIC International Student Services to complete authorization paperwork before registering for off-campus fieldwork. The International student cannot start ARTED 4390 Fieldwork/Practicum: Elementary and Secondary Experiences or ARTED 4490 Apprentice Teaching until they receive CPT authorization on their I-20 from International Affairs. For more information about CPT visit [www.saic.edu](http://www.saic.edu) and go to “Life @ saic” at the top > International Affairs > Maintaining Legal F-1 Status > Employment > Curricular Practical Training.

1) **TRANSITION POINT ONE: ADMISSION TO THE PROGRAM**

• Welcome to the program! You are now a SAIC Teacher Candidate!

2) **TRANSITION POINT TWO: BEGIN ART EDUCATION COURSEWORK WITH SCHOOL OBSERVATIONS**

• **Chicago Public Schools (CPS) Field Experience Registration & Fingerprinting:** All teacher candidates must complete a CPS online registration form and fingerprint-based background check at the beginning of the teacher preparation program in order to complete observation hours during any coursework that involves visits to schools as well as the Fieldwork/Practicum and Apprentice Teaching Sequence. CPS receives the results of this background check directly from Accurate Biometrics.

  - **In Spring 2021 because of pandemic exceptions, Candidates will be asked to complete this process in April or May 2021. Do not complete any fingerprinting until directed by the SAIC Licensure Specialist.**

• No teacher candidates will be allowed to enter or observe classrooms where minors are present until the Chicago Public School district has approved the background check. The background check will cost approximately 60 dollars. If the results of the background check do not meet CPS district’s standards, the teacher candidate will be dismissed from the teacher preparation program.
• **Other School Districts Student Teaching Registration, Fingerprinting and Tuberculosis (TB) Test:** Teacher candidates must meet the requirements of each district in which they will do Fieldwork/Practicum or Apprentice Teaching. Contact the SAIC Placement Coordinator and Licensure Specialist as well as the school district representative to learn the requirements regarding registration, background checks, and health certificates required at each district’s placement. Teacher candidates are responsible for any fees associated with additional background or medical checks.

• **DCFS Mandatory Reporter:** Teacher candidates will complete the Illinois Department of Human Services Mandated Child Abuse Reporter on-line training at the beginning of the teacher preparation program. Teacher candidates must submit a copy of the “Certificate of Completion” from the training and sign a copy of the “Acknowledgment of Mandated Reporter Status” form. Both items are due to the Licensure Specialist by the end of the second week of the first semester of the teacher preparation program.

**Teacher candidates should note the following policies that will impact Senior year course schedules and degree completion:**

• **Complete all studio, art history, and liberal arts before Apprentice Teaching.**

• **Candidates may request permission to complete some of their coursework after Apprentice Teaching.** A maximum of 15 credit hours can be taken after Apprentice Teaching. However, before Apprentice Teaching all required Art Education courses and Art History courses must be completed. Ideally, any remaining credit hours will be completed during the summer term following Apprentice Teaching. The Illinois State Board of Education requires that all coursework or other degree requirements leading to graduation must be completed during the year of Apprentice Teaching.

• **Illinois State Board of Education requires that graduation must occur within 1 year of Apprentice Teaching in order to grant licensure.**

• **Teacher candidates should not take more than 12 hours in their second (fall) semester:** Fieldwork/Practicum; Cultural Approaches; Psych/Soc/Phenom, one Non-Art Education degree program required course.

  • **No courses can be taken during the Winter session prior to the Apprentice Teaching in spring semester because Apprentice Teaching will begin approximately 1 week earlier than the SAIC spring semester start.**

  • **No other courses can be taken during Apprentice Teaching semester.**

  • **SAIC will permit a student to participate in the graduation commencement ceremony if they have nine or fewer credits to complete at the time of commencement.**
3) TRANSITION POINT THREE: TO BEGIN FIELDWORK/PRACTICUM (ARTED 4390)

  - Candidates who do not demonstrate SAIC Teacher Candidate Dispositions will meet with the SAIC Teacher Education Committee. The committee will review the concerns and develop a remediation plan with the candidate.

- Placement for Fieldwork/Practicum: Selection of placement sites is made in cooperation with the SAIC Placement Coordinator and the SAIC Teacher Education Committee. Matching sites, mentors, and teacher candidates is dependent upon site availability, the candidate’s interests, knowledge base and artistic skills as well as logistical concerns regarding SAIC Faculty Supervisors and locations. Candidates were formally assessed two times by their Mentor Teacher and two times by their SAIC Faculty Supervisor, using the SAIC Fieldwork/Apprentice Teaching Assessment form. Each Mentor Teacher and Faculty Supervisor rate the teacher candidate on a scale from 1 to 5 (1 = Unacceptable; 2 = Weak; 3 = Satisfactory; 4 = Highly Proficient; 5 = Exceptional) in the eight assessment areas (Prepared, Critically Engaged, Motivating, Communicative, Professional, Reflective, Fair, and Responsible) that correspond to the dispositions described in the Unit’s conceptual framework. In the Summative Assessment, BFAAE candidates must receive a 4 or higher.

- **SAIC Teacher Education Committee reviews candidates during and at the conclusion of Fieldwork/Practicum and meets with candidates who fail to successfully complete any part of Fieldwork/Practicum. The Committee reviews concerns to determine if the candidates will continue in the program with a remediation plan, will take a leave from the program with a remediation plan for re-entry, or be dismissed from the program.**
5) TRANSITION POINT 5: GRADUATING – DEGREE COMPLETION

- **Complete Required SAIC Core Coursework:** Candidates must complete required SAIC Teacher Preparation Core Coursework and other required courses as outlined in their respective program curriculum.
  
  BFAAE: ARTED 3120, ARTED 3125, ARTED 3900, ARTED 4220, ARTED 4100, ARTED 4390, ARTED 4900.

- **Dispositions:** Candidates must have exhibited SAIC Teacher Dispositions consistently demonstrating these through behavior, academic, and artistic work throughout their program.
  
  o *Candidates who do not demonstrate SAIC Teacher Candidate Dispositions will meet with their Program Director and the SAIC Teacher Education Committee. The committee will review the concerns and recommend a remediation plan or dismissal from the program.*

- **edTPA:** Candidates must take the edTPA Visual Arts Portfolio exam during Apprentice Teaching. Candidates who do not pass edTPA the first time must resubmit needed components of the edTPA one additional time to be eligible for passing Apprentice Teaching and graduation. Candidates will be eligible to graduate even if they have not successfully passed the edTPA in two attempts.

- **Apprentice Teaching Attendance:** Candidates must meet the SAIC Teacher Education Program guidelines for Apprentice Teaching attendance. Apprentice Teaching is verified by candidate’s Mentor Teacher and submitted to the SAIC Faculty Supervisor.

- **Apprentice Teaching Assessment:** Candidates must demonstrate successful acquisition of the range of knowledge, skills, and pedagogical practices taught during Fieldwork/Practicum (ARTED 4900 Apprentice Teaching). Candidates receive critical feedback and are assessed by SAIC Faculty Supervisors, Mentor Teachers and peers on curriculum projects, teaching portfolios, research presentations, artwork, classroom teaching, and candidate reflections and self-evaluations.

- **Apprentice Teaching Evaluations:** During Apprentice Teaching, candidates were observed while teaching. Candidates were formally assessed twice by their Mentor Teacher and twice by the SAIC Faculty Supervisor, using the SAIC Fieldwork/Apprentice Teaching Assessment form. Each Mentor Teacher and SAIC Faculty Supervisor rate the teacher candidate on a scale from 1 to 5 (1 = Unacceptable; 2 = Weak; 3 = Satisfactory; 4 = Highly Proficient; 5 = Exceptional) in the eight assessment areas *Prepared, Critically Engaged, Motivating, Communicative, Professional, Reflective, Fair, and Responsible* that correspond to
the dispositions described in the Unit’s conceptual framework. In the Summative Assessment, BFAAE candidates must receive a 4 or higher.

- SAIC Teacher Education Committee reviews candidates at the conclusion of Apprentice Teaching and meets with candidates who fail to successfully complete any part of Apprentice Teaching to review concerns, develop a remediation plan with the candidate. Candidates who complete all other degree requirements (see above) and have not passed the edTPA after two attempts will be awarded the BFAAE degree.

Candidates who are awarded the Bachelor of Fine Arts with Emphasis in Art Education (BFAAE), pass the edTPA, and meet all other regulations and rules of the ISBE (Illinois State Board of Education) are approved for licensure by SAIC’s Licensure Specialist and recommended to the ISBE for a State of Illinois Professional Educator License (PEL) endorsed to teach the Visual Arts in Kindergarten through 12th grade.

6) TRANSITION POINT SIX: ILLINOIS EDUCATOR LICENSURE

- Complete All Program Requirements: Teacher Candidates must successfully complete all program requirements, coursework (including outstanding prerequisites) as specified in the BFAAE Program Guide.
- Dispositions: Candidates must exhibit SAIC Teacher Dispositions consistently demonstrating these through behavior, academic, and artistic work.
- edTPA: Teacher Candidates will successfully complete the edTPA, required by the ISBE for licensure, before the department can recommend the candidate for licensure.
- Exit Requirements: Candidates are required to meet with Program Director or Licensure Specialist for an exit interview and a final transcript analysis prior to recommendation for teacher licensure.
- Applying for Licensure and Timeline: Candidates approved and recommended for the PEL are notified by an email from the SAIC’s Licensure Specialist with instructions for how to apply online with the ISBE for their teacher license. The recommendation for licensure and email of instructions for applying for the PEL are generated for those who qualify within four weeks following either the official date of the BFAAE degree (conferral date) or the date SAIC is officially notified the edTPA is passed, whichever is later.
  - Educators must complete an ISBE program satisfaction survey in ELIS prior to receiving licensure.
• Timeline to Apply for Licensure: Candidates must complete their application and have their license issued within one year of the date the recommendation for licensure is submitted to the ISBE by the SAIC Art Education Licensure Specialist.

• Declaration of Past Criminal History: When applying for a teaching license, the Illinois State Board of Education will require all applicants to declare the following: any convicted felony or if subject to any pending criminal charges for a felony; any sex, narcotics, or drug offense; charges of child abuse; and tax evasion. Applicants must also disclose whether they have had a teaching license denied, suspended, or revoked. Student loans in default, without an established repayment plan, must also be reported.

• Recommendation for Licensure Expires after One Year: The requirements for licensure tend to change every few years. Thus, candidates who successfully complete the BFAAE program should apply for the Illinois teaching license as soon as their degree is conferred and regardless of their future teaching plans. The candidate’s recommendation for the teaching licensure will automatically expire one year after graduation. Failure to apply for one’s teaching license within this time may render the Department of Art Education unable to recommend the candidate for licensure in the future.

• Issuance of License Number: The PEL and license number are issued immediately at the end of the online application and registration process after all requisite state license fees and county registration fees are paid with a credit card the candidate is authorized to use.

Questions about the licensure process should be directed to SAIC Art Education Licensure Specialist.

I have read and reviewed the above information and understand all program requirements, policies, and procedures for the BFAAE program at SAIC.

Application & Instructions for beginning Fall 2021
due March 1, 2021
ADMISSION TO THE BFAAE PROGRAM

>> BFAAE ADMISSIONS CRITERIA
Students who declared Art Education as a major when beginning SAIC must still go through the process of applying to the Art Education Department to be an official Teacher Candidate for Illinois Licensure. Prospective candidates to the teacher preparation program are assessed using multiple indicators including: 1) prior academic performance; 2) knowledge of and skills in artistic production; 3) knowledge of visual culture, art history and related disciplines; and 4) motivation and commitment to learning.

>> BFAAE ADMISSIONS DEADLINE
Students apply to the BFAAE program during the second semester of their Sophomore year. Applications are due on the first Monday in March. There is only one application and entrance period each year. The Art Teacher Education curriculum sequence begins yearly in the 1st semester of Junior year so it is important that applications and other follow-up requirements prior to the junior year are completed in a timely manner.

>> ELIGIBILITY TO APPLY TO THE BFAAE PROGRAM
1. In order to apply to the BFAAE program, students must be admitted to SAIC's undergraduate program.
2. By the spring term of their first year, students who have declared or plan to declare Art Education as a major should schedule a meeting with the Art Education Department's Licensure Specialist for transcript analysis to determine the semester in which the student should apply to the BFAAE program. The application term is initially based on completed non-Art Education credits. Afterwards, students should meet with their academic advisor for scheduling advice to complete remaining non-Art Education credits as well as checking in with the Licensure Specialist after registration to ensure the student is taking courses required for the degree program.

APPLICATION MATERIALS and REQUIREMENTS OVERVIEW

>> Invitation to Apply (Fall Semester prior):
   o You will receive an invitation to apply to the BFAAE program from the Licensure Specialist. It will include the Application process and requirements. An invitation to the program may be on hold if the Licensure Specialist requests a response from the student regarding your status in the program. This may include: remaining non-Art Education credit, INC grades, BFA students uncertain about degree plans, possible leave of absence, registration not completed for the coming semester, and other academic issues.

>> Before Applying (Application window: January – February)
   o Meet with Licensure Specialist: Complete the eligibility requirements above and schedule a meeting with the Licensure Specialist to conduct a final transcript analysis. Following your meeting, the Licensure Specialist will email you a link to a personalized Google Drive folder, where you will upload your application materials excluding your Letter of Reference, which will be e-mailed directly to the BFAAE Director.
   o Interview with BFAAE Director: BFAAE Director will contact you to schedule an interview and portfolio review. This is an opportunity to get tips to prepare your portfolio and answer any questions you might have regarding the application and admission process as well as the BFAAE program.

>> Assemble Your Application and Upload the Following Materials by the first Monday in March.

Teacher Education during the 2020-2021 COVID-19 pandemic

During the 2020-2021 academic year covered by this program guide, the United States and the global community continue to grapple with the COVID-19 pandemic. This pandemic has disrupted the operations of school at all levels, causing varied responses that include an increased reliance on remote/online instruction. We recognize that your teaching conditions as teacher candidates are also your learning conditions as students. These varied responses inevitably impact our educational experiences. We promise to work to work with you to ensure that these conditions provide all of us creative and critical opportunities, given the circumstances, for your development as art educators.

As such, due to our evolving understanding of the public health crisis and its impact, in particular, on public education, some of the usual approaches engaged in Teacher Education may be required to be altered and/or changed. This includes the ability to complete observation hours in person, experiences in Fieldwork/Practicum and Apprentice Teaching, and related in-person opportunities. Any necessary changes to Teacher Education will be made in consultation with and guidance from the Illinois State Board of Education (ISBE), the Chicago Public Schools (CPS) and other districts as well as with the SAIC Make Ready team.

The SAIC Department of Art Education will be monitoring the evolving situations throughout the academic year in consultation with our partners to ensure that Teacher Candidates are safe and provided with high quality learning/teaching opportunities when needed. We ask for patience as we navigate this uncertain terrain, but also welcome your questions, concerns, and ideas.

As a department we understand the anxieties and uncertainties felt at this time. We recognize that the COVID-19 pandemic asks us to take seriously the very work that we have committed to around issues of social justice, particularly issues of racial and economic injustice that have been further exposed and exacerbated by the pandemic. The public health crisis that started in 2019 exposed the continued crises begun in 1619. Our work amidst such conditions is to continue to work to develop our understandings, pedagogical approaches, and artistic practices toward a more just and joyous world.

Covid-19 Pandemic-related changes and exceptions to Illinois State Board of Education requirements

In Spring 2020, the ISBE filed companion emergency rules for licensure that align with the Gubernatorial Executive Order 2020-31 (https://www.isbe.net/Documents/EO2020-31.pdf), providing relief on various licensure requirements, including those candidates who were to complete student teaching, internships, required exams, among other requirement during the spring 2020 semester. https://www.isbe.net/Pages/Licensure.aspx

This directive allowed the Spring 2020 semester SAIC Apprentice Teachers to receive full credit for their student teaching even though the number of hours in schools had to be reduced because of the state-wide shelter-in-place order. Another provision of the order permitted teacher candidates who could not complete their edTPA portfolio assessment to receive a temporary license. This waiver was only applicable to student teachers who were in schools during Spring 2020. Since all SAIC students from Spring 2020 completed and passed their edTPA exams, this waiver did not affect them.

This order has been extended during the pandemic and is in effect as of this writing in February 2021.

Contact the SAIC Licensure Specialist Valerie Vasquez if you have questions regarding any Covid-19 changes and exceptions that have been announced by the Illinois State Board of Education.
