## CLOSING TOMORROW, DECEMBER 3, 2021

“*Earthly Observatory* is a wide-ranging group exhibition that considers the relationship between climate change and social justice, making the case that education and acknowledgement are crucial first steps to social change.”

-Kerry Cardoza, Newcity

Tomorrow is the last day to see *Earthly Observatory*, co-curated by Giovanni Aloï and Andrew S. Yang. Book an appointment at [saic.edu/saic-galleries](http://saic.edu/saic-galleries) to catch this illuminating exhibition before it closes!
