61

00:11:06.900 --> 00:11:13.560

SAIC Student Financial Services: If you're interested, I have a qr code right there if you want to scan it with your phone right now will take you right to the page where you can get this.

SAIC Student Financial Services: On your financial aid award letter it's going to include a couple of different items, it could include any grants or scholarships a student might be eligible for.

67

00:12:10.500 --> 00:12:16.530

SAIC Student Financial Services: It will also include your eligibility for the Federal one subside Stafford loan program if you filled out a fast, but.

68

00:12:17.130 --> 00:12:27.630

SAIC Student Financial Services: It will also include your eligibility for federal work, study, if you are eligible for that particular program through the US Department of Education will include that on your word letter.

69

00:12:28.200 --> 00:12:38.250

SAIC Student Financial Services: And also include information regarding your eligibility to apply for the credit based federal direct graduate plus loan or private loan eligibility.

70

00:12:42.210 --> 00:12:49.290

SAIC Student Financial Services: I mentioned earlier that we're also including in the word guy and in the email that we're sending to all of our admitted students.

71

00:12:49.950 --> 00:13:00.330

SAIC Student Financial Services: Something called the fear cost worksheet, this is a tool that's used by students to help determine your cost here in saic once again, this must be submitted by the students.

72

00:13:00.630 --> 00:13:10.170

SAIC Student Financial Services: And it must be completed as soon as possible this help students understand if there are any additional costs after financial aid is applied, sometimes, known as the gap.

73

00:13:11.010 --> 00:13:23.220

SAIC Student Financial Services: Now this gap will have to be addressed, either by a full payment joining our payment plan we're securing additional loans, such as the federal direct graduate plus loan or privately.

74

00:13:24.030 --> 00:13:34.290

SAIC Student Financial Services: I want to remind you that rich worksheet is available on our website, you can actually scan the qr code that's right here will take you right to it what's great about it is that rich and rich.

75

00:13:35.430 --> 00:13:38.130

SAIC Student Financial Services: Work she will actually do the math revision work through it.

76

00:13:41.490 --> 00:13:43.680

SAIC Student Financial Services: here's a copy of the.

77

00:13:45.420 --> 00:13:54.870

SAIC Student Financial Services: figure cost budgeting worksheets again this worksheet is used help students determine what might be the remaining balance after scholarships grants and loans are applied.

78

00:13:55.500 --> 00:14:01.050

SAIC Student Financial Services: I want to remind students, that your financial aid is a warning to you, based on standard enrollment for your Program.

79

00:14:01.740 --> 00:14:11.310

SAIC Student Financial Services: And it's indicated on your letter and on your self service if you find you're going to be enrolling at something different than what we have your financial aid initially awarded on.

80

00:14:11.760 --> 00:14:18.960

SAIC Student Financial Services: Please reach out to our office, so we can make sure we adjust your financial aid to reflect what you're intending role that will be for that particular semester.

81

00:14:21.900 --> 00:14:25.530

SAIC Student Financial Services: I always want to point out that the bigger costs worksheet is two sided.

82

00:14:26.070 --> 00:14:33.060

SAIC Student Financial Services: On the left hand side of the screen we're going to see your direct costs here and saic this This will include any costs like tuition.

83

00:14:33.420 --> 00:14:36.750

SAIC Student Financial Services: And fees that you will be charged specifically from saic.

84

00:14:37.140 --> 00:14:47.100

SAIC Student Financial Services: And on the right side you're going to see an indirect costs, these will be things for such as indirect costs for books and supplies living expenses if you're living off campus.

85

00:14:47.370 --> 00:14:55.110

SAIC Student Financial Services: Again, this is the tool that's being used by students to help you determine what your remaining balance will be at saic after your financial aid is applied.

86

00:14:59.460 --> 00:15:12.960

SAIC Student Financial Services: When you're completing this form, I just want to review some of the more important aspects of the Florida so again, as I mentioned it earlier in the webinar your financial aid is based on standard enrollment for your program for fall 2022 and spring.

87

00:15:14.820 --> 00:15:18.720

SAIC Student Financial Services: Again you're going to include your cost of those tuitions and both of these categories.

88

00:15:19.800 --> 00:15:25.890

SAIC Student Financial Services: Then there's going to be important question saic charges health insurance all full time students automatically.

89

00:15:26.490 --> 00:15:33.480

SAIC Student Financial Services: But if a student has her own health insurance already for yourself or through a family member, you can attempt to waive our health insurance.

90

00:15:34.320 --> 00:15:45.630

SAIC Student Financial Services: So that question will be whether or not you will be accepting or saic health insurance or if you believe you'll be waving or health insurance will be talking more about that a little bit later in the webinar.

91

00:15:47.400 --> 00:16:03.690

SAIC Student Financial Services: Please make sure that you include your costs when you pass in the one time activation fee again that one time activation fees a \$5 fee that's charged by the city of Chicago you're just going to include that into one category it's only a one time fee or saic.

92

00:16:05.460 --> 00:16:10.830

SAIC Student Financial Services: we're also going to ask you to look at your financial aid award either from your financial aid word packet.

93

00:16:11.310 --> 00:16:21.570

SAIC Student Financial Services: That we sent you in the big blue envelope or that's available on your self service, so you can go ahead and add those into step two This is where you actually include all of your all of your.

94

00:16:22.320 --> 00:16:33.900

SAIC Student Financial Services: Financial aid that you're eligible for so once we go ahead and we have included all of your costs and sum total of eight and include all of your financial aid and some to be.

95

00:16:34.680 --> 00:16:50.280

SAIC Student Financial Services: You can then go ahead and indicate in something we'll see what the remaining balance will be an saic for any given semester after your financial aid is apply this is the amount that will be required for students to pay here at saic after your financial aid point.

96

00:16:53.790 --> 00:17:01.110

SAIC Student Financial Services: on the back of this form, as I mentioned before, this is the indirect expenses, these are expenses that you're going to have.

97

00:17:02.070 --> 00:17:08.880

SAIC Student Financial Services: That being charged from saic but you could add incurred as expenses off campus so, for example.

98

00:17:09.750 --> 00:17:16.980

SAIC Student Financial Services: will be indicating here whether or not you as a student or decided to live on campus or off campus so you just want to make that indication.

99

00:17:17.850 --> 00:17:21.810

SAIC Student Financial Services: Well, that will show you the different costs associated with each one of those choices.

100

00:17:22.590 --> 00:17:34.710

SAIC Student Financial Services: will also have your books and supplies costs are going to go ahead and include your books and supply costs, here again, this is just an average what we expect to have for your books and supply costs per semester.

101

00:17:35.580 --> 00:17:40.260

SAIC Student Financial Services: we're also going to have them your remaining balance due to s your remaining balance.

102

00:17:40.560 --> 00:17:47.280

SAIC Student Financial Services: That you would have to address, for your direct costs and indirect costs after your financial aid has been applied.

103

00:17:47.580 --> 00:17:54.060

SAIC Student Financial Services: So again, this is a very important tool that students need to use in order for you to determine what your costs are going to be.

104

00:17:54.300 --> 00:18:05.790

SAIC Student Financial Services: Before you make any determination to move to Chicago or to attend saic once again, please do not decide to attend that cic or moved to Chicago.

105

00:18:06.000 --> 00:18:18.000

SAIC Student Financial Services: To you've completed the sticker across worksheet and determine what your overall investment will be at saic if

you need assistance in completing this form, once again, you can schedule or virtual appointment.

106

00:18:18.270 --> 00:18:26.790

SAIC Student Financial Services: To meet with one of our helpful student financial services advisors, to review this to your cost worksheet to help you complete it accurately.

107

00:18:34.860 --> 00:18:46.920

SAIC Student Financial Services: Next, I want to go over some of the important loan steps that students do need to complete once again if a student has completed a fast for the free application for federal student aid, these will be included on your financial aid award packet.

108

00:18:48.900 --> 00:18:58.680

SAIC Student Financial Services: Once again, we want to remind students, that if you are going to be joining us in the fall or spring you do need to complete all of your loan steps, no later than to my first.

109

00:18:59.010 --> 00:19:06.720

SAIC Student Financial Services: If you're a low residency student and if we're going to be joining us for the summer 2022 so after you need to complete these steps now.

110

00:19:07.080 --> 00:19:22.170

SAIC Student Financial Services: that's a rule with the US Department of Education and it's also a credit based model like your Stafford loans which are called a shirt loans, which means there's no credit check for those.

113

00:19:42.930 --> 00:19:53.100

SAIC Student Financial Services: To secure those loans for the Federal direct gradual plus on, there is a credit based component, so you have to apply for that long, just like you're applying for credit card or a car loan or something like that.

114

00:19:53.940 --> 00:20:03.330

SAIC Student Financial Services: We also have an opportunity for students to apply for another additional loan if if you're not considering are not eligible for the Federal direct gradual plus loan.

115

00:20:03.690 --> 00:20:09.510

SAIC Student Financial Services: That would be a private or educate or private alternative loans for a private bank or lending institution.

116

00:20:09.930 --> 00:20:21.210

SAIC Student Financial Services: This alone it's not through the US Department of Education, but through a private lender and again, this would be a credit based loads, we have to be approved that loan, just like a credit card or a car room.

117

00:20:24.390 --> 00:20:36.270

SAIC Student Financial Services: Now, specifically for the Federal direct for the Federal Stafford loan for the Federal direct staff and one acceptance students you'll need to be visiting a website, known as student aid.gov.

SAIC Student Financial Services: Students you'll be you'll be you'll need to use your FSA ID and password again that's the same password and username that you use to complete your fastball.

121

00:21:06.360 --> 00:21:19.560

SAIC Student Financial Services: A little while ago to complete this to required steps, so the two steps you'll need to complete at federal student aid at the website a noted previously at student a.gov will be number one complete the.

122

00:21:19.950 --> 00:21:28.620

SAIC Student Financial Services: Light entrance counseling session, this is an opportunity for the government to tell you about all of your rights responsibility if someone who's taking on a federal direct staff.

123

00:21:29.820 --> 00:21:38.550

SAIC Student Financial Services: And then, once you complete the entrance counseling you will turn around and complete the second step that's available on that website that's called a master promissory note.

124

00:21:39.030 --> 00:21:44.340

SAIC Student Financial Services: The master promissory note is your loan contract specifically for the Federal direct Stafford loan.

125

00:21:44.820 --> 00:21:52.830

SAIC Student Financial Services: Once you've completed the entrance counseling and the master promissory note will be notified by the Department of Education that you've completed.

126

00:21:53.130 --> 00:21:58.860

SAIC Student Financial Services: Those steps will then be able to disperse those loans to help your dress root cause care saic.

127

00:21:59.640 --> 00:22:10.320

SAIC Student Financial Services: If you plan on not accepting these loans, then we're assuming you're going to make a larger payment portrait balance if you're not going to accept these loans, we also ask students to send us an email.

128

00:22:10.980 --> 00:22:25.530

SAIC Student Financial Services: directly from your saic email accounts, we know what you telling us your declining these loans for these semesters but, once again, if you are declining these loans again we're assuming that you're going to make a payment in some other way there.

129

00:22:26.910 --> 00:22:34.680

SAIC Student Financial Services: Again, additional information regarding how to complete these steps for your federal direct Stafford loans are found on page six and nine of the.

130

00:22:36.780 --> 00:22:39.180

SAIC Student Financial Services: Financially word guided instructions booklet.

131

00:22:42.360 --> 00:22:52.200

SAIC Student Financial Services: Next let's talk about the other alternative the other loan program that students can consider this is someone something called the federal direct graduate plus loan.

132

00:22:52.890 --> 00:23:05.520

SAIC Student Financial Services: This is a the additional loan that some students do need to take after they've taken out their Stafford loans that they find that they need some additional funding to help address the direct and indirect expenses here at saic.

133

00:23:06.330 --> 00:23:14.460

SAIC Student Financial Services: As I mentioned before, again credit approval is required for this particular loan and again it's not available to post baccalaureate students.

134

00:23:15.150 --> 00:23:23.520

SAIC Student Financial Services: If students are interested in applying these loans again you have to fill out a fafsa the free application for federal student aid to be eligible for this particular loan Program.

135

00:23:24.000 --> 00:23:36.210

SAIC Student Financial Services: But again students will be visiting student aid got.gov to apply for this particular loan once again students will need to be using your FSA ID and password to complete the plus loan application.

136

00:23:36.960 --> 00:23:44.040

SAIC Student Financial Services: Once again we're going to ask you to apply for this loan no later than July 1 if you're going to be joining us for fall 2022.

137

00:23:44.400 --> 00:24:03.930

SAIC Student Financial Services: and apply now or soon as possible once you decided to attend saic for summer 2022 to ensure that you can secure this loan, once again, this is a credit based loan, we want to make sure you can secure this loan if this will be part of your plan to address now your direct or indirect expenses.

138

00:24:05.250 --> 00:24:16.650

SAIC Student Financial Services: Once again, to apply for this loan students will be going to student a.gov and completing two steps, the first step is completing the federal direct plus loan request that's where the credit check occurs.

139

00:24:17.070 --> 00:24:29.520

SAIC Student Financial Services: Once you complete that credit check and if you are approved, then you're going to complete the second step, which is the master promissory note again that's your loan contract specifically for the Federal direct plus.

140

00:24:30.780 --> 00:24:37.170

SAIC Student Financial Services: As a reminder, additional information about this application process is available on page seven and nine of the.

141

00:24:39.420 --> 00:24:41.610

SAIC Student Financial Services: Financially work i'd instructions bookworm.

142

00:24:44.280 --> 00:24:49.050

SAIC Student Financial Services: And you want to provide you with some additional information and some directions on how to live that loan.

143

00:24:49.350 --> 00:25:03.570

SAIC Student Financial Services: So when you go into the step one and you're doing the plus request they're going to ask you a few questions, one of the questions are going to ask is how long do you are, how are you applying for this loan, or what terms are your plans this loan for.

144

00:25:04.980 --> 00:25:20.640

SAIC Student Financial Services: If you are going to be joining us in the summer, as a little residency student you'll have to apply for one standalone federal direct gradual plus loan using these long terms of five 2022 through eight 2,023rd.

145

00:25:21.510 --> 00:25:37.710

SAIC Student Financial Services: That will secure the loan specifically for summer and then, if you're going to be securing a federal drug credible plus loan for fall 2022 and spring 2023 that is a separate step you're going to apply for that loan specifically for.

146

00:25:41.940 --> 00:25:51.330

SAIC Student Financial Services: Again, you have to apply for that loan later than July 1 when they're also going to ask you another question, basically, how much of the low and you want the loan amount.

147

00:25:52.350 --> 00:25:59.250

SAIC Student Financial Services: We usually recommend that students request the the option of choosing the maximum amount along the way the school.

148

00:25:59.820 --> 00:26:08.460

SAIC Student Financial Services: This way we can make sure that if you're approved alone, we can approve them off the maximum amount of your total cost of attendance here at saic.

149

00:26:08.970 --> 00:26:23.070

SAIC Student Financial Services: But at any point if you're alone, as approved for more than what you find that you need you can always ask us to decline to decrease that loan before the loan disperses for the Semester just by email address So hopefully that information is home.

150

00:26:24.090 --> 00:26:28.650

SAIC Student Financial Services: Again, additional information is found on page seven and nine of the award guided instructions booklet.

151

00:26:31.950 --> 00:26:37.710

SAIC Student Financial Services: I want to talk about our third option for loans, and this would be for a private educational loan.

152

00:26:38.130 --> 00:26:46.650

SAIC Student Financial Services: This the loan, that has not proved the US Department of Education and it's not through saic it's through a private lender or provider.

153

00:26:47.250 --> 00:26:58.110

SAIC Student Financial Services: On this, these ones are usually are not as competitive as the federal direct plus loan, so if you're deciding whether or not you're going to be applying for a federal direct.

154

00:26:58.500 --> 00:27:08.340

SAIC Student Financial Services: graduate plus on or a private loan if you're eligible for students should consider the federal direct gradual plus loan first before you consider a private education alone.

155

00:27:09.690 --> 00:27:21.060

SAIC Student Financial Services: Now the US Department of Education does not allow saic to recommend any private lenders, but I know a lot of students are asking us we're kind of look for a private lender if i'm looking for a private.

156

00:27:21.510 --> 00:27:32.520

SAIC Student Financial Services: loan to apply for well we're going to recommend to you visit 58 dot org fit a dot work fifty.org is not saic it's not the Department of Education.

157

00:27:32.790 --> 00:27:42.150

SAIC Student Financial Services: But it's an independent website that does give students kind of a shopping sheet, we can kind of see all of the private lenders that you can consider applying with.

158

00:27:42.750 --> 00:27:56.700

SAIC Student Financial Services: What you have determine which private lender you're going to apply with again you're going to complete those different steps as instructed by that particular lender and then sometimes a cosigner is required for that loan if you're having a hard time separating that.

159

00:28:00.000 --> 00:28:11.520

SAIC Student Financial Services: You do want to apply for this phone as soon as you can make sure you can assure that you can secure this loan, if this is going to be part of your plan to address your direct and indirect expenses pat saic.

160

00:28:12.240 --> 00:28:17.340

SAIC Student Financial Services: Once again, if you are going to be pointing to the song again you have to apply for those loans and two different disbursements.

161

00:28:17.610 --> 00:28:28.410

SAIC Student Financial Services: If you're going to be joining saic in summer of 2020 again you'd have to apply for one separate loan using the loan terms of five 2022 through eight 2022.

162

00:28:28.950 --> 00:28:45.030

SAIC Student Financial Services: And if you're going to be taking any classes in fall 2022 spring 2023 you're going to be applying for that loan specifically for eight 2022 through five 2023 and again, you have to apply for that long no later than July 1.

163

00:28:45.570 --> 00:28:53.520

SAIC Student Financial Services: Again, additional information about applying for private educational loans are found on page eight and nine on the financial aid award guide instructions, but.

164

00:28:58.200 --> 00:29:04.380

SAIC Student Financial Services: Next time I go over some important steps that students need to complete in order to make their own payments online.

165

00:29:04.740 --> 00:29:13.530

SAIC Student Financial Services: If you choose to, and also to be able to invite any other individuals who might be assisting you with any type of payment, such as spouses or family members.

166

00:29:14.160 --> 00:29:19.320

SAIC Student Financial Services: Once again, students have the ability to make a payment and to look at their statements of account.

167

00:29:19.800 --> 00:29:27.300

SAIC Student Financial Services: On on on transact, which is our platform, the students us to look at your statements and make payments online.

SAIC Student Financial Services: Once the registration is done you'll need to share with your payer the payers name their password and this specific link commerce.cash.com forward slash saic pay.

173

00:30:15.090 --> 00:30:33.540

179

00:31:26.970 --> 00:31:33.120

SAIC Student Financial Services: Instead, if you're making a payment using an American bank account, using a checking or savings account.

180

00:31:33.480 --> 00:31:43.830

205

00:36:27.690 --> 00:36:33.780

SAIC Student Financial Services: What we understand this has been a very challenging student at a time for students and families, especially with with Coleman.

206

00:36:34.170 --> 00:36:45.900

SAIC Student Financial Services: So sometimes the information that's provided the fast 2020 doesn't truly reflect what's happening with the students that kind of me now or when they're going to be joining saic as a full time graduates.

207

00:36:46.740 --> 00:36:54.300

SAIC Student Financial Services: So if you stick as you're going to anticipate and employment change or, if you have high highly.

208

00:36:54.780 --> 00:37:05.850

SAIC Student Financial Services: unusually high medical expenses that you've already paid for that have not been covered by health insurance or if you've had a change of marital status or unusually high dependent care expenses.
