NOTICE CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted materials.

Under certain conditions specified by the law, libraries and archives are authorized to provide reproductions. One of these conditions specifies that the reproduction is not to be "used for any purpose other than private study scholarship or research."

If a user makes a request for, and later uses, a photocopy or reproduction in any other media or format for purposes in excess of "fair use," that user may be liable for copyright infringement.

Flaxman Library reserves the right to refuse a reproduction request if, in staff's judgment, fulfillment of the order would involve violation of copyright law. It is the legal responsibility of the researcher to secure required permission to publish- not only from Flaxman Library having custody of the archival materials, but also from any owner of copyrights.

ALL ORDERS FOR DUPLICATION MUST BE PRE-PAID BY CASH OR CHECK.

Standard b-&-w single-sided photocopies are \$.30 per page. Color photocopies are \$1.50 per page for letter size (8" x 11") and \$2.50 per page for 11" x 17" sheets. The copies requested on this order will be made for research purposes only. They may not be published or further duplicated in any form without the written permission of the copyrights holder. Responsibility for any questions concerning the copyright of the material photocopied on this order is assumed by the applicant

The John M. Flaxman Library reserves the right to:
