## ODE TO FASHION

SAIC Fashion Design Department undergrad core graduates are thriving in the industry locally, nationally and internationally. We are excited to launch a new series of posts from alumni who have settled in NY, LA, Boston, London, Antwerp, among many other places around the globe. Our Fashion Core alumni work successfully for different brands, designers, artists and/or on their own design and artwork. We will start this series as a teaser and introduce our graduate community with more details in the next months to come.

We will continue this series and share alumni profiles with you from our Master of Design and PostBacc programs, as well as from our unique Bodybuilder pathway. Stay tuned! Be safe and healthy in these challenging times.
