114

00:19:00.300 --> 00:19:06.120

SAIC Admissions: There is a \$50 enrollment plan per semester, just to sign up for the payment plan, but after that there's no additional fees.

115

00:19:06.570 --> 00:19:09.210

SAIC Admissions: there's also an option for auto pay as well.

116

00:19:09.630 --> 00:19:18.450

SAIC Admissions: again is this an extra step students, if you are signing up for auto pay to make sure that money comes directly from a checking or savings account each month, without you doing anything.

117

00:19:18.810 --> 00:19:25.710

SAIC Admissions: Please make sure that you know, again, that is an extra step, and please make sure you have money in the accounts because it will be taken out.

118

00:19:26.460 --> 00:19:35.490

SAIC Admissions: Subsequently, on all the dates we've previously mentioned, and as a reminder you do need to re enroll in these payment plans and auto payment each semester.

119

00:19:37.620 --> 00:19:44.400

SAIC Admissions: Again, please make sure if you're going to be signing up for the payment plan you sign up as soon as possible, definitely no later than this Sunday.

120

00:19:48.480 --> 00:19:54.390

SAIC Admissions: I also mentioned, there are other options for students to make additional payments, such as the use of the 529 college savings plan.

121

00:19:54.720 --> 00:20:01.170

SAIC Admissions: The outside scholarships or va benefits if you do have any of these benefits we do ask you if you're sending any kind of fun stuff.

122

00:20:01.440 --> 00:20:06.660

SAIC Admissions: to please include your students that include the students name and your ID number on all correspondence.

123

00:20:07.170 --> 00:20:15.150

SAIC Admissions: If you're going to be using anything like a 529 college savings plan you want to send those directly to our office, the office of student financial services.

124

00:20:15.660 --> 00:20:21.480

SAIC Admissions: Also, if your security and type of outside scholarship from an outside source, you can send those.

125

00:20:21.960 --> 00:20:25.890

SAIC Admissions: payments directly to saic his office of student financial services.

126

00:20:26.250 --> 00:20:40.530

SAIC Admissions: We ask you to make sure that you put that to the attention to the 529 administrator or the outside scholarship administrator and our address is 36 South wabash avenue suite 1200 Chicago Illinois 60603.

127

00:20:41.520 --> 00:20:50.310

SAIC Admissions: If you have va benefits that you are eligible for for yourself or through a family member again you do need to inform your va representative and the essay.

128

00:20:50.820 --> 00:21:05.190

SAIC Admissions: saic registrar to begin this process again additional information is available on our website, and if you do need to notify us if you are going to be using any type of va benefits additional information isn't located on page five of the.

129

00:21:07.230 --> 00:21:15.870

SAIC Admissions: Financial aid award guy that was included in your blue packet it's also available on our website once again in saic.edu forward slash FA forms.

130

00:21:20.160 --> 00:21:25.230

SAIC Admissions: Elsa mentioned earlier in the webinar that if you're making other forms of payments, such as a paper check.

131

00:21:25.620 --> 00:21:33.330

SAIC Admissions: That if you're making those payments, you want to make those payments directly to the bursars office, not to the office of student financial services.

132

00:21:33.780 --> 00:21:48.990

SAIC Admissions: So, whether you're making those payments in person or if you're mailing those to us again that can be sent directly to the saic versus office 36 South wabash avenue suite to four or five Chicago Illinois 60603.

133

00:21:50.040 --> 00:21:56.430

SAIC Admissions: For any students who might be doing a wire transfer specifically this is primarily for international student population.

134

00:21:56.880 --> 00:22:06.630

SAIC Admissions: Again wire transfer details and instructions are available on our website and was also included in the in the payment guide we email to all of our international students as well.

135

00:22:07.320 --> 00:22:21.360

SAIC Admissions: That information and the guide are available on our website@saic.edu forward slash wire transfer, as always, please make sure you include the students name and ID number to ensure that the funds are applied to the proper account.

136

00:22:25.410 --> 00:22:34.320

SAIC Admissions: I mentioned earlier in the webinar that there are some students who have filled out a fafsa the free application for federal student aid primarily, these are going to be domestic students and if that's the case.

137

00:22:34.620 --> 00:22:38.880

SAIC Admissions: You might have been offered some loans that you need to act on.

138

00:22:39.510 --> 00:22:44.730

SAIC Admissions: We want to make sure that we remind you that if you are going to be securing these loans have some additional steps you need to include.

139

00:22:45.090 --> 00:22:48.510

SAIC Admissions: I need to complete if you're accepting your federal direct Stafford loans.

140

00:22:49.020 --> 00:23:01.380

SAIC Admissions: Or if you're going to be applying for the additional loan, known as the federal direct graduate plus on as a reminder, even though this is total alone, through the US Department of Education this a credit based loan, so you have to be approved for this loan.

141

00:23:01.860 --> 00:23:14.040

SAIC Admissions: I also want to remind students, that this particular federal direct graduate plus own is not available to post baccalaureate students unfortunately that's a rule with the Department of Education it's only available to full graduate students.

142

00:23:15.060 --> 00:23:21.330

SAIC Admissions: there's also another option alone that students can consider that would be considered a private or alternative education alone.

143

00:23:21.600 --> 00:23:35.100

SAIC Admissions: that's alone, through a private bank or lending institution again that's a credit based loan that you would have to be approved for and for those particular loans that's available to not only graduate students but also to post baccalaureate students as well.

144

00:23:39.210 --> 00:23:48.360

SAIC Admissions: Now for students who have been offered the federal direct Stafford loan or would have been included in your financial aid award there are some additional steps that students do need to.

145

00:23:49.080 --> 00:23:57.990

SAIC Admissions: Complete in order to accept these loans again if you're going to accept these loans students you'll need to go to this specific website student aid go.

146

00:23:58.590 --> 00:24:09.270

SAIC Admissions: And you're going to complete these two steps below as a reminder students who will need to use your FSA ID That was the same FSA ID and password to you used earlier to complete your fasfa.

147

00:24:10.260 --> 00:24:20.310

SAIC Admissions: Once you go to student aid.gov you'll need to complete number one the online entrance counseling session this an opportunity for the government to tell you about all of your rights and responsibilities.

148

00:24:20.580 --> 00:24:25.140

SAIC Admissions: As someone who's taking out a federal Stafford loan after you complete the entrance counseling.

149

00:24:25.530 --> 00:24:35.400

SAIC Admissions: At that website you complete the second step of the same website student aid.gov you'll complete the federal direct Stafford loan master promissory note.

150

00:24:36.060 --> 00:24:42.720

SAIC Admissions: Once you completed both the master promissory note an entrance counseling will be notified by the Department of Education you've completed those steps.

151

00:24:42.990 --> 00:24:47.820

SAIC Admissions: and have acknowledged that you want to accept those loans will then disperse those loans to your particular account.

152

00:24:48.600 --> 00:25:01.260

SAIC Admissions: There is one additional steps that students can also complete something known as a financial aid awareness counseling at this point, this is an optional step, but it is very helpful for students, if you'd like to but it doesn't it's not required in order for you to accept your loans.

153

00:25:02.640 --> 00:25:08.550

SAIC Admissions: As a reminder, students, if you happen to not be using your federal staff for loans and instead you're going to make him payment.

154

00:25:08.910 --> 00:25:24.690

SAIC Admissions: To satisfy your payment students, you will I will ask you to send us an email from your essays email account directly to our email and inform us that you are declining your staff or loans for the academic year again, that was included in the emails we also sent you.

155

00:25:28.500 --> 00:25:33.090

SAIC Admissions: The mentioned previously, there is another alone that students can consider.

156

00:25:33.930 --> 00:25:40.410

SAIC Admissions: With the Department of Education, if you find you need to take out some additional loans in order to satisfy not only your balance here at saic.

157

00:25:40.710 --> 00:25:50.220

SAIC Admissions: But also provide you with a little bit of a refund that help you with some of your indirect expenses, such as living off campus or purchasing your book supplies, maybe your laptop computer.

158

00:25:50.760 --> 00:25:54.090

SAIC Admissions: Again, that is something known as a federal direct graduate plus loan.

159

00:25:54.690 --> 00:26:05.640

SAIC Admissions: This is still alone, through the Department of Education like your Stafford loans that we mentioned earlier, but again, this is a credit approval is required, so you have to be approved for this particular loan and, as I mentioned before.

160

00:26:05.850 --> 00:26:12.000

SAIC Admissions: Unfortunately, this particular alone is not available at the post baccalaureate students, only the full graduate students.

161

00:26:12.870 --> 00:26:19.440

SAIC Admissions: Now if you're interested in applying for this loan against students you'll need your FSA ID and password in order to complete this application.

162

00:26:20.010 --> 00:26:34.710

SAIC Admissions: Again, we did have our party deadline for students to have this step completed no later than July 1 but if there's still time for you to do this, but you need to do this right now, it has to be done, probably within the next three or four days, if you haven't already done so.

163

00:26:36.150 --> 00:26:42.870

SAIC Admissions: And so, if you're thinking that you might need to take out this additional loan again you're going to go to the same website, we use before.

164

00:26:43.590 --> 00:26:47.910

SAIC Admissions: And that is student aid.gov where your quest the plus loan that's where the credit check.

165

00:26:48.840 --> 00:26:56.700

SAIC Admissions: Actually occurs and then, if you're approved for that loan then you're going to need to complete the second step, again, that is the master promissory note.

166

00:26:56.910 --> 00:27:07.740

SAIC Admissions: Specifically, for your federal direct graduate plus loan again that's done at the same website at student aid.gov again additional information were included in page seven and nine of the.

167

00:27:09.510 --> 00:27:11.250

SAIC Admissions: Award guided instructions booklet.

168

00:27:13.800 --> 00:27:20.190

SAIC Admissions: Also, to provide you with a little bit more additional assistance if you are going to be applying for that federal direct graduate plus loan.

169

00:27:20.910 --> 00:27:24.750

SAIC Admissions: When you actually apply for the loan or request the loan that's step one.

170

00:27:25.170 --> 00:27:33.090

SAIC Admissions: The Department of Education is going to ask you some specific questions, we want to help you with those One of those is the loan term basically How long do you want the loan.

171

00:27:33.570 --> 00:27:38.400

SAIC Admissions: Students are only allowed to take out these loans for an academic term at a time.

172

00:27:38.790 --> 00:27:46.830

SAIC Admissions: So we do request a if you are going to be applying for this loan that you apply for the full academic year that you will be in attendance we're assuming that's going to be fall and spring.

173

00:27:47.310 --> 00:27:54.450

SAIC Admissions: And so they're going to ask you for the loan terms, these the terms you're going to want to use eight 2021 through five.

174

00:27:56.670 --> 00:28:01.470

SAIC Admissions: The next question they're going to ask you is basically the loan amount, how much, would you like your loan to be.

175

00:28:02.160 --> 00:28:09.630

SAIC Admissions: You can put down a specific dollar amount there, but again, you want to make sure you're absolutely accurate, because the amount that you put in there will cause a ceiling.

176

00:28:09.870 --> 00:28:15.720

SAIC Admissions: Which means we will not be able to go past it, and if you find that you need to apply for an additional loan, in order to.

177

00:28:16.080 --> 00:28:21.210

SAIC Admissions: get our larger refund or your address your balances again, you might have to apply for another loan instead.

178

00:28:21.600 --> 00:28:30.270

SAIC Admissions: We will sometimes recommend to graduate students that you request the maximum amount by the Department of Education little checkbox it's right in the application that says that.

179

00:28:30.720 --> 00:28:37.500

SAIC Admissions: If you choose the maximum amount that would allow us to them to certify your loan for the maximum amount we can for the academic year.

180

00:28:38.040 --> 00:28:48.720

SAIC Admissions: If you find that that amount is too much for you and you'd like to reduce it after it's been approved, you can always reduce the amount of your loan, if need be, before the loan disperses each semester.

181

00:28:49.170 --> 00:28:59.100

SAIC Admissions: By sending us an email from your essays email address to this email address saic SF s@saic.edu.

182

00:29:02.760 --> 00:29:11.190

SAIC Admissions: When students do apply for this federal direct graduate plus loan, sometimes we do find that they are denied this loan if that's the case.

183

00:29:11.490 --> 00:29:25.080

SAIC Admissions: Students if you're denied this loan if you'd still like to try to secure it, you can do it in one of two ways one is you can obtain an endorser, this is another individual who act as a cosigner for you and ride alone with you.

184

00:29:25.590 --> 00:29:33.990

SAIC Admissions: In hopes of getting you approved if you're initially being denied or there's an option, where students can actually appeal that decision with the Department of Education.

185

00:29:34.650 --> 00:29:50.610

SAIC Admissions: If you've apply for the loan if you've been denied, we can we encourage students to reach out directly to direct loan servicing at one 805 57739 for or you speak with a with a representative from federal student aid.

186

00:29:51.030 --> 00:29:59.280

SAIC Admissions: Who might be able to take a closer look at your credit worthiness and see if there's something that can be explained away in order for you to be approved this particular alone.

187

00:30:03.870 --> 00:30:07.740

SAIC Admissions: The last option that students can take a look at if they're looking for additional loans.

188

00:30:08.490 --> 00:30:17.430

SAIC Admissions: To address now either balances, but also to provide you with any kind of refund is a private educational loan through a private banker lending institution.

189

00:30:17.910 --> 00:30:26.730

SAIC Admissions: Again this loan is available to students, I know it says on my slide available to students and parents i'm sorry that's a typo it's available only to students.

190

00:30:27.960 --> 00:30:30.390

SAIC Admissions: And again, this is a credit based loan that.

191

00:30:30.900 --> 00:30:42.000

SAIC Admissions: Again, it has to be approved for so you have to be approved for this particular loan, so if you're thinking about applying for a private education alone again you'll determine the private lender of your choice.

192

00:30:42.810 --> 00:30:54.270

SAIC Admissions: You can go to their website, or you can give them a call you'll complete the required stretch steps as instructed by your particular lender again sometimes a cosigner is sometimes required if a student is being denied for this loan.

193

00:30:54.720 --> 00:31:00.510

SAIC Admissions: And again, we did ask students if you're going to be applying for these loans to apply for these no later than July 1.

194

00:31:00.870 --> 00:31:08.640

SAIC Admissions: Again, we have a little bit of time left, if you'd like to try to secure these loans, but again, we are going to ask you to try to secure those right now, if you haven't done so.

195

00:31:09.090 --> 00:31:18.060

SAIC Admissions: Again, definitely before the end of this weekend again you're going to be asked from loan terms from your private lender if you're going to be applying for a specific private loan.

196

00:31:18.450 --> 00:31:29.130

SAIC Admissions: And again we're going to ask you to apply for the loan for the full academic year you'll be in attendance and again if you're asked the question about the loan terms you're going to use these dates eight 2021 through five.

197

00:31:31.470 --> 00:31:36.360

SAIC Admissions: Again, additional information was included on page eight of the financial aid award guide that was emailed to you.

198

00:31:40.290 --> 00:31:43.470

SAIC Admissions: Next i'd like to talk about federal work, study and student employment.

199

00:31:44.550 --> 00:32:00.270

SAIC Admissions: Students if you filled out a fafsa the free application for federal student aid, some of you might see on your award eligibility for something called federal work, study this awarded by the this awarded by the US Department of Education and is based on the results of the.

200

00:32:01.890 --> 00:32:11.220

SAIC Admissions: Faster that was submitted by the students, now that all students are eligible for federal work, study, but if you are eligible federal work, study would have been included in your Ward packet.

201

00:32:12.120 --> 00:32:19.050

SAIC Admissions: Now more students or whatever federal work, study by the Department of Education that we sometimes have jobs available for saic.

202

00:32:19.470 --> 00:32:22.560

SAIC Admissions: So again, we cannot ensure employment for everybody.

203

00:32:22.980 --> 00:32:31.740

SAIC Admissions: And again most jobs are reserves specifically these work, study, jobs are reserved for students who have work, study eligibility only so again, these are.

204

00:32:32.010 --> 00:32:42.180

SAIC Admissions: When it comes down to positions that were you're marked as federal work, study positions students have federal work, study will have priority over students who don't have federal work, study.

205

00:32:43.290 --> 00:32:48.120

SAIC Admissions: But I know that we're going to have a lot of students on this call, who are going to be obviously graduate students.

206

00:32:48.450 --> 00:32:57.600

SAIC Admissions: And graduate students typically are not looking for the typical work, study job meaning you don't want to work for the office of student financial services and help us file.

207

00:32:57.960 --> 00:33:04.020

SAIC Admissions: In most cases you're going to be looking for a ta position, which gives you a little bit more responsibility and.

208

00:33:04.470 --> 00:33:15.930

SAIC Admissions: also gives you a little bit more life experience, if you do secure it a position T positions do not fall under federal work, study you're actually paid directly from saic like you're one of our own employees.

209

00:33:16.320 --> 00:33:23.880

SAIC Admissions: So again, even students who do not have federal work, study or even if you do have better work, study and if you secure a ta position.

210

00:33:24.180 --> 00:33:30.960

SAIC Admissions: Again you'll be paid from saic like a direct employee and you will not be using your federal work, study eligibility, as a result.

211

00:33:31.350 --> 00:33:45.870

SAIC Admissions: Students, if you wish to decline, your federal work, study in order to increase your eligibility for plus loans and private loans, you can do so by emailing us at saic SF s@saic.edu.

212

00:33:46.710 --> 00:33:54.330

SAIC Admissions: If you're looking for a job for work for student employment, then we're going to ask you to go to a specific website, that is.

213

00:33:54.660 --> 00:34:06.360

SAIC Admissions: run by a very important office on our campus called the career and professional experience office, also known as callbacks the website website i'm referring to specifically is handshake handshake.

214

00:34:06.840 --> 00:34:16.050

SAIC Admissions: handshake is our job board, and this is where you can review what jobs we have available for students, whether they happen to be a federal work, study position or a ta position.

215

00:34:16.530 --> 00:34:20.520

SAIC Admissions: If you're interested in securing employment we're going to encourage students to visit handshake.

216

00:34:20.850 --> 00:34:29.820

SAIC Admissions: Maybe once or twice a week as jobs do come and go, but if you find a job that you're interested in we're going to ask you to please make sure that you apply for those particular.

217

00:34:30.660 --> 00:34:35.220

SAIC Admissions: Positions right on handshake and then, if you do secure a job.

218

00:34:35.880 --> 00:34:46.020

SAIC Admissions: Then you'll be paid every two weeks as direct deposit into a checking or savings account of your choice again the money is not dispersed directly to your account again your will be paid.

219

00:34:46.290 --> 00:34:55.470

SAIC Admissions: directly to a checking or savings account of your choice, just like if you're working in any any employment students, you will receive an email with the.

220

00:34:57.090 --> 00:35:05.190

SAIC Admissions: Student employment guide, which will be sent to you very soon to your essays email account, which will have a lot more helpful information, please keep an eye out for it.

221

00:35:09.060 --> 00:35:22.770

SAIC Admissions: Next, I want to review some information regarding refunds request in advances now advances are available before the Semester begins for students who are expecting a refund from their financial aid.

222

00:35:23.370 --> 00:35:32.520

SAIC Admissions: advances or process up to 50% of your anticipated credit up to \$1,000 and advances are available to students who number one.

223

00:35:32.880 --> 00:35:43.410

SAIC Admissions: have completed the necessary financial aid acceptance steps to receive funds, including all of your loan steps and number two that you've already arranged for enough financial aid.

224

00:35:43.830 --> 00:35:52.650

SAIC Admissions: That is above the balanced view on your student account for the Semester if that's the case, then you can submit a health and you can submit a.

225

00:35:53.670 --> 00:35:56.460

SAIC Admissions: refund advance for the fall semester.

226

230

00:36:31.290 --> 00:36:46.560

SAIC Admissions: I also want to remind students, that this is a very important step that's included students, you need to sign up for something known as a refund in cash that to have your advances and refunds directly deposited into a domestic bank account of your choice.

231

00:36:47.970 --> 00:36:56.760

SAIC Admissions: you'll need to enroll any refund by logging into your self service then clicking on the cash that link and then click on the refund section you'll provide us with a.

232

00:36:57.030 --> 00:37:03.360

SAIC Admissions: routing number and account number for domestic bank account that you'd like to have that money directly deposited into.

233

00:37:03.810 --> 00:37:07.620

SAIC Admissions: Again that's very important step, the last thing we want to do is have.

234

00:37:07.980 --> 00:37:19.920

SAIC Admissions: Sending up paper checks to students because again we're going from being a little processes within a couple days to taking weeks for students to receive a refund so if you're interested in receiving your refunds.

236

00:37:31.620 --> 00:37:38.700

SAIC Admissions: Next, I want to talk about some special circumstances I know we've all been experiencing some very unique things over the past 17 months.

237

00:37:39.570 --> 00:37:47.610

SAIC Admissions: And if you remember what if students, if you filled out a fast for the free application for federal student aid you add include income information for yourself from.

238

00:37:49.980 --> 00:37:55.080

SAIC Admissions: But sometimes students and families have experienced that change of employment status or a loss of income.

239

00:37:55.560 --> 00:38:01.650

SAIC Admissions: or unusually high medical expenses that you have already paid for that have not been covered by health insurance.

240

00:38:02.010 --> 00:38:08.070

SAIC Admissions: Or maybe have unusually high dependent care expenses, if you feel you have any special circumstances.
