

Completing the FAFSA® Form Discontinued

Due to the availability of the *Free Application for Federal Student Aid* (FAFSA®) help topics on StudentAid.gov, we decided to discontinue the *Completing the FAFSA® Form* publication.

If you need assistance when completing the FAFSA form, you will have several options.

- When you complete the FAFSA form on the myStudentAid app or online at fafsa.gov, you will see instructions for each question. You can get additional help by selecting the question mark icon next to each FAFSA question. This will display a "tool tip" that provides information about how to answer that question.
- In the online FAFSA form at fafsa.gov, you can select the "Help" button at the top of the page to reach the "FAFSA Help" page, where you can view trending FAFSA topics, browse FAQs, and search for more information. Visit the "FAFSA Help" page directly by going to StudentAid.gov/fafsa-help.
- You can contact the Federal Student Aid Information Center via email at StudentAid@ed.gov or by phone at 1-800-4-FED-AID (1-800-433-3243; TTY for the deaf or hard of hearing 1-800-730-8913), or you can contact the financial aid office at the school you are interested in attending.
