Financial
Services

STUDENT FINANCIAL SERVICES IS DEDICATED TO HELPING YOU THROUGH THE PROCESS OF FINANCING YOUR EDUCATION AT SAIC.

SAIC has provided you with multiple ways to manage your payments and we encourage you to contact us at any time with any questions or concerns.

SELF-SERVICE

STATEMENT OF ACCOUNT, VIEW STUDENT ACCOUNT ACTIVITY AND REQUEST AN ADVANCE ON AN EXPECTED REFUND

Step A. Sign into Self-Service at saic.edu/selfservice.

Step B. Click on "Student Homepage" in the top center of the page.

Step C. View your financial aid in the "Financial Aid" section, and go to the "Financial Account" section to request your own Statement of Account (after July 7 for Fall 2023), access Transact, and submit a request for an advance on an expected refund before classes have started.

- *For family members who do not have access to Self-Service but need access to Transact, students can set up a Payer account for others to make payments on their behalf. See page 2 for instructions on setting up a Payer.*
- *If you need assistance logging into Self-Service, go to password.artic.edu or contact the CRIT department by telephone at 312-345-3535 or email at crithelpdesk@saic.edu.*

TIPS FOR PARENTS

- **IMPORTANT! Receiving emails from Student Financial Services** You will want your student to set up their SAIC email account with a filter to automatically forward all emails from Student Financial Services to your email. Instructions as follows:
 1. Add Parent Email Address For Forwarding and Confirmation:
In the student's SAIC email account, go to Settings > See All Settings > Forwarding and POP/IMAP > Add Forwarding Address (button). Add the parent email address that you want SFS emails to be forwarded to and click "Next." An email will be sent from the [Art Institute of Chicago Team](#) with the subject: [Art Institute of Chicago Forwarding Confirmation](#) and will have a confirmation link that the parent will need to click to confirm.
 2. Set Up Filter:
Select which emails to forward by creating a filter at Settings > See All Settings > Filters and Blocked Addresses > Create a new filter. Add saic.sfs@saic.edu in the "From" field and click "Create Filter." Once your parent has confirmed their email address as instructed previously in Step 1, you will then be able to select which email address to forward the student's SFS emails to. On the next panel, click "Forward it to:" and choose the email address from the drop down. Then click "Create Filter."
- **Communications** The tuition and fees account and financial aid (if applicable) are legally the student's. Communications are directed to the student's SAIC email address and their telephone numbers. Ask your student to share all applicable communications if they do not choose to set up automatic forwarding to parents as instructed above.
- **Account Statement** Students can request these in Self-Service at any time. The request sends a PDF statement of transactions for the last 365 days with the current balance and anticipated financial aid to the student's SAIC email. It looks much like the monthly invoices.
- **Transact** It is very important that your student sets you up as a Payer. You will need access to view monthly eBills, past Transact payments, account balances and access annual 1098-T tax forms (if eligible) without needing to log into Self-Service.
- **Finances and FERPA** It is very important that your student has given Student Financial Services permission to discuss their finances with you by completing a FERPA form at saic.edu/ferpa.

NONDISCRIMINATION POLICY

The Art Institute of Chicago, including both the School and the Museum, is committed to providing an inclusive and welcoming environment for its students, visitors, faculty, and staff, and to ensuring that educational and employment decisions are based on an individual's abilities and qualifications. The Art Institute of Chicago does not tolerate unlawful discrimination based on race, color, sex, religion, national origin, disability, age, sexual orientation, gender identity, military or former military status, or any other status protected by federal, state or local law, in its programs and activities, public accommodations or employment practices.

FERPA

(FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT)

saic.edu/ferpa

The Federal Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal privacy law that gives students certain rights with regard to their own education records, including financial records.

In order for the Student Financial Services staff to discuss details of a student's financial aid award and/or tuition and fees account with someone other than the student, SAIC requires written permission from the student. Further details related to FERPA and the FERPA form are located at saic.edu/ferpa. By completing and returning this form, you consent to SAIC's disclosure of information from your student financial records and any other education records to the person who you designate.

FINANCIAL RESPONSIBILITY

You are academically and financially responsible for the course(s) for which you are enrolled and/or for which you will be enrolled in the future. Neither failure to attend classes nor failure to pay tuition constitutes a drop and you will receive a grade for each class you are enrolled in unless it is officially dropped by the published deadline. You are responsible for reading and understanding the registration, withdrawal, add/drop, leave of absence, and refund policies as published in the current SAIC Bulletin. If you do not adhere to these policies, you may incur academic and/or financial penalties and you may be denied access to enrollment for future terms and/or refused the release of your official SAIC transcripts and/or diploma.

Enrolling in one or more classes at SAIC automatically authorizes SAIC and its agents to contact you via mobile phone, home phone, text messages, email, mail, and otherwise for any SAIC-related purposes. Service provider usage fees may apply.

BILLS AND STATEMENTS

saic.edu/billing

Monthly electronic bills (eBills) are posted electronically each month in Transact, our online payment partner.

It is important that students set up parents or guardians as Payers in Transact in order for them to have access to see eBills and make payments.

Students and Payers are notified when monthly electronic bills (eBills) are posted in Transact by email. Current students may electronically request a statement of their tuition and fees account in Self-Service 24/7 in the Financial Account section.

PAYMENT DUE DATES AND RESPONSIBILITIES

saic.edu/payment

INFORMATION FOR STUDENTS RECEIVING THIRD PARTY ASSISTANCE

All third party assistance correspondence and payments being sent to SAIC should be sent directly to Student Financial Services (not the Bursar's office).

Students receiving outside assistance in paying their tuition and fees must notify the Student Financial Services office prior to the start of each semester. Examples of third-party assistance include outside scholarships, college savings plans, veteran's benefits, rehabilitation programs, or employee assistance programs.

OUTSIDE SCHOLARSHIPS

saic.edu/outsidescholarships

SAIC provides helpful information about outside scholarships and search engines at the website above, including a list of outside scholarships. Information is also listed regularly on the Student Financial Services Facebook and Twitter pages at facebook.com/SAICsfs and twitter.com/SAIC_SFS.

Students should inform the organization sending the funds to SAIC that their name and student ID number should appear on all correspondence related to the scholarship, grant or award. SAIC is required by law to consider these awards as part of the student's financial aid package (529 plans are not included).

It may be necessary for SAIC to adjust the award package to meet federal, state, and institutional awarding policies. Scholarship letters that provide detailed information will allow the amount to be listed as "Anticipated Aid" on the student's bills and statements. This will decrease the amount due (if any) to SAIC before classes start.

VETERAN'S BENEFITS

saic.edu/sfs

A student who is a veteran of the U.S. military service, or an eligible dependent, may be eligible to receive Veteran Affairs Educational Benefits through a variety of programs including Post 9/11 (Chapter 33), Vocational Rehabilitation, and Yellow Ribbon.

The SAIC Registrar is the Certifying Official for SAIC. All students who are receiving a VA Benefit from any program of the VA education benefit programs should notify the SAIC Registrar and the Student Financial Services VA representative to discuss the process.

QUALIFIED EDUCATION AND 529 PLANS

saic.edu/529

Please be sure all information and payments are sent to the Student Financial Services office and not to the Bursar's office to avoid a delay in the processing of these funds.

A 529 Plan is an education savings plan operated by a state or educational institution designed to help families set aside funds for future college costs.

Students should complete the paperwork required to receive funds from their provider four weeks before the payment due date each semester. Students should start the request process July 15 for fall and December 15 for spring. Visit the above website for more information.

REFUNDS AND FINANCIAL AID ADVANCES

saic.edu/refunds

To receive a financial aid advance or refund which will be deposited to your bank account, you must sign up for Direct Deposit Refund in Transact. Go to saic.edu/selfservice and log into Self-Service. Then go to Student Homepage > Financial Account.

- » If, after final adjustments at the end of the add/drop period, you have a credit balance remaining on your record, a refund will be processed.
- » If the credit on the student account results from federal aid disbursements, the credit balance will be refunded directly to the student or parent (in the case of a Federal Direct PLUS loan if applicable) as soon as possible, but **no later than 14 days after**:
 - the date the balance occurred on the student’s account, if the balance occurred after the first day of class of a payment period, or
 - the first day of classes, if the credit balance occurred on or before the first day of class for the semester.
- » You may be issued a refund earlier if you have a credit balance prior to the end of add/drop due to the disbursement of alternative or federal loans.
- » If you anticipate having a credit balance during the term, you may be eligible to receive an advance before your aid has been disbursed. Advances are 50% of your anticipated credit balance up to \$2,000. You may request an advance through Self-Service.
- » If you have a refund or an advance, you will be notified through your SAIC email address.

- » In exceptional situations, a “balance owed” may be created on your account if a financial aid advance or refund has been processed and adjustments are made to the award package at a later date, due to changes in enrollment and/or eligibility for aid.
- » Credit balances resulting from “Cash” types of sources such as check, credit cards, and wire transfers are held until the end of the spring semester each academic year unless requested.

HEALTH INSURANCE REQUIREMENT

saic.edu/healthinsurance

Health insurance is required for all enrolled full-time domestic and all full and part-time international students. Health insurance coverage is also available, upon request, to all domestic part-time degree-seeking students. SAIC Health Insurance is automatically charged to students for whom it is required each fall and spring semester. Waivers may be granted to students who have their own comparable health insurance coverage. Waiver requests must be completed by the end of the first day of classes for the fall and/or spring semester and each one is subject to verification to ensure compliance with minimum coverage requirements.

Information associated with SAIC’s 2023-2024 health insurance waiver requirements and student health insurance plan will be available summer 2023. Please visit saic.edu/healthinsurance.
