ARTICtime Online Timesheet Information

ARTICtime Dashboard – Students use this tool to view and submit timesheets and Supervisors view, edit and approve student timesheets. The Dashboard can be accessed from any computer, globally, with Internet Access at artictime.artic.edu.

ARTICtime WebClock - Most students record their time by using the ARTICtime WebClock to log in and out including breaks and lunch. The WebClock is available only on campus. Supervisors should notify their students of where their designated ARTICtime WebClock login computer is located in their work area, as applicable
